

PSC COACHING CLASSES AND CIVIL SERVICE ORIENTATION SEMINARS

Cracking the PSC examination and getting a government job is a dream for many youngsters. The PSC coaching classes and Civil Service Orientation seminars were organized by the Department of Economics for the students of the college, post regular working hours, aimed at helping such students to pursue their dreams. The strategically formulated plans with classes handled by experts would help the students to ace in the tough examinations. 60 students participated in this training programme and 5 faculty members coordinated the programme.
