

TWO DAY WORKSHOP ON RESEARCH METHODOLOGY

On 19th and 20th July 2019, Department of Commerce and Research Centre of St. Albert's College (Autonomous) hosted a two day workshop on Research Methodology.

On the first day, the session commenced at 8.30 AM with a prayer song. Dr. Tia Mathews (H.O.D of commerce) welcomed the gathering. Dr Mukesh P was the resource person for the programme. After that, the session started. It was an interactive and beneficial session by Dr. Mukesh P. He started by giving a brief idea on research and various procedures to be included for conducting a research in a simple manner with practical knowledge. Then an insight was given into SPSS. A detailed session on how to use SPSS, how to enter data in it and different tools used to analyze and interpret data using SPSS was also delivered by the resource person. On day 1, descriptive analysis tools were described. A brief description on reliability testing and models were also given by the resource person.

On the second day, Dr. Mukesh P, gave an idea on hypothesis, its types and different tests used. Different tests explained include one-sample t-test, independent t- test, one-way ANOVA and the corresponding non-parametric tests. The session was a very useful and interesting one which gave practical knowledge on research to inspire the students as well as teachers to come up with their best in academic activities. There was an opportunity for student representatives of P.G to share the feedback of the session after the concluding words by Dr. Tia Mathews.
