

Albertian Knowledge Summit

AKS 2023

An International Conference on Multidisciplinary Research

NATIONAL SEMINAR ON

INNOVATIVE CHEMICAL TECHNIQUES FOR SUSTAINABLE DEVELOPMENT

02 February 2023

Bernard Hall, St. Albert's College, Ernakulam

Organized by

Department of Chemistry and Research Center & Office of Dean Research

St. Albert's College (Autonomous), Ernakulam

In Collaboration with

Catholicate College, Pathanamthitta & St. Peter's College, Kolenchery

The Department of Chemistry is proud to organize a one-day National Seminar on Innovative Chemical Techniques for Sustainable Development as a part of the Albertian Knowledge Summit 2023. Apart from invited lectures by eminent personalities, there will be separate sections on oral and poster presentations. This seminar is a platform for researchers, academicians, scientists and practitioners to present and share latest research in the area of Chemistry which will contribute to sustainable development. This seminar will open avenues for delegates to exchange novel ideas and experiences, establish research or industrial relations and find partners for future alliances.

Chairman

Dr. Vijay John Gerson

Head of the Department

Convenor

Dr. Nify Benny

Assistant Professor

The seminar focuses on two themes:

- a) Chemical Design in the context of sustainable development
- b) Optimum utilization of Marine Natural Products for sustainable development

Registration Fees

Faculty: ₹ 500

Research Scholars: ₹ 250

Students: ₹ 100

*Registration Fee includes Conference Kit,
Conference Certificate,
Lunch and Refreshments*

For Registration Visit: research.alberts.edu.in
