## DEPARTMENT OF BOTANY

### MENTORING CIRCULAR

#### Dear Teachers

Mentoring is a unique method of supporting students to improve their learning and leadership skills, motivating them towards their future career development. With this in mind, the College has a mentorship programme wherein the faculty members are given training on mentor system and they meet the students to listen to their issues and guide them on their overall personality development.

#### Objectives of Mentoring

- To guide students in feeling more connected to the campus and their educational goals.
- To support students to improve their ability to articulate and formulate plans to actively pursue and achieve their academic and career goals.
- To help students to develop or refine their study skills and time management abilities.
- To make students aware of resources available to them on campus and in the community and encourage them to make use of those resources.
- To enhance student leadership skills by arranging capacity development and skill enhancement activities.
- To monitor academic performance.
- To provide opportunities for students to build academic, social, and professional networks through seminars, events, co-curricular activities, and industry mentors.
- To make sure that students attend remedial coaching if needed.
- To arrange sessions on Career Counselling and guide mentees to prepare for competitive exams.

#### Mentors are requested:

- to provide, a reliable and comprehensive support system.
- to motivate students to excel in both academic and non-academic fields and to make the most of their life at the college.
- to keep track of their mentees with reference to academics, attendance, discipline and overall development.
