GROUP DISCUSSION AND SEMINAR

On 11th June, 2019 a classroom seminar was organized by the department. The seminar was initiated by Prof. Josna Susan Francis. The whole class was divided into six groups and the group was represented by group leaders. Topics were assigned to each group.

Anu Peter and Amrutha Merin Byju talked about the recent environment changes. Argus A. P and Mariya Elizabeth spoke about the current political scenario in India. The issues relating to waste management was dealt by Mary Catherin and Adhul M.V. Amal K .U presented a pictorial representation of treating biodegradable waste at home.

PROVIDENCE HOME VISIT

The students of B.Com Computer Application of St Albert's College (Autonomous), visited the House of Providence Home for the Elderly on 26th June 2019 Wednesday. Mother Helen who was in charge of the residence gave a brief introduction about the old age home. Students broke up into groups and continued to interact with them. After the first round of interactions all of the students including all the elderly of the residence assembled at the main hall where the students had arranged some fun activities. Vishnupriya and Ashitha managed all the activities and were the program presenters. Andrews broke the ice with the welcome speech. The students arranged various fun games like sundariku pottu thodal, anthakshari, passing the bottle etc. For entertaining the members of the Providence Home. All of them were very encouraging to the various programs arranged by our students. After that all the winners of the competitions were given prizes (fruits and vegetables) and then Abhirami said the vote of thanks and asked all their blessings. Lastly they said their goodbyes with promises to meet again and left at 11:30 AM with a lot of memories.

SEA WALL BUILDING AT CHELLANAM

The students of 3rd year B.Com Taxation (SF) under the guidance of Honourable Principal Dr. M L Joseph and respected faculty members of St. Albert's College, Ernakulam, initiated in reconstructing the sea wall at Chellanam as the people were facing high tides. Around 46 students reached the site and had filled the sand in huge bags and placed these huge bags suitably along the shore for blocking the waves. They enjoyed the task which enlightened their social commitment. This was more evident from the gracious tenderness and support all the way that was extended by the villagers. In that way they felt proud privilege of interacting with the needy section of the society. In turn, becoming participants of nation building in whatever smaller way they could.

TWO DAY WORKSHOP ON RESEARCH METHODOLOGY

On 19th and 20th July 2019, Department of Commerce and Research Centre of St. Albert's College (Autonomous) hosted a two day workshop on Research Methodology.

On first day, the session commenced at 8.30 AM with a prayer song. Dr. Tia Mathews (H.O.D of commerce) welcomed the gathering. Dr Mukesh P was the resource person for the programme. After that, the session started. It was an interactive and beneficial session by Dr. Mukesh P. He started by giving a brief idea on research and various procedures to be included for conducting a research in a simple manner with practical knowledge. Then an insight was given into SPSS. A detailed session on how to use SPSS, how to enter data in it and different tools used to analyze and interpret data using SPSS was also delivered by the resource person. On day 1, descriptive analysis tools were described. A brief description on reliability testing and models were also given by the resource person.

On second day, Dr Mukesh P, gave an idea on hypothesis, its types and different tests used. Different tests explained includes one-sample t test, independent t- test, one-way ANOVA and the corresponding non-parametric tests. The session was very useful and interesting one which gave practical knowledge on research to inspire the students as well as teachers to come up with their best in academic activities. There was an opportunity for student representatives of P.G to share the feedback of session after the concluding words by Dr. Tia Mathews.

TRAINING PROGRAMME ON PUBLIC SPEAKING

Department of Commerce organised Training Programme on Public Speaking for the students of 3rd B.Com Taxation of St Albert's college Ernakulam. The program was conducted in two sessions. The speaker of the day was Robin Mathew, Motivational Trainer.

On the first day, 19th July 2019, he gave a detailed explanation about how a public speaking should be and about the basics of public speaking. He talked about the key aspects like structure of a speech, facial expression, movements, dress code, microphone, sound modulation, eye contact, the vision and mission of our speech, time management, visual aids etc.. that should be followed. He gave a lot of examples and shared his life experience. The first session concluded by pointing out the basics to be followed.

The next session was conducted on 19th November 2019. In this session he said that the only way to overcome the fear of public speaking is by practicing and for that he gave 5 topics and grouped the students in to a Group of 3 at the first round and then the circle increased round by round. And in each round the listeners note down the positives and negatives of the speaker which help the speaker to know about it and correct it in the next round of speech, thereby this helped the students to identify their strength and weakness.

The overall session was good and it really helped a lot of students who had a fear of facing the public and hope that it will help the students in their future whenever they have to address a gathering.

SESSION ON 'PERSONALITY DEVELOPMENT'

A session on **Personality Development** was introduced by Prof. Lazar Thomas Mani, (Former Head of the Department, Department of Commerce and Research centre, St. Albert's College, Ernakulam) to the first year and second year B.com students on 19th July 2019. ALBERTIAN SWACHATHA MISSION

As a part of Albertian Swachatha Mission, a presentation has been conducted on 27 September 2019 among students. The topics for the presentation were “Fundamental Duties”, “Gandhi and Cleanliness”, “Model Clean City and Clean Village” and “Japanese Practices in Cleanliness”. On 28th September 2019, all the students were asked to clean their respective homes. This activity was designed in a perception that cleanliness must start with self. On 29th September 2019 the third activity of Albertian Swachatha Mission was on the way which aimed at community efforts in maintaining cleanliness in their respective localities. Since it involves participation of not merely the student himself but a collaboration of various people in an around the locality. It was named “Changathikootam”.

“Clean Home Challenge”

“Changathikootam”

On 30th September 2019, next activity of Albertian Swachatha Mission was launched. This activity aimed at cleaning their respective classrooms. It was indeed a sign of respect to the place from where they take knowledge and wisdom which is the most powerful weapon of all times. On 1st October 2019, we have programme “Swachatha Kalalayam”. This activity takes cleanliness beyond classrooms and aims at ensuring cleanliness in and around the college premises. Students of various departments were allocated specific areas inside the campus to undertake cleaning activity.

Albertian Swachatha Mission: Class cleaning

“Swachatha Kalalayam”

On October 2nd 2019 as a part of celebrating 150th birthday of Mahatma Gandhi, St. Albert's College (Autonomous) has come up with a student-oriented cleaning programme. The Albertian Swachatha Mission was completed on this day by allotting separate regions outside the college starting from high court till town hall. The programme started by 08.30 a.m with a prayer song and Cochin Mayor Saumini Jain being our chief guest of the day, inaugurated the function officially. Thereafter students of different departments were asked to follow the teachers to their respective allotted areas.

Department of commerce were allotted area beginning from Shrine of Mother Mary ending at IS Press Road. The department has organized a separate inaugural function at CAC. The function began by 10.30 a.m. with an official welcome address by Dr. Tia Mathews, HOD, Commerce Department and our chief guest of day Prof. Lazar Thomas Mani, former HOD of Commerce Department inaugurated the function. All the students of Commerce Department have participated in the cleaning activity whole heartedly. Each student was provided with hand gloves, face masks for their protection and they undertook their respective task in a dedicated manner. The whole programme was a huge success as even the neighborhood store owners and merchants were kind enough to support us in our undertakings. By 11.30 A.M the cleaning activities were wound up and students were asked to report to the sports campus near Kaloor stadium wherein they were provided with food and refreshments along with a number of games such as lemon spoon race, sac race etc., separately for boys and girls.

John Christopher Vadassery and Prof. Rosalind Gonzaga addressed the gathering and the guests were presented with mementos. The seminar resumed at 11:15 with a two session talk on GST and Investor Awareness. In the first session a talk was held on the most debated topic, the Goods and Service Tax (GST) led by CA Razee Moideen. The second session was led by CA. P Sreekumar Menon on Investor awareness which provided insight for the students into the world of investment. The whole function concluded at 2:00 pm. The seminar was indeed very resourceful for the students and teachers which tremendously aided them to understand in depth of such relevant topics of the present day.

PTA MEETING-AIDED

The first parents teachers meeting for the first year B com students was conducted by the Department (regular) on 4th November 2019. The welcome address was done by Dr.Tia Mathews, the Head of the Department and the inaugural speech was delivered by the former Head of the Department Prof.Lazar Thomas Mani. He made a great interactive session with the gathered parents and briefed about the activities and also explained how the department offers the best learning environment for the students. Subsequently student's attendance, academic performance has been presented to the parents by the faculty members.

ATTIRE DAY AND TRAINING FOR INTERVIEW

An Attire day was conducted for the students of M Com final years on 14th November 2019 with the help of management by the Department of Commerce and Research Centre. All the students were asked to wear formals and a mock interview was conducted. The interview panel assessed the teaching skills and potentials of the students and gave them individual and group feedback on their performances. Students found it to be a good rehearsal for actual job interviews. It was a part of placement related training during the course.

ALBERTIAN COMMERCIIUM ETAIRIA - FOOD FEST, “BON APPETITE 2.0”

On 3rd December 2019, the Commerce Association (Albertian Commmercium Etairia) hosted a food fest, “Bon Appetite” in the college premises. The students set up 6 food stalls, which were opened by 11 am and winded up by exactly 11:30am. There were varieties of food prepared and served by the students of the department. Ice creams, snacks, hoppers, soft drinks grabbed the attention of the staffs and a bunch of young food lovers.

In the afternoon, the ‘Bon Appetite’ stalls also managed to serve delicious biriyani and also some snacks and ice creams, which were opened till 3.00 pm. The stalls gave an experience to the budding entrepreneurs of the commerce department. Thanks to all the Albertians, who made ‘Bon Appetite 2.0’ a grant success.

RUCHIKOOTTU (Food Fest)

On 18th December 2019, the Department of Commerce SF organised their annual event- Food Fest (Ruchikoottu) as a part of their social upliftment activities. This is focused on providing medical benefits to cancer ward patients as a part of the department Social Outreach. The fest was organised by the students and coordinated by Prof. Chandni G and Prof. Nazreen Ashraf headed by the Head of the department Prof. Jefrin Johnson. The fest was inaugurated by Dr. M L Joseph, Principal, St.Albert's College (Autonomous). The Fest was opened to the people in college from 11 am onwards. The students managed to sell evening snacks, Homemade dishes, Ice creams, donuts etc. All the commodities were sold off and the proceedings were decided to be spend on the Hospital as a medical Support to cancer patients.

SORRY 2019: GREEN INITIATIVE OF DEPARTMENT OF COMMERCE AND RESEARCH CENTRE

As Global climate change takes its toll on India, there has arisen an indispensable need for a people's movement to tackle this environment catastrophe. With the aim to impart this knowledge, "SORRY"- Shouldn't Resource Remain Years-long, a Mega Project launched by the Department of Commerce and Research Centre of St. Albert's College (Autonomous) in collaboration with the Co-operative Educational Agency, Verapoly. T J Vinod, MLA, renowned environmentalist C R Neelakandan, Dr. M L Joseph, Principal of St. Albert's college Autonomous, Vice Principals Rev Fr. John Christopher, Dr. Rosalind Gonzaga, Dr Tia Matthews HOD department of Commerce, spoke in the event.

Shri. T.J Vinod MLA inaugurated the Project Sorry 2019. He appreciated and stated that "SORRY is a promising project for the future generation and its high time that our generation unitedly stand for a better environment" Environment activist, C R Neelakandan lead the Train the Trainers programme. Paper pens which was made by the students of Commerce Department of St. Albert's College, (Autonomous) as a part of "THOOLIKA"-An initiative of paper pen making and "CARRY- Conservate. Abate. Recycle. Reuse. Yourself" under the project "BHOOMIKA" to promote the use of paper bags and teach the students and faculty to make their own paper bags which highlighted the need to plant new trees and preserve the prestige beauty and greenery of the mother nature.

Second year M.Com students have compiled a handbook for the NET aspirants under the guidance of Prof. Neetha Francis. It was officially handed over and released to Prinicpal, Dr. M.L Joseph by Vice Principal, Dr.Rosalind Gonzaga during the inauguration of department social outreach program 'SORRY'.

“THOOLIKA”-An initiative of paper pen making.

Every living being have an environment where they exists. The factors or forces in the environment have an influence on them. It plays an important role in the healthy living of human beings. It matters because it is the only home that humans have. It provides air, food, and other needs. Humanity's entire life support system depends on the well-being of all the environmental factors. The negative forces in the environment will adversely affect the human life and we are the people who paved the way for this negative impact. So obviously it is our responsibility as a human being to track the solution for this deadly situation. The lion share of this problem is carried by plastic, which is a material made to last forever. These are used for just once and thrown away. Plastic cannot biodegrade; it breaks down into smaller and smaller pieces only. Toxic chemicals leach out of plastic and are found in the blood and tissue of nearly all of us. Exposure to them is linked to cancers, birth defects, impaired immunity, endocrine disruption and other ailments.

It is our very time to take necessary steps to cut down the uses of this threatening material, 'plastic'. As an initial footstep, the department of commerce and research Centre of St. Albert's college, Ernakulam had developed a programme named “SORRY”- Shouldn't Our Resources Remain Yearlong. The project Bhoomika was launched under this programme.

As a part of Bhoomika initiative named “Thoolika” the students of the II M.Com made paper pens in order to reduce the plastic left over which are produced by using other types of pens. In the first phase, they taught II B.Com students and through them they targeted to campaign the need to use these pens among the school students as they are the upcoming generation who can make changes in the society. In order to induce the students use these pens the initiators also announced the contest. That is, the students were asked to plant those seeds while disposing the pen after use. And they were asked to take a selfie with the plant and send it to the email that has been provided.

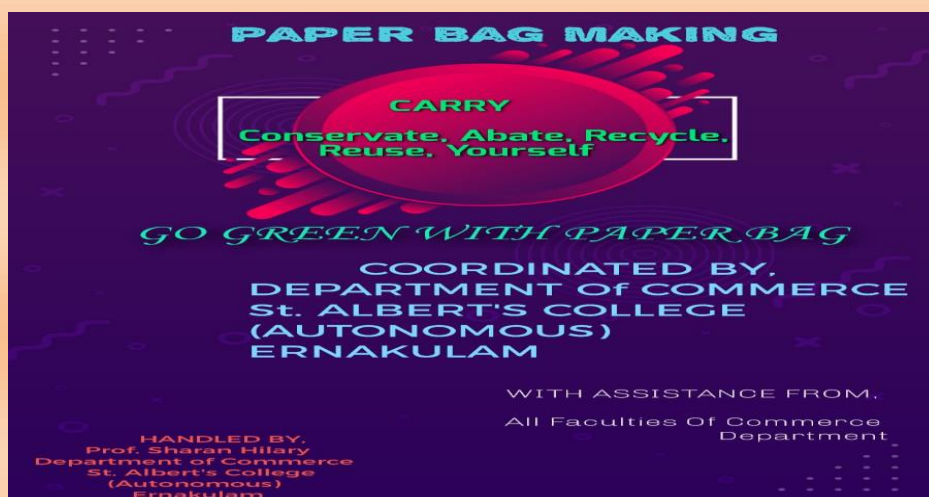

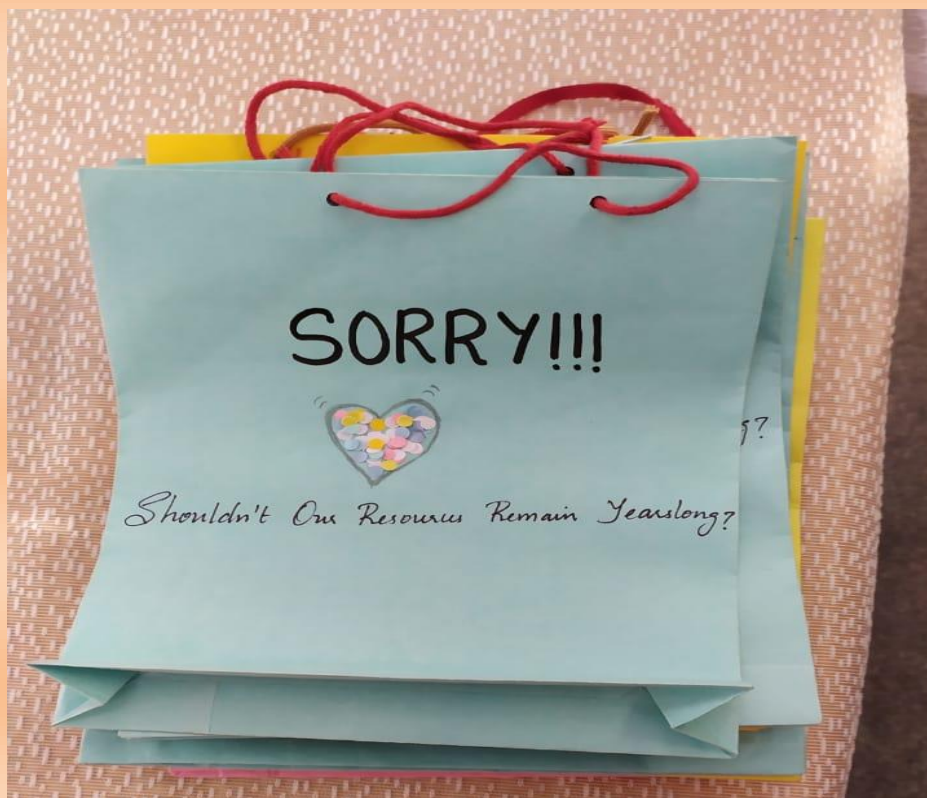

In the second phase they expanded the programme by reaching to schools in and around the city and taught them to make those pens and spread the awareness to use eco-friendly products. The major motive behind these projects was to develop entrepreneurship skills among the students and induce them to bring changes.

“CARRY” - An initiative of paper bag making.

Green Protocol is the need of the hour and the same leads to a sustainable and enriched environment which has been one of the most pertinent discussion worldwide in the past few decades. As the cases of global pollution and increased use of plastic are creating a trauma for our mother earth it is the responsibility of each one of us to minimize and mitigate this problem. One of the most effective step to handle this situation is to reduce the use of plastics in our day to day uses. As a substitute for plastic products like plastic bags we would like to use paper bags which is a big ecofriendly step.

The Commerce Department of St. Albert's College has launched a programme “CARRY-Conservate.Abate. Recycle. Reuse .Yourself” under the project “BHOOMIKA” to promote the use of paper bags and teach the students to make their own paper bags. It was being carried out so as to make the child self-dependent on creating their own bags and to not to depend outside.

The one day paper bag workshop was handled by Prof. Sharan Hilary of Department of Commerce. Students were asked to bring their own chart papers and Prof. Sharan Hilary clearly described the paper bag making process. The method adopted and taught by him was very simple and precise and students found it very simple to adopt towards his methods. The second time students were able to make their own bags and some of the bags were even decorated and made attractive. Each student was aware of his duty towards nature and each one was enthusiastic in promoting this scheme and spreading awareness regarding this project.

The second step of this scheme was to spread awareness to the public and teach them to make paperbags. The students of St. Albert's H.S.S , Ernakulam were taught to make paper bags by the students of St. Alberts College .They were also asked to promote this programme and was taught the ill effects of using plastic bags.

The main idea of this project is to raise this scheme to an entrepreneurship level. This would have a net positive effect on the natural environment and at the same time is financially sustainable. Paper bags are gaining importance as these bags are 100% reusable, recyclable and biodegradable and at the same time environment friendly and pose less threat to wildlife. A paper bag's structural firmness and surface feature made it ideal to print high-quality images, logo, designs better as compared to a plastic bag, and that made paper bags a hit for fashion, luxury and premium gift packaging industry. Project "CARRY" would promote sustainable entrepreneurship which can turn into the driving force for the emergence of a new holistic sustainable system in the three dimensions – economy, environment, and society.

GROUP DISCUSSION ON 'SORRY SHOULDN'T OUR RESOURCES REMAIN YEARS LONG'.

On December 12, 2019 the team of SORRY met for the second time for discussing and planning the event 'SORRY' that we had done successfully with St. Albert's School earlier. The discussion focused on developing our project to reach a wide coverage especially on Ernakulam City. The GD was initiated by Dr. Tia Mathews and she had welcomed Fr. Jolly John Odathakal, Asst. Manager of St. Albert's College to this GD. Vice Principle Dr. Rosalind Gonzaga had assisted. Overall 19 students from 2nd M Com, 2 representatives each from 1st M Com, 2nd B Com and one from 1st B Com were present and this discussion was successful.

"Ideas that come from after saturation are the most creative ones" Fr. Jolly John Odathakal had said. Everyone had shared their opinions and ideas. Father had stated that it is not Recycling we do but Up cycling. Father asked to give a sum up of what we had done earlier and Abeeya and Joshma had given a short summary of the project. Abeeya had suggested the idea of doing vegetable gardens as competition events in schools. Difna and Ganga had talk about the target group we would select is 5th, 6th and 7th standard students. Some others had suggested that we should extent this to high school and college level. At last Father had suggested that it would be better to select 4 to 7th standard students so that it is easy to get them as other groups will be busy about their academic studies and also former groups will catch ideas better. Difna also suggested that planting a tree should be given as assignments. Oliviya and Gretta had talk about collecting waste dress materials and making useful items like mats, bags etc. Sachu and Akash added idea of entrepreneurship of making cloth bags.

Tia madam had suggested Thushara for doing the same as a coordinator. Thushara had suggested that students should be given some incentives for collecting plastic and she explained the same model in Pune. Ann Martin suggested that it would be better to conduct follow up activities rather than one time visit. Prof. Tia Mathews added that we should form clubs and a faculty should be connected.

After everyone had shared their experience, opinions, ideas and suggestions about the project 'SORRY' Fr. Jolly John Odathakal volunteered and summarized the main points that we would remember and adopted.

GOLDEN FEATHERS – DOCTORATES

Dr. JULIE JOSE

Julie Jose was so vibrant in her all behaviour towards her friends, research guide and research centre. She proved her talents more than a Higher Secondary Teacher. She was so curious like a kid in her research work. She also directed a short film for Plus Two students in her school. More than everything, she was a good mother for her two daughters. I conclude the memories about her with a quote “The death of a friend is equivalent to the loss of a limb”.

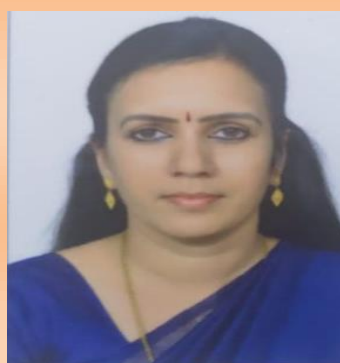

Indeed it is really the most sadest and a speechless time to address that she has showcased her research thirst through getting awarded her Doctrate Degree in Consumer Behaviour for Consumer Durable Goods in Kerala, in 2019.
