THE COLLEGE: A BRIEF HISTORY

St. Albert's College is an Autonomous Institution situated at the heart of the city of Kochi, affiliated to the Mahatma Gandhi University, Kottayam and is functioning under the management of the Archdiocese of Verapoly. The seeds of this portal of higher learning had already been sown when St. Albert's High School commenced its functioning in the year 1892. On August 18, 1898 the school got the recognition of Madras University. This has been a premier centre of learning for the young male children of wider Cochin area from its very inception.

The College owes its origin to the foresight and sagacity of its Founder Patron, The Most Rev. Dr. Joseph Attipetty, the first Indian Archbishop of the Archdiocese of Verapoly. His Grace, a noble prelate of rare vision and saintliness, was of the view of promoting higher education among his flock. It was with this vision that His Grace ventured upon the onerous mission of starting a College. The laboriousness of this colossal project, however, was shared by the selfless and devoted service of the Rt. Rev. Msgr. Alexander Lenthaparambil, the then Vicar General of the Archdiocese. Also in the forefront was the Very Rev. Msgr. Joseph Vaipicherry, who took charge as the Manager of both the High School and the College and also the Secretary to the College Governing Body. The mission was accomplished in 1946 when the University of Madras upgraded St. Albert's High School, Ernakulam to a second grade College.

The College began to function on the 16 July 1946 in the old High School building with 150 students in the Intermediate Class. Degree courses were introduced in 1947. Subsequently classes were shifted to the new building just opposite to the old school building in 1951. In 1958, when the Kerala University Act came into force, the affiliation was shifted to the Kerala University. In 1983 when the Mahatma Gandhi University was established, the College became affiliated to the Mahatma Gandhi University.

Throughout its history, the College has enjoyed the vision and the benevolent services of many great men of God. The Most Rev. Dr. Joseph Kelanthara, who succeeded the Most Rev. Dr. Joseph Attipetty, and the Most Rev. Dr. Cornelius Elenjikal, who then followed, spared no pains and efforts in maintaining the noble vision of his predecessor. The contributions made by the Rt. Rev. Msgr. Emmanuel Lopez and the late Auxiliary Bishop the Rt. Rev. Dr. Antony Thannikot have helped the College in upholding the higher ideals of education. The College celebrated its Golden Jubilee in 1996-97 and there began a new era

of job oriented courses. During the time of the Most Rev. Dr. Daniel Acharuparambil, who was a visionary and philosopher, the college reached new heights in academic excellence.

In 2009, the college was awarded 'A' grade by NAAC. In 2016 NAAC reaccredited the College at 'A' grade for the 2nd time, was achieved during the time of Most Rev. Dr. Francis Kallarackal, the former patron. In 2016 March University Grants Commission granted Autonomous status to the College. In 2017, the college was recertified for ISO 9001: 2015 by TUV Rheinland. The College has also been selected under FIST scheme of DST and Star college programme of DBT. Today, with 17 Under Graduate courses, 12 Post Graduate courses including Master's Programmes in Space Science and Technology, Business Administration, Social Work and 6 Research Centres leading to Ph.D., St. Albert's College (Autonomous) is indeed a front-runner in the field of higher education. Under the benevolent patronage of the Most Rev. Dr. Joseph Kalathiparambil, Metropolitan Archbishop of Verapoly, the College is marching ahead to higher echelons in the field of higher education.

OUR COAT OF ARMS

Our Coat of Arms is in the form of a heraldic shield divided into four parts by a cross. The left side of the upper half has an open book and a flaming torch. The book signifies the light of truth derived from knowledge. The trumpeting angel on the right side of the upper half symbolizes selfless services like those of a ministering angel. The left side of the lower half has a boat with its sail full blown, moving forward. This represents the launching into the ocean of life, well equipped with knowledge and truth. The coconut palms on the right side of the lower half stand for the motherland that seeks care and affection. The blue and red background of the shield represents the College colours which signify hope and sacrifice. Our motto "FOR TRUTH AND SERVICE" can be seen at the bottom.

Our Coat of Arms clearly reflects the moral, material and spiritual objectives cherished by the founder of this College. It exhorts the students to equip their minds with knowledge, to tread steadily along the paths of life, guided by the light of truth, love and service to achieve success in life, and, above all, to be prepared to make any sacrifice that is required of them for a noble and worthy cause.

It is the sacred duty of every Albertian to follow the noble ideals that the Alma Mater has set for him/her to emulate and exemplify in his/her life.

EXAMINATION REGULATIONS

UNDERGRADUATE PROGRAMS

Choice Based Credit and Semester System (CBCSS)

In 2009, Mahatma Gandhi University restructured the undergraduate programmes and introduced Choice Based Credit and Semester System (CBCSS). The undergraduate programme is for three academic years which is divided into six semesters. First, third and fifth semesters are from June to October and second, fourth and sixth semesters are from November to March. End-semester examinations are conducted during November and March. April and May are summer holidays. The undergraduate programmes are of the following categories, Model I, Model-II, and Model III, depending on the type of courses offered. Model II and III programmes give emphasis on job-oriented courses. B.Sc. Industrial Chemistry, Aquaculture, and Industrial Fish and Fisheries come under Model II programme.

Each programme has four types of courses, namely.

- (a) Common courses I & II,
- (b) Core courses,
- (c) Complementary Courses and
- (d) Open Course.

The **common courses** include English language and other languages (second languages) either Hindi or Malayalam. **Core** and **complementary** courses vary for different programmes. **Open courses** are courses offered by a particular department for students of other disciplines. The open courses are taught in the fifth semester, and the student has the choice for selecting the open course. Every student has to complete a **project** which will be evaluated during the endsemester examination of fifth/ sixth semester. For each course there will be well-defined syllabus and detailed scheme, which will be available in the M. G. University website, www.mgu.ac.in

The evaluation of each course shall contain two parts:

- I) Internal or In-Semester Assessment (ISA)
- II) External or End-Semester Assessment (ESA)

The external examination of all semesters shall be conducted by the University at the end of each semester. For the students coming under Autonomous system, the end semester examination is conducted by the college. Internal evaluation is to be done by the continuous assessment.

Internal or In-Semester Assessment (ISA)

The internal to external assessment ratio shall be 1:4, for both courses with or without practical. There shall be a maximum of 80 marks for external evaluation and maximum of 20marks for internal evaluation. Components for internal evaluation with their marks are shown below:

A) For all courses without practical

- a) Marks of external Examination : 80
- b) Marks of internal evaluation : 20

Components of Internal Evaluation	MARKS
Attendance	5
Assignment /Seminar/Viva	5
Test papers (2x5=10)	10
Total	20

All the three components of the internal assessment are mandatory. For common course English, internal oral examination shall be conducted instead of test paper, in Semester I.
