FOURTH CYCLE NAAC ACCREDITATION 2021

CRITERION 5 Student Support and Progression

5.4 Alumni Engagement

5.4.1- The Alumni Association/Chapters (registered and functional) contributes significantly to the development of the institution through financial and other support services

Submitted to

THE NATIONAL ASSESSMENT AND ACCREDITATION COUNCIL

SEMINARS AND LECTURES BY ALUMNI

The Alumni Association assists the College in instituting scholarships, organizing and giving lectures, as well as providing financial and logistic support to the various programmes organized by the college. Alumni are brought to the College Campus to discuss recent breakthroughs and discoveries, offering alumni and friends a chance to share ideas and conversation. There are thought-provoking discussions, engaging topics and networking. The members exchange professional knowledge, organize technical conferences, seminars, workshops and training courses. They also provide career development and guidance. Alumni members also serve as members of Board of Studies in assisting and framing syllabi and curriculum.

ALUMNI TALK 2

ALUMNI TALK 1

As a part of Student Induction Programme: DEEKSHARAMBH 2021, the Department of Mathematics and Statistics organised a session by eminent alumni, Mr. Rahul Sadhanandhan on 24th September 2021 for the first year students of B. Sc Mathematics and Integrated Statistics.

The meeting started at 10 am with a silent prayer. Welcome speech was delivered by Neha Bino of I BSc Mathematics. Sonna Benny of I B.Sc Mathematics was the host of the event. The session was handled by Mr. Rahul Sadhanandhan from the Kerala General Education Department, Piravom. He completed his graduation and post-graduation in Mathematics from St. Albert's College, Ernakulam. Mr. Rahul Sadhanandhan started with a few words about his journey so far and shared his experiences. Following this, an interactive session was conducted where several questions collected from the students were asked by Varsha Franklin of I BSc Mathematics and Aaron George of I MSc Integrated Statistics. Later the students were given an opportunity to ask any additional questions they had. After this lively session, the meeting came to an end with a few words of thanks by Bhadra Hari of I MSc Integrated Statistics.

There were 32 participants which included students and teachers of the Department of Mathematics and Statistics. The meeting ended by 10:45am.
