### Editorial

Ms. Amala Mary Jane

Agree with it or not, but we receive signs and hints from the universe all the time. It wants to communicate with us but we are so busy in our lives that we are not able to pick these signals that describe our actual flow of life. These signs might be a coincidence, but there are chances these are universal ways designed to guide us in one way or another. Coincidences, synchronicities and serendipities are all signs from the universe that you are on your true path.

Focus on the powerful, euphoric, magical, synchronistic, beautiful parts of life, and the universe will keep giving them to you.

## The Department of Fisheries and Aquaculture

### Visit for Students

The Research Department of Fisheries and Aquaculture organized a visit for the students of 2020-2023 batch to the prestigious Govt. Fish Seed Hatchery, Peechi, Thrissur, for a day and night programme. Scientific measures have been adopted by this facility to improve the survival rate of the seed and the results were evident through the income generated from the sales of fish seed during the financial year 2021-2022.

Students were able to take part in activities like identification of male and female brooders through physical examination, calculation of hormonal dose and its administration to conditioned brood stock, different sites for hormone administration, milt extraction- stripping; testis extraction and maceration with normal saline, egg collection methods for adhesive and floating eggs, dip treatment methods for the eradication of microbial agents, natural and artificial egg collection substrates, field identification of aquatic plants, insects fishes like Torkhudree, Wallago attu, Clarius batrachus, Anabas testudineus, Labeo rohu, Catla catla, Ctenopharyngodon idella, Cyprinus carpio, GIFT and fry of catla, rohu, Anabas etc. Students actively participated in routine farming activities which involved, removal of leaves and other fallen particles/debris from the pond, feed broadcasting to all the 50 nursery and rearing ponds of the farm, water quality monitoring and record maintenance; setting up of a (low cost/ backyard) dismantlable type eco hatchery.

## PTA Meeting

The Research Department of Fisheries and Aquaculture conducted the parent-teacher meeting for II Semester BSc Aquaculture 2021-2024 Batch, to address the issues and concerns regarding the upcoming external examination. The virtual meeting was held on 8 June, 2022. The meeting was then presided over by Dr. Vibin M, Head of the Department. He addressed the parents regarding the upcoming examinations and shared brief notes on the upcoming semester as well. He initiated a one-to-one talk with every parent/guardian for their valuable feedback and suggestions. Difficulties and issues related to online class, problems faced by the students, effort of teachers and parents were also addressed. A vital suggestion from the parents was to carry out an improvement programme for weaker students. The details regarding Remedial and Bridge course programmes were provided to the parents during this event.

## Poster Making Competition

The Research Department of Fisheries and Aquaculture organized an Intra Departmental Poster Making Competition on the 6th of June 2022, on the occasion of the World Environment Day 2022. The theme for the poster making was 'Living Sustainably in Harmony with Nature'. A total of 25 students representing BSc Aquaculture, BSc Industrial Fisheries and BVoc Commercial Aquaculture participated in the competition. The students expressed their views and thoughts on the given topic by drawing, writing slogans and quotes. The students displayed their artistic skills through the excellent designed posters on the given topic. The activity gave the students a platform to explore their creativity and showcase their skills. The posters were evaluated by the programme coordinators on the criteria such as relevance to the theme and creativity. Ms. Sneha Milton of III BSc Industrial Fisheries bagged the first prize. Ms. Gouri S. Mythili and Ms. Naishana V Z of III BSc Aquaculture bagged the second and third prizes respectively.

## Awareness Programme – World Oceans Day

The Research Department of Fisheries and Aquaculture organized a photography competition entitled "World Oceans Day Photography Competition 2022" in collaboration with Research and Environmental Education Foundation (REEF), Lakshadweep, India and Conservation Research Group (CRG), Kerala, India. The competition was organized from 8 to 16 June, 2022. The invitation for photography submissions were circulated in social media with brochures and detailed criteria for submissions and google form link for submission. The announcement was also notified in the official World Ocean Day website. The competition was announced in two categories such as (1) Open Category: Seascapes, life and human Interaction (for graduate, post graduates and

## Padi Pro Meet 2022: An Introduction to Scuba Diving

The Research Department of Fisheries and Aquaculture organized a Skill Development Programme on SCUBA entitled "PADI Pro Meet 2022: An Introduction to Scuba Diving" in collaboration with the Research and Environmental Education Foundation (REEF), Lakshadweep and Conservation Research Group (CRG), Kerala. The programme was held on 16 June, 2022. The inaugural speech for programme was delivered by Rev. Fr. John Christopher Vadassery, Registrar, St. Albert's College (Autonomous), Ernakulam.

A presentation session was held at Bernard Hall. Mr. Abdul Riyas, SCUBA Rescue Diver and Marine Biologist at REEF introduced SCUBA diving and its importance. Mr. Raheem DA, SCUBA PADI Instructor (No.339587) and EFR led the session with a video presentation. The demonstration session was held at Baccinelli Hall. Mr. Abdul Riyas demonstrated SCUBA diving equipment to the participants and displayed the techniques and

Faculty coordinators of the programme were Dr. Jayachandran P R and Dr. Jithu Paul Jacob. The student coordinators of the programme were Edwin Peter and Athul Krishna. 69 registered participants from various departments of St. Albert's College and the Kerala University of Fisheries and Ocean Studies attended the programme.

## The Department of Botany

### World Environment Day Celebrations 2022

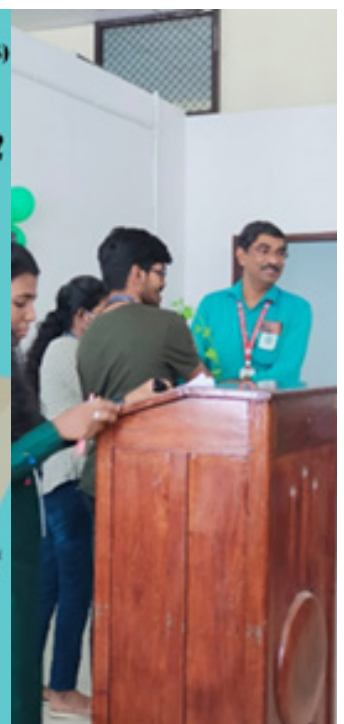

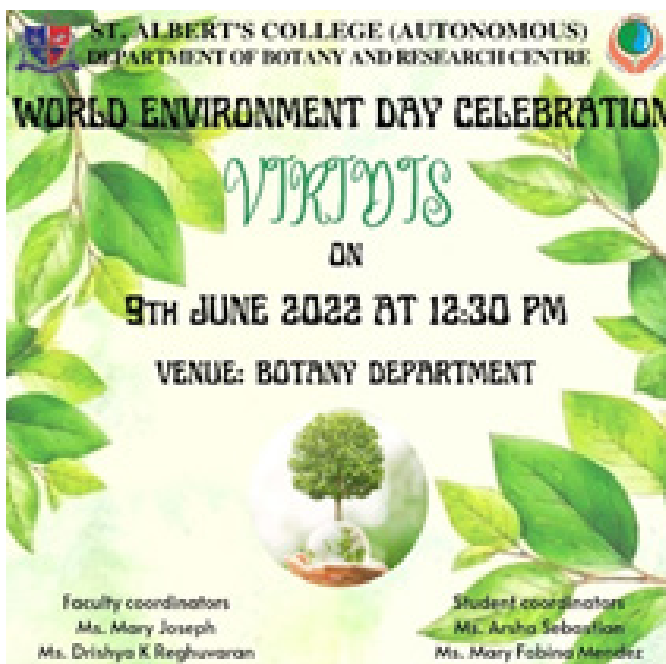

On the 9 June, 2022 the culmination of the weeklong celebrations of World Environment Day took place at the Department of Botany. The programme was titled 'Viridis.' Dr. Siju M Varghese, Head, delivered the message for the day. He emphasized the importance of sustainable living in tune with this year's theme "Only One Earth." Potted plants were distributed to all the classes in the Department. Anjana S of II MSc Botany recited a poem which was truly enlightening and thought provoking. Games and cultural events related to Environment Day were conducted.

## Interdepartmental Quiz, Poster and Collage Competitions

As part of the World Environment Day celebrations, the Department of Botany organised an Interdepartmental Quiz contest on 7 June, 2022. The competition was based on the theme "Only One Earth." Each team comprised of 2 members from various Departments. 5 teams registered for the event. An Interdepartmental Poster competition and Collage Contest were also organised by the Department of Botany on the 6 and 8 June to commemorate World Environment Day 2022.

For the quiz competition, the team consisting of Jathavedan C S of III BA English and Keven Liam William of II MSc Zoology won the first prize. Lijo Joy and Aswathy Prathapan of III BA Economics won the second prize. Nevin Boban and Romaan William Schmidt of III BA English won the third prize. For the collage contest, Mary Fabina Mendez of I MSc Botany won the first prize and Anphi Antony of II MSc Botany won the second prize.

## The Department of Commerce (Aided)

### World Environment Day 2022

As part of World Environment Day, the students of II BCom Taxation conducted a programme named 'Planeteers' which included planting and exchange of saplings. In connection with this the students were instructed to sow them on 5 June, commemorating World Environment Day. The students planted saplings and were made aware of the importance of having their own organic garden at home. The plant saplings considered for this purpose were either of fruits, vegetables or medicinal varieties. The main aim was to revive the tradition of planting not only on environment days but also to focus on the theme 'Let the roots grow again and again.'

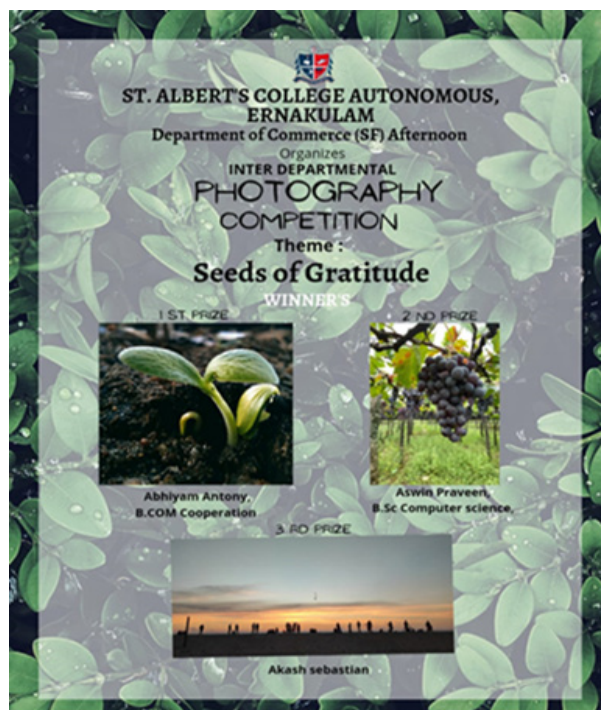

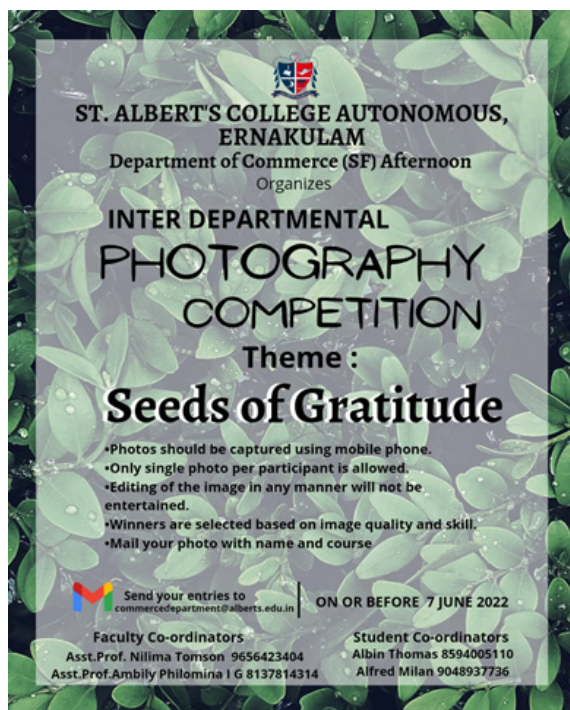

## The Department of Commerce (SF)

### World Environment Day 2022

As part of World Environment Day 2022, the Department of Commerce organized a Photography Competition. Ms. Nilima Tomson Membidikatt and Ms. Ambily Philomina I G organised the activity. The student coordinators were Albin Thomas and Alfred Milan of III BVoc PAT.

### Poster Making Competition

As part of World Environment Day 2022, the Department of Commerce organized an online poster making competition. Ms. Nilima Tomson Membidikatt and Ms. Ambily Philomina I G organised the activity. The student coordinators were Ken John Rodrigues and Antony M Solly of III BVoc Professional Accounting and Taxation.

## Crafterina Expo

The Department of Commerce SF (AN) observed World Environment Day on 5 June, 2022. As part of it, an exhibition was conducted titled “Crafterina Expo” using papers and waste materials. Ms. Dayana Xavier and Ms. Teena Martin organised the programme along with the student coordinators Shifa Mehrin (BCom Cooperation) and Babitha John (BVoc Professional Accounting and Taxation).

The students came up with bottle art, flower vases, pots, paper bags and various home decors. The items were also available for auction which helped the students to improve marketing skills. Various games were also conducted by the students.

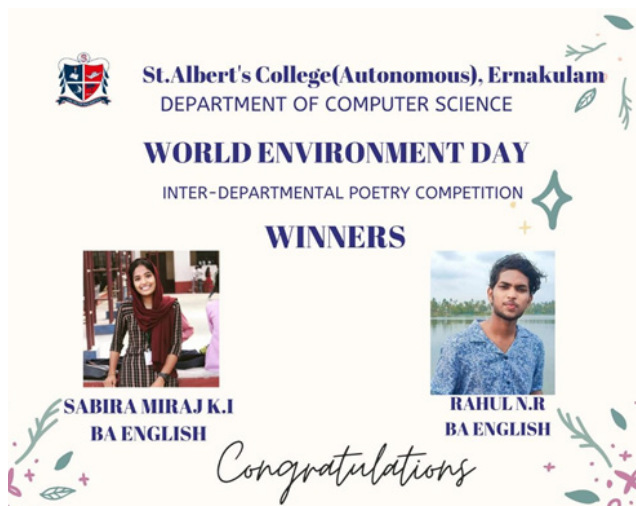

## The Department of Computer Science

### Inter Departmental Poetry Competition

The Department of Computer Science organized an Inter Departmental Poetry Competition on 9 June, 2022 as part of World Environment Day. 13 students attended the competition from different departments. Ms. Sabira Miraj K I and Rahul N R of BA English won the first two prizes. Ms. Neenu Kuriakose was the faculty coordinator and the student coordinator was Ms. Athira K Biju.

## Workshop on IT Administration

The Department of Computer Science organized a workshop on IT Administration on 3 June, 2022. The resource person was Mr. Sibin Joseph T M, Administrative Staff, St. Albert's College (Autonomous), Ernakulam. The objective of the workshop was to acquaint the students with the basic developments and trends in the field of computer networking. Students learned more about cabling, network protocols, topologies, network devices like Hub, switch, routers, firewalls, repeats, gateway and methods like crimping, punching and more. It provided knowledge on how to create a secure network and how to avoid common network security vulnerabilities to handle the loss. The workshop was a perfect combination of theory and practical sessions in a well-balanced manner and helped students to improve their technical skill sets. The workshop was successfully conducted under the guidance of Ms. Dhanya G S, Head-in-Charge and Faculty coordinator and Ms. Reshma Anilkumar, the student coordinator.

## Faculty Achievement

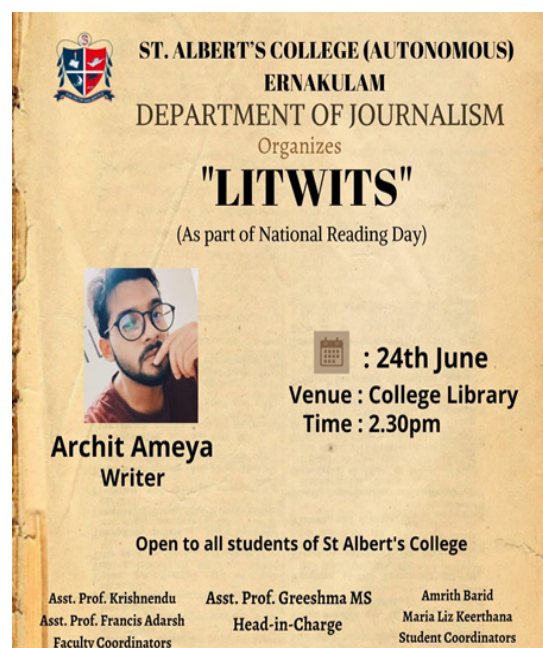

Ms. Haritha Rajeev, Assistant Professor, Department of Computer Science published a paper titled "Cyber Crime Detection using Ensemble Method" in the International Journal of Creative Research Thoughts, 7.97 Impact factor, Refereed Journal, Peer Journal and Indexed Journal (ISSN: 2320-2882) 20 June, 2022.

## The Department of Journalism & Mass Communication

### Litwits

The Department of Journalism organised "Litwits" on 24 June, 2022 as part of National Reading Day celebrations. The programme was organised in order to cultivate the habit of reading in students. The session was inaugurated by Dr. Bijoy V M, Principal, St. Albert's College (Autonomous) followed by felicitations by Dr. Augustine K.J, Vice Principal, Mr. Shine Antony, Academic Coordinator (AN) and Ms. Devika V, Public Relations Officer. The resource person for the day was Mr. Archit Ameya, writer and author of the books Aham and Never Been to the Sea. Archit Ameya expressed the importance of reading and how he became an author. This session was followed by participants sticking their favourite quotes on a board. The coordinators of the program were Ms. Krishnendu R and Mr. Francis Adarsh Albert.

On 19 June 2022, the Department of Mathematics arranged a student-alumni interactive session with Mr. Arun Ganesh, alumnus of the Department. He is the Product Owner of Gadgeon Smart System, Cochin. The Head of the Department of Mathematics, Dr. Sabu M C, staff coordinator Dr. Anto A.M., other faculty members and students of the department took part in the session. Dr. Sabu M C gave an introductory speech about the chief guest. Mr. Arun Ganesh started his message with a few words about his journey so far and shared his experiences. Following this, an interactive session was conducted between Mr. Arun Ganesh and two student representatives. Later the students were given an opportunity to ask any additional questions they had.

### Achievements

Dr. Sabu M C published an article on Integrated Programmes in "Jeevadeepthi".

Nevin Jose who was a former BSc and MSc student of Department of Mathematics (2015-2020) got selection in the Indian Air Force.

Dr. Binu M reviewed a research paper in the journal 'Artificial Intelligence' (ELSEVIER Publications – Imp factor 9.088).

## The Department of Travel and Tourism

### 'Indian Cultural Spectra'

The Department of Travel and Tourism held a programme titled "Indian Cultural Spectra" on 14 July, 2022. The theme of the event was 'Conserve your cultural diversity, preserve it for future identity'. The programme had different events such as Flash mob, Indian attire show, Indian cultural and heritage exhibition and live quiz competition. The show was coordinated by Ms. Ayana Sunil and Mr. Jain Rajan with Ms. Arya M S and Mr. Rahul Reghu. Amitha Babu and Antony Baiju were student coordinators. The second and final year Students of BVoc Travel and Tourism were the participants of the show.

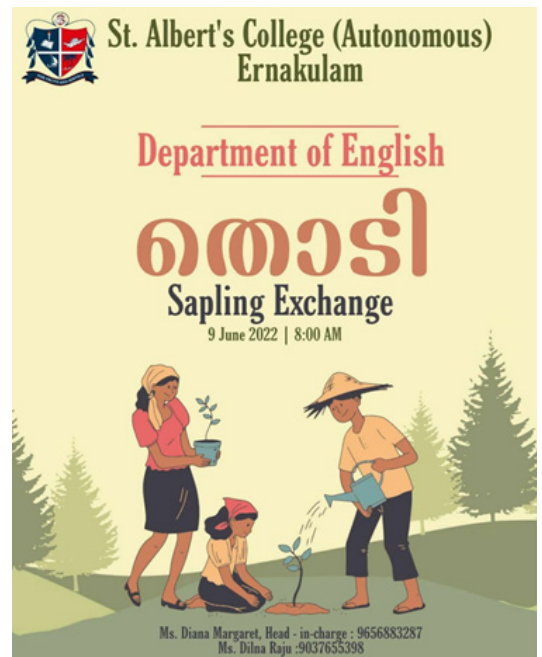

The programme started with a flash mob performed by the second and third year students of BVoc Travel and Tourism. There was a show of traditional attires titled 'Indian Attire Show' which selected Indian states such as Kerala, Tamil Nadu, Karnataka, Punjab, Assam, West Bengal and Maharashtra, which helped to educate the audience with the history of each traditional attire. A small quiz session was added to the show which included important questions regarding the culture, tradition and heritage of India and the right answers were rewarded with a small prize. The exhibition showcased the historical monuments, major attractions, traditional art forms, cuisines, and other important facts of India divided into various sectors, with posters.

## The Department of English (SF)

### Thodi – Intra-departmental Sapling Exchange Programme

The Department of English (MA English) conducted a sapling exchange programme amongst its students and teachers on 9 June, 2022 at 08:00 a.m. in classroom number 306 to commemorate World Environment Day, 2022. The programme was entitled 'Thodi' which means backyard/courtyard in Malayalam as everybody was requested to bring a sapling nurtured at home. It was held to advocate the importance of making the planet greener by the day. Ms. Diana Margaret, Head-in-Charge and the other faculty members – Ms. Dilna Raju, class tutor, MA English (2021-2023), Ms. Devika V and Ms. Gayathri A R – delivered their respective thoughts and messages associated with World Environment Day and the biota of the earth and thereafter, the saplings were exchanged.

## The Department of Renewable Energy

### Only One Earth – Workshop on Rainwater Harvesting and Water Management In Collaboration with the Department of Physics

The Department of Renewable Energy and the Department of Physics jointly organized “Only One Earth – Workshop on Rainwater Harvesting and Water Management” on 3 June, 2022. The venue for the workshop was Mellano Hall. The event was organized in association with MGNCRE and HEIs. The resource person for the workshop was Mr. Bijo Xavier, Managing Director, JB Rain Water Harvesting Company, Kalamassery. Mr. Augustine Sumesh C J of the Department of Physics and Dr. Jerin Mohan, Head-in-charge of the Department of Renewable Energy were the faculty coordinators of the workshop. Ms. Twinkle S of III BSc Physics and Mr. Leo Job of III BVoc Renewable Energy were the student coordinators of the event.

The inaugural speech was given by Rev. Dr. Antony Thoppil, Chairman and Manger, St. Albert's College (Autonomous), Ernakulam. He spoke on the importance of the environment and officially inaugurated the Environment Day celebrations of the Department of Physics and the Department of Renewable Energy. Dr. Augustine K J, Vice Principal, addressed the gathering. Dr. Louie Frobel, Head of the Department of Physics gave felicitations for the event.

'Neermathalam', the activity report for the year 2021-22 of Ecowarriors – An environmental initiative of the Department of Physics released by Rev. Dr. Antony Thoppil. The copy was received by Dr. Sajeesh T H, Dean, Academics. This was followed by the workshop on rainwater harvesting and water management with a presentation on the topic 'Great Rain Water Harvesting' by Mr. Bijo Xavier. The student groups were moved to conduct an outdoor experiment on ground water percolation. The drawing and painting activities at Mellano hall were also conducted in parallel. Mr. Bijo Xavier and his team members coordinated all the activities. After the entire activity, students were given a project on rain water harvesting. A total of 13 students gave their names for doing the project as mapped out by the JB Rainwater harvesting company.

## Webinar on “A Glimpse to your path in Green Energy”

A webinar on careers in Renewable Energy was organized by the Department of Renewable Energy on 6 June, 2022 on the topic “A Glimpse to Your Path in Renewable Energy.” Mr. Kurien Jacob, Energy and Product Consultant, Jalsun Devices Pvt. Ltd, Sun Industrial Automation served as the resource person for the webinar. Ms. Aswani B and Ms. Anna Thomas, Assistant Professors of the Department of Renewable Energy were the staff coordinators of the webinar. Nivin Vinod and Antony Philip were the student coordinators of the webinar.

The inaugural speech has given by Dr. Jerin Mohan, Head-in-charge and Assistant Professor, Dept. of Renewable Energy. The webinar by Mr. Kurien Jacob was a very interesting and interactive session. Mr. Kurien Jacob explained the scope of renewable energy and its importance in daily life. He motivated the students to take a decision to take further steps in the career path. Mr. Kurien talked about various job opportunities and academic programmes in India and abroad. Mr. Kurien’s speech gave a glimpse into audit and management, installations and inspections and energy

## Project Exhibition

A project exhibition was organised by the department of Renewable Energy on 6 June, 2022. The projects of 7 MVoc Renewable Energy Management student were displayed in the Renewable Energy lab. Rev. Fr. John Christopher Vadassery, Registrar, visited the Renewable Energy lab and had discussions with the students. He also gave them suggestions and comments.

The projects of final year MVoc students Vishnu S Babu, Christy Thomas, Joel Jacob, Anoop A, Robinson P A, Faiba K J and Athul Benny were displayed and demonstrated by the students. Mr. Alex Jose, Ms. Anna Thomas and Ms. Aswani B, Assistant Professors of the Department of Renewable Energy were the staff coordinators of the event.

## MG University Visit

The honourable members of the syndicate of MG University visited the department of Renewable Energy on 7 June, 2022 for the approval of MVoc programme of the department. The department made necessary facilities and arrangement for the visit. The syndicate members suggested improvements needed for the curriculum with regard to a vocational course and also pointed out the limitations and scope of the course.

## 'Prithvi' – Prize Distribution

On 20 June 2022, the Department of Renewable Energy organized a prize distribution ceremony of the technical quiz competition, "Prithvi" which was conducted by the department for higher secondary students on 4 May, 2022 as part of World Earth Day.

The winner of the competition, Mr. Samuel Mathew of St. Albert's HSS received the certificate of achievement and cash prize from Rev. Dr. Antony Thoppil, Chairman and Manager, St. Albert's College (Autonomous), Ernakulam.

Dr. Jerin Mohan N D, Head-in-charge, Mr. Alex Jose, Assistant Professor and coordinator of the competition and the prize distribution event, Ms. Anju A, Assistant Professor and Mr. Samuel Mathew's father attended the prize distribution ceremony.

## ISO Visit

A member of ISO visited the department of Renewable Energy on 21 June, 2022. The visit was centred around teaching and evaluation. The department provided necessary documents for the verification. The ISO member indicated the modification needed during HOT/OJT evaluation and also hinted at some remedial measures to bridge the challenging teaching-learning process during COVID with the present offline classes.

## The Department of Logistics Management

### Warehouse Visit

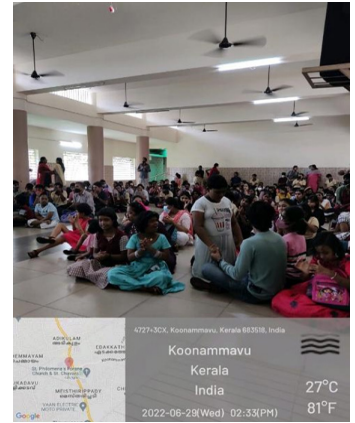

The Department of Logistics Management had organised a warehouse visit to Allwin Technologies, Kalady as a part of the Logistics Week celebration. There was a total of 78 students including II and final year students. The interactive session was taken by company officials and board members. The owner of the firm shared few real life incidents in the discussion. This was followed by the sessions of Mr. Clement, Manager Operations and Mr. Unni, the warehouse operator. The functioning of forklift was shown in front of the students. The session was officially concluded by Ms. Lakshmi G, Head-in-Charge of the Department of Logistics Management.

## 'Cheer Up Society'

The students of the Department of Logistics Management, under the title "Cheer Up Society" conducted an interaction programme with the Chavara Special School for the Mentally Retarded in Koonammavu on 29 June, 2022. The teachers and students of the department organized various fun, cultural activities for them. The programme was coordinated by Mr. Lynn Paul assisted by the student coordinator Ms. Clara Biju. The Headmistress Sr. Jidha also assisted in the programme. The department also contributed to the organization for their development activities.

## Student Empowerment Program

The Department of Logistics Management organized a Student Empowerment Program, Project "Venda" by the Fourth Wave Foundation as part of Logistics Week celebrations on 30 June, 2022. It was a one-hour awareness campaign for the department students on drug abuse, to foster balance and harmony within the self and the community. The resource persons were Ms. Neenu, Mr. Paul and Ms. Safura, Catalysts, Fourth Wave Foundation. They talked about drug related issues faced by the youth and how to avoid these. The faculty coordinator for the event was Ms. Jiya Benny and the student coordinators were Mr. Aboothahir and Ms. Mary Anna Aruja.
