

MENTORING CIRCULAR

Dear Teachers

Mentoring is a unique method of supporting students to improve their learning and leadership skills, motivating them towards their future career development. With this in mind, the college has a mentorship programme wherein the faculty members are given training on the mentor system and they meet the students to listen to their issues and guide them on their overall personality development.

- To support students to improve their ability to articulate and formulate plans to actively pursue and achieve their academic and career goals
- To help students to develop or refine their study skills and time management abilities
- To make students aware of resources available to them on campus and in the community and encourage them to make use of those resources
- To enhance student leadership skills by arranging by capacity development and skill enhancement activities
- To monitor academic performance
- To provide opportunities for students to build academic, social and professional networks through seminars, events co- curricular activities and industry mentors
- To make sure that students attend remedial coaching if needed
- To arrange sessions on Career Counseling and guide mentees to prepare for competitive exams

Mentors are requested :
