About College

St. Albert's College is an Autonomous Institution situated at the heart of the city of Kochi, affiliated to the Mahatma Gandhi University, Kottayam and is functioning under the management of the Archdiocese of Verapoly. It was established in the year 1947. Our vision is to be a centre of excellence in all endeavours, focusing on learning outcomes, teaching, research, consultancy, community involvement and nation building.

About B.Voc Medical and Psychiatric Social Work Programme (BVoc MPSW)

The B.Voc MPSW Programme was started in the year 2020. It helps students to understand the physical and mental health needs of individuals and families and equips them to intervene at personal and community levels to formulate policies. Students are exposed to psycho-social assessments, therapies, counselling and health systems and they become competent in planning and implementing family and community health interventions. Students completing this specialization are placed in hospitals, Mental Health Centres, Individual and Family Counselling Centres, Community Health NGOs, UN Organizations, Research Institutions and Institutions under the Health Department.

About conference

Albertian knowledge summit (AKS), an international conference on multi-disciplinary research has been conducted every year since 2016-2017 academic year. The 7th International conference organized by B.Voc Medical and psychiatric social work programme on the theme “ Medical and Psychiatric Social Work Practice across the Healthcare Spectrum ” is held on 7th February 2023. This Conference aspires to bring together researchers, academicians, mental health professionals and students from various institutions to discuss their latest research work and provides a platform to share their research experiences and challenges they faced in their research work and the solution.
