

FLOOD RELIEF ACTIVITY

More than 92 Volunteers from college were involved in flood relief activities and cleaning of houses in flood affected sites at Kothad and Malipuum. Armed with the cleaning items given from the Primary Health Care Centre, the Volunteers and faculty co-ordinators of the college actively involved in cleaning the houses and also in collecting discarded plastic items from its surroundings.

Helping Hands **St. Albert's College**
Albert's for the Society (Autonomous)
