

BOOSTING MORALE OF YOUNG FLOOD VICTIMS

The college organized a visit to St. Joseph's L. P School, Mannumthuruthu, Varapuzha to interact with the little victims of the flood and to boost their morale. On September 4, 2018, 42 students of Albertian Institute of Management along with 21 MSW students visited St. Joseph's LP School to interact with the little victims of the flood and to boost their morale. The different games, songs and activities which the Albertians had prepared helped the kids to forget their worries and brought back smiles on their anxious faces. The kids actively participated in the activities, empowering and energising them to return back to their happy selves.
