Qualitas

Towards Excellence

Vol No. 2 I 2018-19

In the post NAAC accreditation scenario, the IQAC is envisioned as an embedded function of an Institution, harnessing synergies from all its constituent units. As a part of its mandate of developing an all-encompassing quality culture in the college, the news letter ***Qualitas*** will serve as an important conduit in the effort of spreading important information of the College and its activities. St Albert's College has consistently endeavoured to achieve and sustain excellence in the field of education with a view to empower and enable students for holistic development, professional excellence and mould them into value embedded citizens fit for the job market. A congenial environment for learning, self-learning and life-long learning is created and knowledge, skills and values with a view to achieve holistic development among the students is made available. An excellent network with agencies, institutions and individuals has been established to build community orientation, spirit of self-sacrifice and academic excellence.

The IQAC, is an integral part of the College and works towards realizing the goals of quality enhancement by developing a system for conscious, consistent and catalytic improvement in different aspects of the functioning of the College. The IQAC assures the stakeholders i.e., students, parents, teachers, staff, Management, funding agencies and society in general - of the accountability and transparency in the quality management system of the Institution and its concern for ensuring the quality of education being imparted.

The IQAC organizes orientation programmes for faculty, administrative staff, and students. Feedback from various stakeholders is garnered for quality sustenance and improvement in teaching, learning and research experiences in the College. The Cell also documents and reports various activities of the college for various higher education requirements. Through all these measures, the IQAC happens to be one of the important components of the College and ensures quality and continuous improvement in all the units/aspects of the College. The IQAC places it on record its gratitude to the management, staff, students, funding agencies and parents for their support in fulfilling quality sustenance and maintenance at St Albert's College Autonomous.

Dr. Nisha Thomji Varghese
IQAC Coordinator

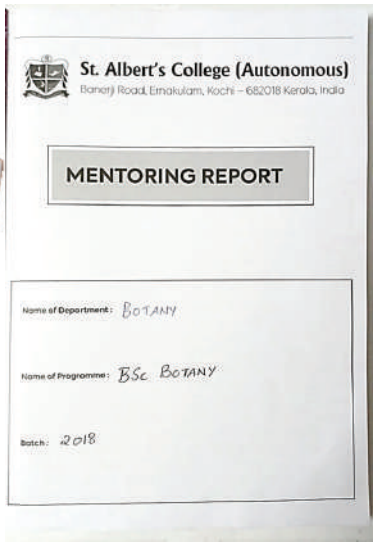
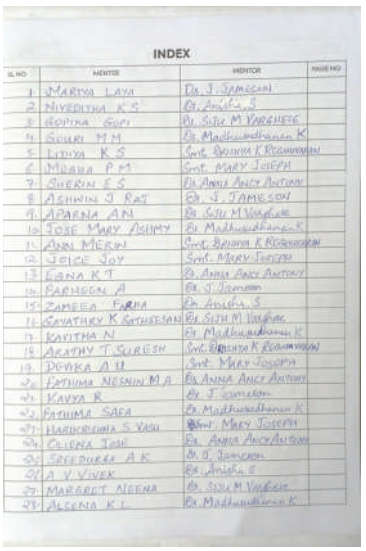
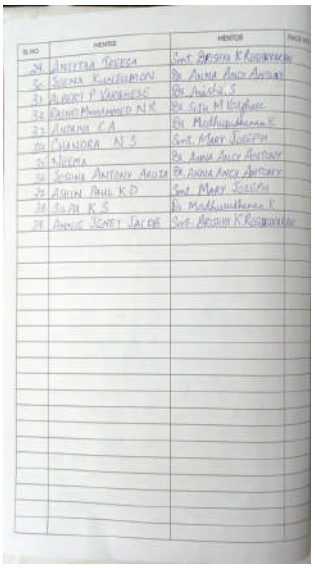
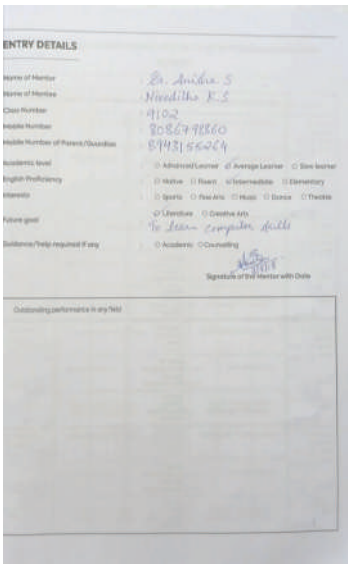
MENTORING

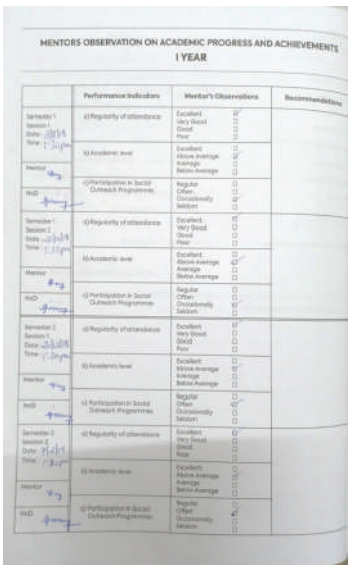
➪ The mentoring system in St Albert's College is all about assisting and encouraging students to manage their learning so that they can reach their full potential, enhance their abilities, and become the person they want to be. Mentors provide instruction, inspiration, emotional support, and role modelling to a mentee, while also sharing knowledge about his or her career path. Mentors also assist with career exploration, goal-setting, networking, and resource discovery as well as support and facilitate the professional or personal development of the mentee. The mentors ensure that students are provided a reliable and comprehensive support system, to motivate them to excel in both academic and non-academic fields and to make the most of their life at the College.

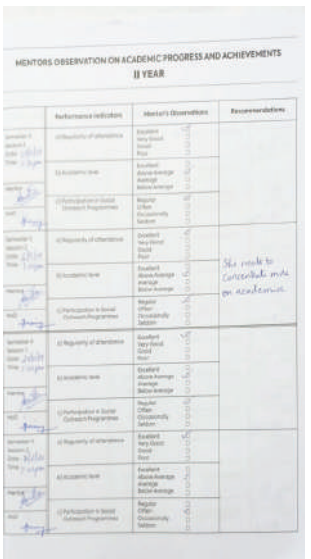




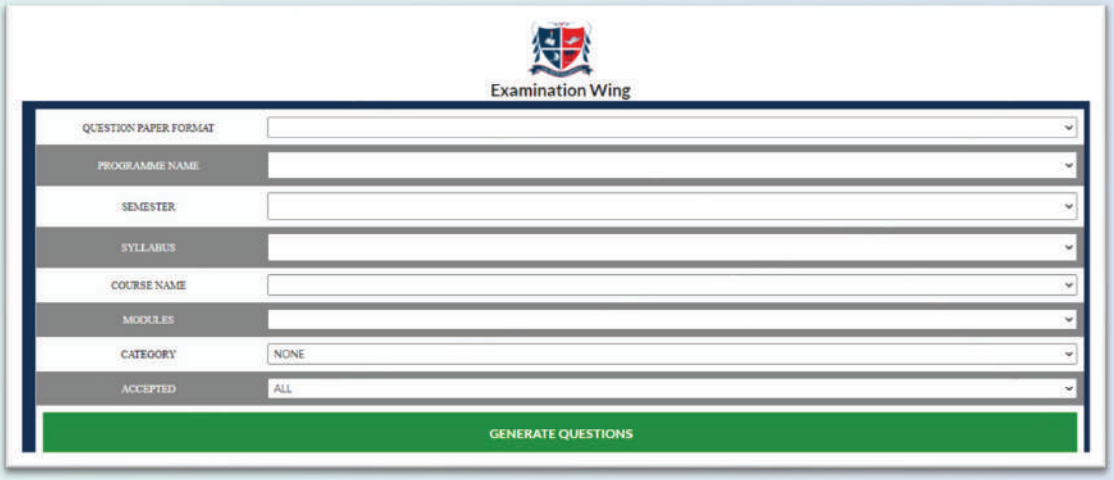


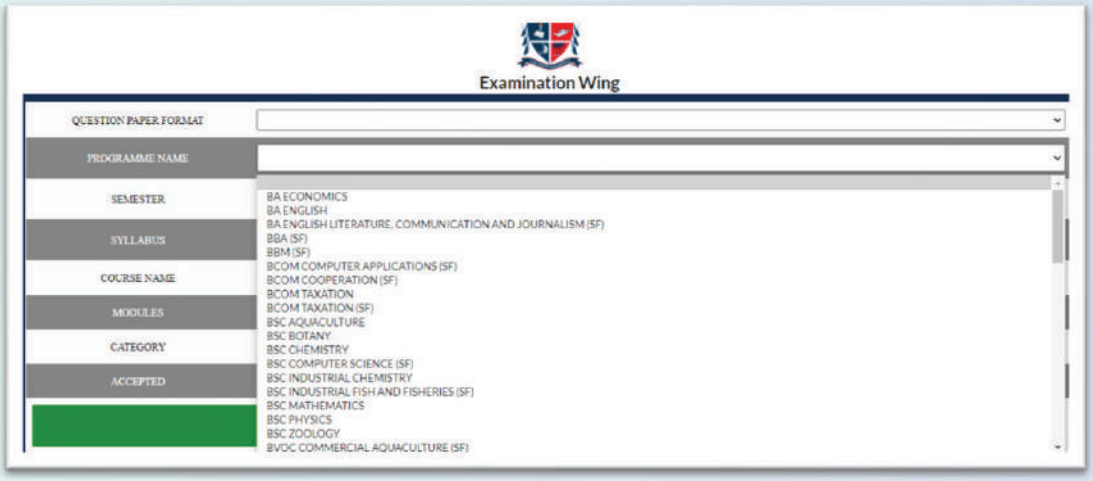






EXAMINATION CELL





➪ St. Albert's College became the first autonomous college in Kerala to use the in-house ERP system EduAlberts to manage the academic activities of the college. ACADEMIA – COMMUNITY CONNECT

Kerala witnessed unprecedented floods in 2018 and St Albert's College responded to the August floods on a war footing enabling it to tide over the disaster. The College was involved in the flood relief work at various levels right from the beginning. The strategy was to concentrate on regions in and around Ernakulam district and extend beyond wherever necessary, with the intention of rebuilding the lives of people and communities. Human resources /manpower including Teaching and Non-teaching staff, students, parents and alumni were effectively coordinated and deployed in different points to engage in rescue and relief operations.

Around 3000 people were housed in the relief camp opened in the campus and the focus was on provision of emergency supplies of food, water, medicines and clothes. Gender-specific interventions were implemented, including personal safety and hygiene items. The management played a unifying role even while it decentralized the resources and duties down to the stakeholders levels and participative governance was clearly reflected in the incredible manner in which staff, students and other stakeholders united and served as volunteers to organize rescue and relief work. Since the disaster situations were highly fluid, there was a close coordination and cooperation between those involved in the response, including the affected community itself.

As part of the recovery initiative, the College conducted programmes related to cleaning inundated houses, livelihood support, and counselling for traumatized youngsters to stabilize the physical and emotional condition of survivors. Students of the College also involved in conducting surveys in different Panchayats and villages.

All the students and teachers actively took part in the programme which was inaugurated by Sri. Hibi Eden, Ernakulam MLA inaugurated the event. Smt. Gracy Babu Joseph, Ernakulam North Councillor also graced the occasion and addressed the students

AMMAYKKORU-PACHAKKARI-THOTTAM

The Department of Botany organised a drive titled Ammaykkoru-Pachakkari-Thottam to encourage students to grow vegetable gardens in their homes. Consuming more fresh fruits and vegetables was one of the most important things one could do to stay healthy. When one picked vegetables right from one's garden, the vitamin content would be at its highest. Also the risk of eating vegetables that contained harmful chemicals would be reduced.

LEBENAH-AHEB OR 'BRICKS OF LOVE'

The Department of English started a project Lebenah Aheb meaning Bricks of Love. The staff and students embarked on the journey of constructing a house for Ms Jolly Gabriel, a non-teaching staff of the College. The project was inaugurated by Ms. Aparna Rao, a social worker. The foundation stone for the house was laid by the Chairman, Rev. Fr Antony Arackal in September 2018. The students made and sold LED bulbs, detergents, soaps to raise the initial amount for the same.

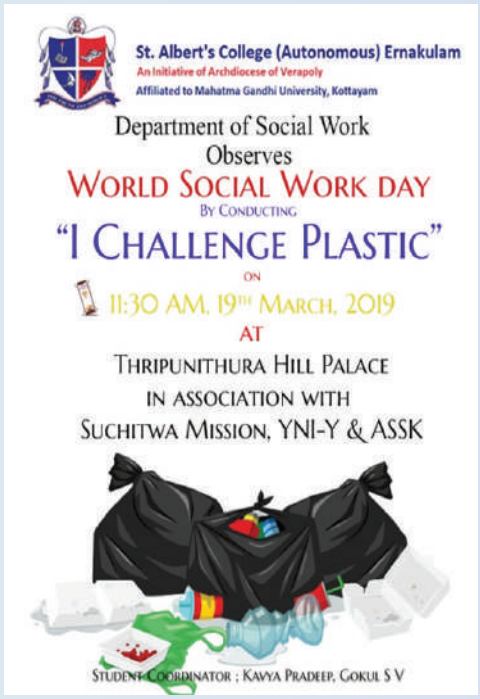
GREEN INITIATIVES

Amidst the progressive development, concerns on environmental issues have been well addressed and green initiatives implemented. The College celebrated all days connected with nature and the environment and invited eminent environmentalists and activists to deliver lectures.



- Awareness Campaign against Plastics ("I challenge plastics") was organised.
- Green Protocol Campaign regarding General Elections 2019 was conducted.
- Disposable drinking glasses were replaced by steel glasses in the Campus
- The NSS Unit of the College implemented the 'Bin It India' initiative in 50 schools in Ernakulam District.
- Eco-friendly materials were used for decorations and honouring guests.
- The College started digitizing documents to reduce use of paper in administrative activities. The College made significant initiatives to fulfil the slogan in the Green Protocol – 'Reduce, Reuse, and Recycle'.
- Departments facilitated online submission of project reports and assignments as an important step towards reducing paper usage on campus.
- Awareness Programs, Poster Designing competitions, Observance of World Environment Day, Ozone Day, Wetland Day, Workshop on eco-friendly pens, paper bags and cloth bags, use of solar panels to minimize the usage of electricity, Energy saving LED lights, etc. are the various initiatives of the College to enhance the environmental, economic, and social well-being of communities, minimize use of natural resources and reduce its impact on the environment.
- Clean Green Campus is the watchword of St Albert's College (Autonomous). The College maintains the campus green, clean and eco-friendly.
- The NSS Unit and NCC Units were actively involved in propagating green campus campaigns through meaningful activities.
