## DEPARTMENT LEVEL ALUMNI MEET

The College has Alumni Associations for individual Departments, who meet at least once every year to promote and encourage a continuing interest in and loyalty to their Alma Mater and to effectively employ the talents, energies and contributions of alumni to constructive ends for the College. The meets also provide an opportunity to draw feedback on the programmes offered by the College, their effectiveness and the expectations of the industry, as well as sensing the trajectory of advanced research. The alumni meets foster a sense of community among alumni, while supporting a sense of connectedness back to the institution.
