Internal Quality Assurance Cell

ST. ALBERT'S COLLEGE (AUTONOMOUS) ERNAKULAM

Vol No. 4 | 2021 - 22

Qualitas

Towards Excellence

When COVID-19 abruptly upended our lives last year, it separated us, almost completely, from the routine and events that usually rooted our lives in time - work, social outings, sports events, ceremonies, and travel - the things we planned for and looked forward to. Life tended to be a blur without those anchors

At the same time, important developments in the field of education took place as the COVID-19 pandemic sent ripples across the world. Educators across the world had not only to take extraordinary measures to deal with the health and safety threats they encountered on a daily basis since the onset of the pandemic, but they also had to learn new technologies, and respond to multiple demands as the landscape of teaching and learning shifted under their feet. This brought far-reaching changes in all aspects of life. With the availability of a sea of platforms and online educational tools, the users—both educators and learners—faced frequent hiccups while using or referring to these tools. Social distancing and restrictive movement policies significantly disturbed traditional educational practices. Reopening of colleges after relaxation of restrictions posed multiple challenges with many new standard operating procedures put in place.

St Albert's College responded to this situation with equanimity and fortitude. Like tenacious butterflies, an amazing volume of academic and service-oriented activity by determined and enterprising faculty, infused with a spirit of inquiry, novelty, ingenuity, empathy, resolution and promise, kept the campus alive, blooming, and blazing in the pervasive darkness caused by the violent pandemic.

Even while caught in the throes of the pandemic, The Internal Quality assurance Cell (IQAC) made sure that all quality parameters of the institution were looked into. The various activities that were necessary to increase the quality of the education imparted by the College were planned, initiated, and supervised. The Cell also planned, guided, and monitored the quality initiatives to enhance the impact of the education being imparted and took an active role in maintaining quality standards in teaching, learning, and evaluation. The quality culture was triggered, consciousness was awakened, and processes were initiated especially with regard to the submission of IIQA and SSR for the fourth cycle of accreditation.

In the midst of chaos, there is also opportunity. We are still at the core of change and don't expect that the way things are, will be perpetual. In fact, the situation is fluid and changes daily. If we change along with it, we have a better chance of coming out the other end of this with new prospects, new progress, new learning, and thrilling new challenges.

Dr. Nisha Thomji Varghese

IQAC Coordinator

PLATINUM JUBILEE - CURTAIN RAISER

Progressing with one vision and a shared mission through determined beliefs, tireless efforts and daily endeavour, St Albert's College traversed 75 glorious years. The College has been committed to excellence in all aspects of education for 75 celebrated years and had dedicatedly provided holistic value-based quality education that created a positive mindset and empowered learners to be responsible citizens.

Adhering to the motto Truth and Service the students were mentored, guided, moulded, encouraged and thus nurtured to be unique champions of intellectual brilliance with a proficient sense of ethical and civic responsibilities.

Looking back on this journey of more than seven decades was quite enriching, rewarding and gratifying. The College has come a long way from where it once was. Platinum Jubilee Celebrations was a time to remember the indomitable spirit of the pioneer pillars of strength, the forerunners who spearheaded this institution, the vital role played by former faculty members, the blessings and support of many benefactors and above all, the zest of enthusiastic Albertians, who are looked up to with great pride and expectations as true ambassadors.

The Platinum Jubilee Celebrations were inaugurated by Sri Arif Mohammad Khan, the Honourable Governor of Kerala on Friday, July 16, 2021. The Most Rev. Dr Joseph Kalathiparambil, the Metropolitan Archbishop of the Archdiocese of Verapoly, presided over the function. The keynote address was delivered by Adv. Antony Raju, the Honourable Minister for Road Transport, Motor Vehicles and Water Transport, Government of Kerala. Sri Hibi Eden, MP and (Prof) Dr Sabu Thomas, Honourable Vice-Chancellor of the Mahatma Gandhi University graced the occasion with their esteemed presence.

The celebrations started at 9 a.m. with the Thanksgiving Holy Mass which was led by Rt. Rev. Dr Joseph Karikassery, Bishop of Kottapuram Diocese. Eminent personalities like the Honourable Justice Sri. Sunil Thomas, Judge High Court of Kerala, Very Rev. Monseigneur Mathew Kallingal, Vicar-General, Archdiocese of Verapoly, Sri T J Vinod MLA, Sri Tini Tom and Sri Dharmajan Bolgatty, Cine Artists made their presence felt during the celebrations.

ALBERTIAN SEED GRANT FOR RESEARCH (ASGR)

The Albertian Seed Grant for Research was set up to stimulate competitive research in strategic areas of national or international importance, promote innovative product and technology development, and facilitate the start of research programmes which would potentially develop into creative ventures. ASGR was initiated to promote inter-faculty collaboration in emerging areas and to promote the generation of IPR and product / process development

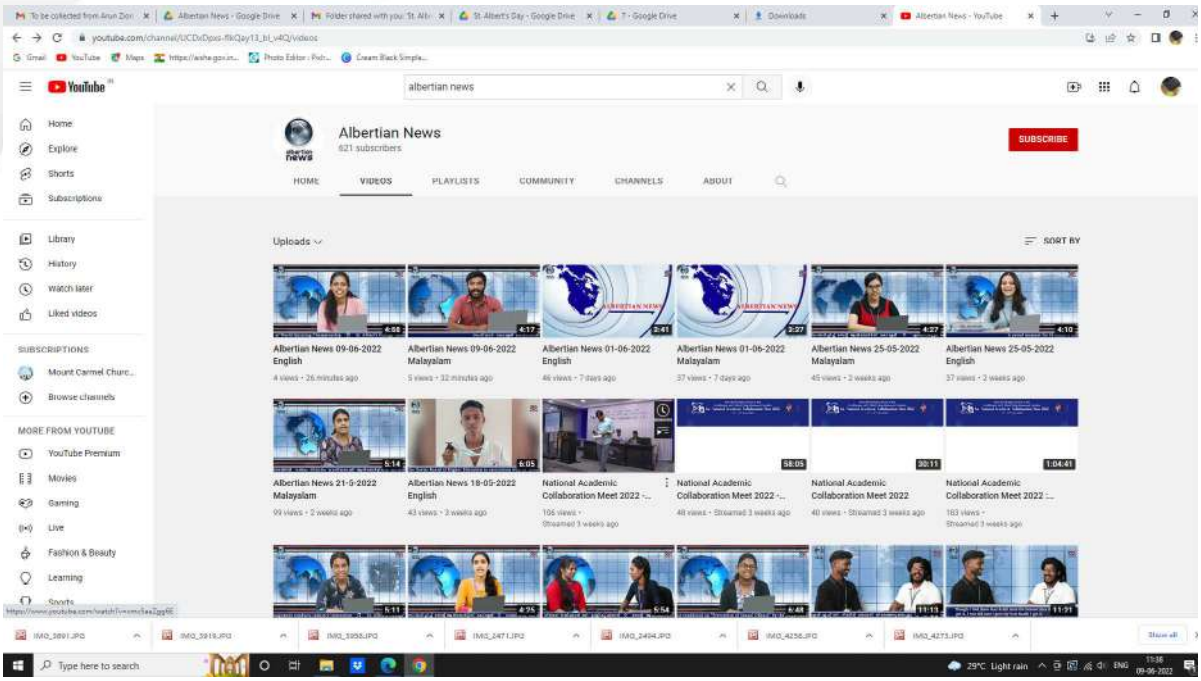
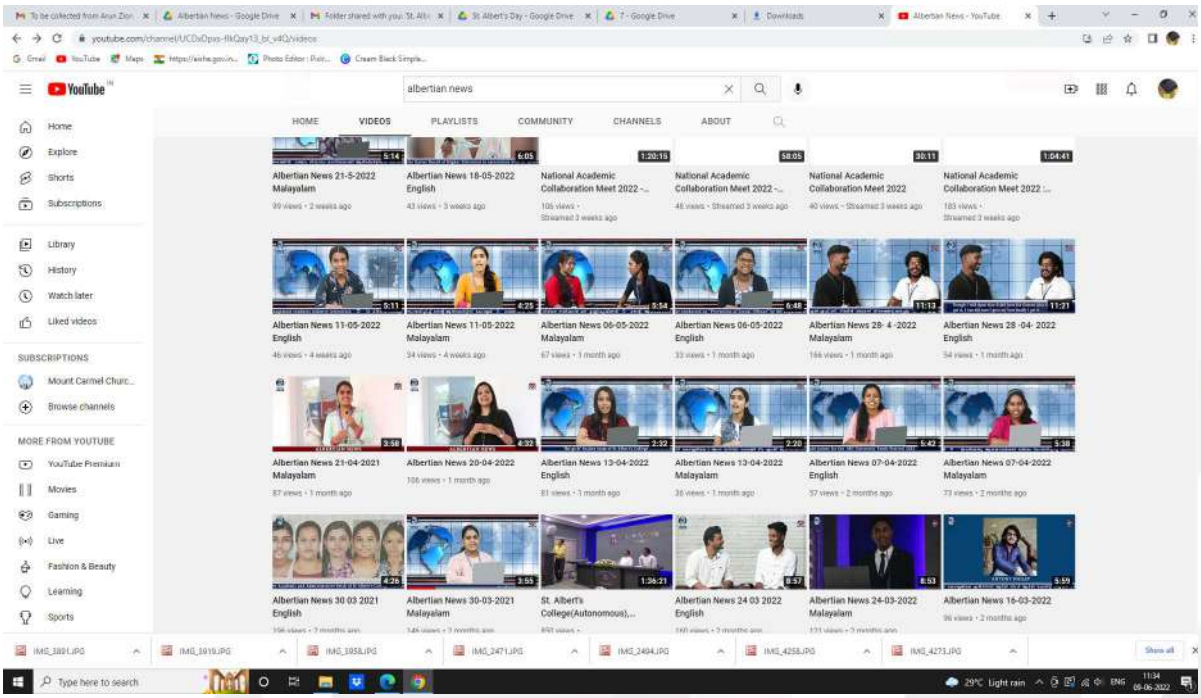
ALBERTIAN NEWS CHANNEL

St Albert's College (Autonomous), Ernakulam, took initiative in nurturing and building responsible citizens by providing an opportunity to the students to explore the field of journalism. The College initiated the Albertian News Channel on 7th July 2021 which enabled students to develop their journalism skills. Students learned practical methods such as collecting, reporting, anchoring and editing news. Albertian News was not created to replace other communication tools, but rather as a medium that complimented them. It helped to establish a creative hub within the College, allowing students to express themselves and build their confidence.





DEEKSHARAMBH

St. Albert's College conducted the Student Induction Programme—Deeksharambh from 20th September 2021 as per UGC Guidelines. The Student Induction Programme (SIP) was to create awareness in students regarding Socializing, Associating, Governing and Experiencing (SAGE).

All the Departments organised the following sessions for developing Socializing skills in students

- Ice Breaking Session: meeting other new students
- Student Life: Meeting Senior Students
- Student Leadership: Participatory Management Leadership
- Lecture by a Professional from the Industry
- Lecture by an Eminent Academician about the Degree/branch of Knowledge
- Lecture by a Prominent Alumni

All the Departments organised the following sessions for developing skills related to the qualities of Association in students:

- General introduction to the College, Various Offices in the College, Library and its Facilities
- Sessions on the Respective Departments and Programmes Offered
- A Virtual Tour of the Facilities in the Department (Lab, Computers, Classrooms, Department Staff Rooms etc.)
- Introduction to the Programmes, Curriculum, POs, PSOs, Mission and Vision
- Introduction of NCC Air wing, NCC Naval Wing, NCC Army Wing, NSS and Sports

For the skills and awareness with respect to Governance, the Executive Committee members of each Department arranged the following sessions:

- Rules and Regulations: Registrar/Vice Principals
- Albertian Examination System: CoE and Team
- Student Support System: Dean, Student Affairs and team

- Participatory Management: Dean, T&D and team
- Student Portfolio and Quality Assurance: Dean, Quality Assurance and team

The following sessions for creating awareness associated to Experiencing:

- A Lecture on the Nuances of the Subject
- A Lecture on Skills Required for Learning the Respective Courses
- A Session on Mentoring
- Group activity to build the Spirit of Teamwork
- A Creative and Performing Arts Session
- A Literary Activity as part of the Creative Session
- A Session on Universal Human Values and a Special Campaign against the Dowry System

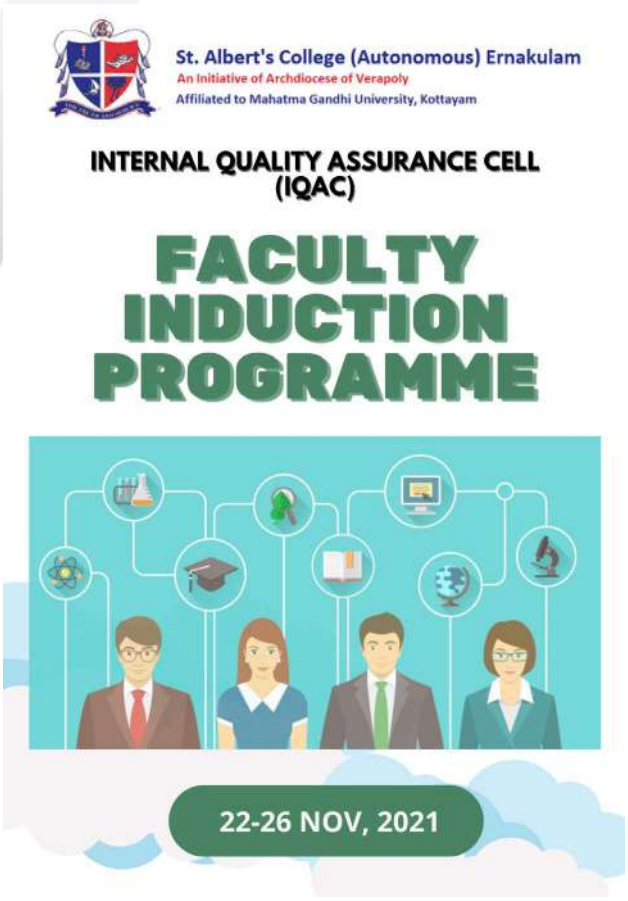
GURU DAKSHATHA

Guru Dakshatha or Faculty Induction Programme of St Albert's College Autonomous was conducted from November 22- November 26, 2021, and included the four possible types of development: personal(interpersonal skills, career development, and life planning issues), instructional (course design and development, instructional technology) organization (ways to improve the institutional environment to better support teaching) and professional (ways to support faculty members so that they fulfil their multiple roles of teaching, research, and service).



SPONSION

The passing out ceremony for the 2020 and 2021 UG and PG batches was held in 8 sessions spread over 4 days from December 6 to December 9, 2021. Sponsion was inaugurated by His Grace, the Most Rev. Dr Joseph Kalathiparambil, the Metropolitan Archbishop of the Archdiocese of Verapoly. All the eight sessions wherein students from different Departments received their Provisional Certificates, saw eminent personalities as chief guests. A special anti-dowry affidavit signed by all the students of each Department was handed over to the Chairman by the Class Representatives before the beginning of the Convocation Process.

GREEN INITIATIVES - REUSE, REDUCE, RECYCLE

GREEN INITIATIVES - GO ELECTRIC CAMPAIGN

A 'Go Electric Campaign' was conducted by St. Albert's College (Autonomous) and REPCOS Limited, Ernakulam in association with the Energy Management Centre, Government of Kerala. It began with a signature campaign inaugurated by MLA / Mayor at KTDC ground, after which a walkathon was conducted from the inauguration spot to St. Albert's College (Autonomous). This event was organized with the intention of raising awareness on the use of resources as well.

POKKALI

The students and staff of St Albert's College Autonomous participated in the Pokkali Fest 2021 at Kadamakudi to promote Pokkali Farming and Pokkali products. This was organised on 23 October, 2021 by the Korampadam Service Cooperative Bank in association with Kadamakudi Grama Panchayath.

വിദ്യാർത്ഥികളുടെ കൃഷിയിടം

CHEMISTRY ALBCARE EXPO

As a part of the Platinum Jubilee celebrations, the Department of Chemistry and Research Centre organized the Chem-Product Expo 2021 on 17th December in collaboration with Science Centre, Kodungallur at Bacinelli Hall. The main objective of this program was to encourage entrepreneurship and the Gandhian principle of self-sustenance. The students who were trained as part of the Certificate Programme in Cosmetic and Sanitary Formulation prepared various household items like soaps, detergent, floor cleaners, toilet cleaner, pain balm, hand wash, dish wash, sanitisers etc under the supervision of the coordinator Dr Nisha V S. These products were exhibited and sold under the brand named Albcare (Albertian Chemistry Association of Researchers and Entrepreneurs) In addition to these, the students made environment-friendly cloth bags and palm pens too. This event was a memorable milestone not only in the history of the Department but for the whole college and the highlight of the event was that all proceeds gathered were used for the social outreach programmes of the Department.

FACULTY DEVELOPMENT PROGRAMME - *ASSESSMENT AND EVALUATION*

A Faculty Development Programme on the topic of *Assessment and Evaluation* was conducted from July 26-29, 2021. The FDP was inaugurated by Prof. Krishna Kumaran Thampi, Controller of Examinations, Chinmaya Vishwavidyapeeth, Deemed-to-be University. At the end of the workshop, the teachers were able to identify key elements of a functional assessment process, clarify the similarities and differences between course and programme assessment, make student outcomes measurable with the development of performance indicators and understand the methods to assess student outcomes as well as develop rubrics to assist in evaluating student performance in achieving student outcomes.

SEMINAR ON THE HISTORY OF ST. ALBERT'S COLLEGE

A Seminar on the History of St Albert's College titled St Albert's College: Past, Present and Future was conducted on August 6, 2021, as part of the Platinum Jubilee Celebrations of the College. The seminar was inaugurated by Adv. P.S. Sreedharan Pillai, Honorable Governor of Goa. Rt. Rev. Dr Alex Vadumthala, Bishop of Kannur, delivered the presidential address. Eminent personalities who had carved a niche for themselves in various areas of society spoke on the history of St. Albert's College, the journey of the College from the Golden to the Platinum Jubilee as well as the contribution of the College to knowledge, community, society, arts, literature, cinema and sports.

FACULTY DEVELOPMENT PROGRAMME - *OUTCOME-BASED SYLLABUS FRAMING METHODOLOGY*

A two-day Faculty Development Programme on the topic *Outcome-Based Syllabus Framing Methodology* was conducted in two parts- one for Commerce, Arts, Management and Social Work Faculty and the other for Science and Mathematics faculty in the months of October and November. Dr Rosamma Philip, Principal, Mount Tabor Training College, Pathanapurami was the resource person for the same and in her sessions, she covered Course Outcome (CO), Programme Outcomes (POs), Program Educational Objectives (PEOs), Programme Specific Outcomes (PSO) and Graduate Attributes (GA). The objectives of the FDP were - To design a curriculum for attaining required learning outcomes, to identify and adopt pedagogical initiatives for achieving learning outcomes, and to select and use appropriate assessment tools for measuring the attainment of learning outcomes.

At the end of the programme the teachers were able to:

- Write course outcomes (COs)
- Map COs to Programme outcomes (POs) and Programme specific outcomes
- Identify the curricular gap in meeting the POs and PSOs
- Identify Direct and Indirect assessment tools for measuring attainment of Cos and POs

ALBERTIAN KNOWLEDGE SUMMIT - AKS 2022

AKS was organized under the focal theme - Knowledge for all in society. AKS 2022 was held from March 2nd to 25th, 2022. It comprised webinars of National and International resource persons as well as paper presentations of scholars in all disciplines of knowledge. AKS was inaugurated on 2nd March by Dr Bernward Robrecht, Chancellor and Managing Director, Catholic University of Applied Sciences, Germany. Dr Sajeev Nair, Senior Vice President (Former), Reliance Industries Limited and CEO CHRS, delivered a lecture on OBE and Competency Management System to Education Management.

Need and curiosity has inspired man to understand and discover many secrets of the natural world. As a consequence, he has reached today's levels of developments in all spheres of life. However, despite all these achievements, he has been facing so many problems and challenges and many of them are those he himself has created. True research is a systematic and continuous process for the search of knowledge and coming up with solutions to problems, without compromising the natural world.

We at St. Albert's College (Autonomous) strongly believe in sharing cutting edge research outcomes for opening the right path in scholastic minds particularly the younger ones. Let us join our hands in taking these initiatives further for the betterment of the society.

Organized under the focal theme 'Knowledge for Everyone in the Society' the Albertian Knowledge Summit (AKS 2022) scheduled from March 02nd - 25th, 2022 will comprise webinars of national and international resource persons as well as paper presentations of scholars in almost all disciplines of knowledge.

The Organizing Committee of Albertian Knowledge Summit 2022 (AKS 2022) warmly welcomes your contributions and participation in the Summit.

CELEBRATIONS & COMMEMORATIVE DAYS

ENVIRONMENT DAY CELEBRATIONS

St. Albert's College celebrated World Environment Day on June 5, 2021. The various Departments organised several events to increase awareness among students and action for the environment. As the theme for World Environment Day 2021 was 'Ecosystem Restoration, means to assist in ecosystems' recovery, which had been degraded by deforestation, pollution, and other human activities were communicated to the students. Measures to conserve the ecosystem including planting trees, greening cities, changing diets or cleaning up rivers and coasts were also explained.

JOYEUX NOEL

An inter-departmental Carol Competition titled *Joyeux Noel* was held on 21 December 2021 where an array of interesting and engrossing performances that echoed the spirit of Christmas was presented. The young students sang a variety of Christmas Carols spreading the message of faith, happiness and peace. The competition engaged students in singing carols, building teamwork, working and singing in unison which set the mood and built anticipation among all when the results were being declared.

Joyeux Noel

A DECEMBER TO REMEMBER

During the Christmas Season of 2021 students of the various Departments of the College identified different areas where they could offer their support and service. Being participants in these programmes awakened a sense of happiness and empathy in the students and helped them look beyond their own concerns and challenges. They were also able to glance beyond their own world, see the bigger picture and comprehend the blessings they had been taking for granted. The students realized that their problems and challenges became insignificant when compared to the problems of many others. The various Departments took the initiative to reach out to people suffering from homelessness, hunger, lack of shelter, loneliness and depression and offered support in the form of clothes, food etc. to add a smile to their bleak lives.
