- To help students to develop or refine their study skills and time management abilities.
- To make students aware of resources available to them on campus and in the community and encourage them to make use of those resources.
- To enhance student leadership skills by arranging capacity development and skill enhancement activities.
- To monitor academic performance.
- To provide opportunities for students to build academic, social, and professional networks through seminars, events, co-curricular activities, and industry mentors.
- To make sure that students attend remedial coaching if needed.
- To arrange sessions on Career Counselling and guide mentees to prepare for competitive exams.
