B.COM TAXATION

PO No.	PROGRAMME OUTCOMES (POs) *Upon completion of the B.COM. Degree Programme, the Undergraduate will be able to*
PO – 1	**Critical Thinking-** Take informed actions after identifying the assumptions that frame our thinking and actions, checking out the degree to which these assumptions are accurate and valid, and looking at our ideas and decisions (intellectual, organizational, and personal) from different perspectives.
PO – 2	**Effective Communication -** Speak, read, write and listen clearly in person and through electronic media in English and in one Indian language, and make meaning of the world by connecting people, ideas, books, media and technology.
PO – 3	**Self Directed and Life-long Learning-** Acquire the ability to engage in independent and life-long learning in the broadest context socio-technological changes.
PO – 4	**Ethics-** Recognize different value systems including your own, understand the moral dimensions of your decisions, and accept responsibility for them.

PSO No.	**PROGRAMME SPECIFIC OUTCOMES** *Upon completion of these courses the Undergraduate would have*
PSO – 1	Core Knowledge: The course will enable the students to demonstrate knowledge of major theories and models in key areas of business, finance, management, business regulations and computer application.
PSO - 2	Critical thinking: Students will gain skills in applying critical thinking and analytical reasoning in innovation, leadership, business research and managerial decision making.
PSO – 3	Problem solving: Learners can set forth their career into organisations in the fields of business, accounting and information technology by identifying related problems and coming up with logical resolutions.
PSO - 4	Integrity and responsibility: Nurture students by inculcating human values, professionalism and ethics within the legal frameworks of business and transforming them into socially responsible citizens.
