About **St. Albert's College (Autonomous)**

St. Albert's College (Autonomous), situated at a premier location in the city of Kochi, is a first grade Autonomous College affiliated to the Mahatma Gandhi University, Kottayam. It functions under the management of the Archdiocese of Verapoly with a legacy spanning over ten decades in the field of education.

The College is accredited with 'A' grade by NAAC and is ISO 9001-2015 certified by TUV Rheinland. The programmes provided by St. Albert's College (Autonomous) impart knowledge and foster attitudes essential for the overall development of students, thereby turning them into competent and responsible educated citizens. The programmes have been designed after extensive research and provide students with multiple career opportunities. With 13 Majors (undergraduate level), 11 B. Voc programmes, 16 postgraduate programmes, 1 integrated postgraduate programmes in Statistics and 9 research centres leading to Ph.D., St. Albert's College (Autonomous) is indeed a front-runner in the field of higher education.

VISION

To be a centre of excellence in all endeavours, focusing on learning outcomes, teaching, research, consultancy, community involvement and nation building.

MISSION

Inspired by the Eternal Teacher, Jesus Christ, we strive towards the goal of equipping young people to meet the challenges of the modern times by providing an all-round formation. We exist for our students and provide them with a most friendly innovative and growth-oriented ambience to create knowledge, develop social consciousness and civic responsibilities. We do everything in our capacity to ensure excellent standards that would secure them higher learning, employability, research aptitude, leadership and life skills.

COAT OF ARMS

Our Coat of Arms is in the form of a heraldic shield divided into four parts by a cross. The left side of the upper half has an open book and a flaming torch. The book signifies the light of truth derived from knowledge. The trumpeting angel on the right side of the upper half symbolizes selfless services like those of a ministering angel. The left side of the lower half has a boat with its sail full blown, moving forward. This represents the launching into the ocean of life, well equipped with knowledge and truth. The coconut palms on the right side of the lower half stand for the motherland that seeks care and affection. The blue and red background of the shield represents the College colours which signify hope and sacrifice. Our motto "FOR TRUTH AND SERVICE" can be seen at the bottom. Our Coat of Arms clearly reflects the moral, material and spiritual objectives cherished by the founder of this College. It exhorts the students to equip their minds with knowledge, to tread steadily along the paths of life, guided by the light of truth, love and service to achieve success in life, and, above all, to be prepared to make any sacrifice that is required of them for a noble and worthy cause. It is the sacred duty of every Albertian to follow the noble ideals that the Alma Mater has set for him/her to emulate and exemplify in his/ her life.

OUR PATRON

His Grace the Most Rev. Dr. Joseph Kalathiparambil
Metropolitan Archbishop of the Archdiocese of Verapoly

Albertian Heritage

St. Albert's College, an Autonomous Institution situated at the heart of the city of Kochi, is affiliated to the Mahatma Gandhi University, Kottayam and functioning under the management of the Archdiocese of Verapoly. The seeds of this portal of higher learning had already been sown when St. Albert's High School commenced its functioning in the year 1892. On August 18, 1898 the school got the recognition of Madras University. This has been a premier centre of learning for the young male children of wider Cochin area from its very inception. The College owes its origin to the foresight and sagacity of its Founder Patron, The Servant of God the Most Rev. Dr. Joseph Attipetty, the first Indian Archbishop of the Archdiocese of Verapoly. His Grace, a noble prelate of rare vision and saintliness, was of the view of promoting higher education among his flock. It was with this vision that His Grace ventured upon the onerous mission of starting a College. The laboriousness of this colossal project, however, was shared by the selfless and devoted service of the Rt. Rev. Msgr. Alexander Lenthaparambil, the then Vicar General of the Archdiocese. Also in the forefront was the Very Rev. Msgr. Joseph Vaipicherry, who took charge as the Manager of both the High School and the College and also as the Secretary to the College Governing Body.

The mission was accomplished in 1946 when the University of Madras upgraded St. Albert's High School, Ernakulam to a second grade College. The College began to function on 16 July 1946 in the old High School building with 150 students in the Intermediate Class. Degree Programmes were introduced in 1947. Subsequently classes were shifted to the new building just opposite to the old school building in 1951. In 1958, when the Kerala University Act came into force, the affiliation was shifted to the Kerala University. In 1983 when the Mahatma Gandhi University was established, the College became affiliated to the Mahatma Gandhi University. Throughout its history, the College has enjoyed the vision and the benevolent services of many great men of God. The Most Rev. Dr. Joseph Kelanthara, who succeeded the Most Rev. Dr. Joseph Attipetty, and the Most Rev. Dr. Cornelius Elenjikal, who then followed, spared no pains and efforts in maintaining the noble vision of their predecessors.

The contributions made by The Servant of God Rt. Rev. Msgr. Emmanuel Lopez and the late Auxiliary Bishop, the Rt. Rev. Dr. Antony Thannikot helped the College in upholding the higher ideals of education. The College celebrated its Golden Jubilee in 1996-97 and there began a new era of job oriented courses. During the time of the Most Rev. Dr. Daniel Acharuparambil, who was a visionary and philosopher, the college reached new heights in academic excellence. In 2009, the college was awarded 'A' grade by NAAC. The College was reaccredited with 'A' grade for the 2nd and the 3rd time in 2016 and 2023 respectively.

In 2016 March, University Grants Commission granted Autonomous status to the College. In 2017, the college was recertified for ISO 9001: 2015 by TUV Rheinland. The College has also been selected under FIST scheme of DST and Star college programme of DBT. Today, With 13 Majors (undergraduate level) 11 B. Voc programmes, 16 Postgraduate Programmes including Masters Programmes in Space Science and Technology, Business Administration, Social Work, 1 integrated Post graduate Programme in statistics and 9 Research Centres leading to Ph.D., St. Albert's College (Autonomous) is indeed a front-runner in the field of higher education. Under the benevolent patronage of the Most Rev. Dr. Joseph Kalathiparambil, Metropolitan Archbishop of Verapoly, the College is marching ahead to higher echelons in the field of higher education.

2. An approved world competition means the competitions organized by the International Apex Bodies of the concerned discipline and in which the national Teams are sponsored by the National Apex Bodies and cleared by Sports Authority of India/ Government of India.
3. The National Championship means the championships conducted by the National Apex Bodies of the concerned discipline. District Competition means revenue district competition conducted by district associations in respective sports.
4. Individual games /event means a game/event in which an individual performs alone.
5. When a candidates has number of achievement in a sports /different discipline, his/ her best achievement will be taken in to consideration.
6. All competitions where an upper age limit is fixed (Youth/Junior/Sub-Junior) would be treated as junior event provided it is not classified as senior event by the concerned National Federation.
7. Priority will be given for students having achievements in senior level competitions than junior and youth category competitions.
8. Resolving of Tie :
If the points of more candidates happen to be the same, then for breaking the 'tie', the following criteria shall be followed one after another in the order given below:
 - A person can score points only in one category.
 - The highest score will be counted
 - Where bracketed, scores in other categories will be counted
 - Where still bracketed, priority will be given in the order of merit i.e.; 1st, 2nd, and 3rd place respectively.
 - Those with more number of achievements in the same level will be placed above the others (more number of 1st places, more number of 2nd places and so on).
 - Individual achievements will be ranked above team achievements.
 - A new record is created; he/she will be given priority.
 - If the tie could not be resolved by any of the above mentioned sports achievements, the index marks based on the qualifying examination shall be considered for breaking the tie.
9. Performance in any year during the Plus One/Plus Two level will be taken into consideration.
10. **The students admitted in Sports quota shall mandatorily be available to represent the University in the Inter University competitions unless specifically exempted by the Vice-Chancellor/Director of Physical Education, Mahatma Gandhi University.**
11. If any discrepancy is noted during the verification of original certificates, the candidate shall not be considered for admission under sports quota.

Cultural Quota

One seat for each degree programme (Interchangeable) shall be reserved for students who excel in Youth festivals recognised by Director of Public Instruction (DPI). However, not more than 10% of seats reserved for the general quota seats shall be filled for cultural quota when applying interchangeability for a particular programme. The students who seek admission in this category should apply online. Performance in any year during the Plus Two Programme will be taken into consideration.

The selection shall be made from among the applicants for the cultural quota on merit as detailed below:

Level	Points of Participation		
	A	B	C
Kerala School Kalolsavam (General Education Department, Govt of Kerala)	20	10	5
Revenue District Level Youth Festival (General Education Department, Govt of Kerala)	10	5	-

- A person can score points only in one category
- The highest score will be counted
- Where bracketed, scores in other categories will be counted

If vacancies arise due to discontinuation of candidates under sports/cultural/PD quotas, the next eligible candidate in the Rank List shall be admitted. In case there is no next eligible candidate, the vacant seat in the case of Sports/Cultural quotas shall be merged with the general merit quota.

Claims for Mandatory Reservation and Certificates to be produced

Only candidates belonging to 'Keralite' category are eligible for claiming seats under Mandatory quota, and Special reservation quota.

Claims for Mandatory Reservations must be made by a candidate at the time of online submission of application. The claims for mandatory reservation once made in the Application form cannot be altered by the candidate under any circumstances.

Candidates belonging to Ezhava, Muslim, Other backward Hindus, Latin Catholic other than Anglo Indians and Other backward Christian communities, claiming reservation under SEBC Quota should invariably produce **non-creamy layer** certificate obtained from the Village Officer concerned. The self-attested copy and the original of the above certificates should be submitted during the time of admission. Candidates who belong to the non-creamy layer are eligible for reservation.

Claims for Reservation under Kerala Scheduled Castes/Scheduled Tribes Quota: Candidates claiming reservation under Kerala Scheduled Castes/Scheduled Tribes Quota should obtain caste/community certificate from the Revenue Authority concerned.

Other General Rules for Mandatory Reservation: The seats which are not availed by the SC candidates will go to ST candidates and vice versa. The vacant seats reserved for SC/ST will be re-notified twice through print media and two special allotments will be conducted exclusively for filling up vacant seats of SC/ST candidates. If such seats are remain vacant even after re-notification, the unfilled seats will be filled on the basis of merit as per the rank list of the Latin community. If seats still remain unfilled, it will be filled as per G.O.(P) No. 135/87/H.Edn dated 06.05.1987 and GO (MS) No. 03/2018/BCDD dated 09/04/2018.

Rank List

The Rank List shall be prepared on the basis of marks arrived at according to the following conditions:

Bonus Marks

The Bonus Marks will be awarded as follows:

1. Bonus of 15 marks shall be awarded to applicants with NCC or NSS Certificates at **'Plus Two Level'** for admission to all programmes. In respect of NCC candidates, the bonus marks will be awarded on the basis of NCC Certificates signed by the Director and issued by the Directorate of NCC to candidates who have secured at least 75% attendance after having participated in its activities during the programme of study **immediately preceding the programme for which admission is sought. An additional bonus mark of 5 to 'B' Certificate holders in proof of their high proficiency.**
2. Bonus of 15 marks shall be awarded to Student Police Cadets for participation at 'Plus Two Level'. However, such applicants should produce the relevant certificate from the competent authority in proof of their claim (UO NO. 4999/Ac A1/2021/MGU dated 25/09/2021).

- Approved by Mahatma Gandhi University as a Research Centre in the year 2000
- Accredited by the Kerala State Pollution Control Board as a B Grade Analytical Laboratory in 2007
- The Ministry of Science and Technology, Govt. of India, has identified the department as a "FIST Aided Department" in 2008 and in 2013
- One of the beneficiary Departments of "Star College" scheme of Department of Biotechnology (DBT), Govt. of India.
- In 2024 B. Sc. (Honours) programme started.

VISION

To be a Department of excellence in chemistry, and to become a Research & Development Centre in the field of chemical science on par with industry and society, thereby establishing a balance between education, innovation, research and service.

MISSION

To advance in chemical sciences through the education of undergraduate, postgraduate and research students by providing quality education, research opportunities and job prospects, enabling them to excel in the field of Chemistry.

Highlights of the Department

- Highly efficient Faculty Members with research experience from National/International Universities
- Well-equipped laboratories with Sophisticated Instruments
- Class rooms with modern ICT tools
- High student progression and placements
- Curricular and extra - curricular student centric activities
- MoUs with reputed Industries

Collaborations and Recruiters

Collaborations with research institutes ensure the developing needs of the students and faculty. The Department of Chemistry has different types of collaborations, with neighboring institutions, International and National Universities, research centers and industries. These collaborations bring a network to provide students with professional training, reflection and advice.

MoUs

- ISF Chitin and Marine Products LLP, Kannamali
- Axiom Laboratories, Ernakulam
- Integrated Rural Technology Centre, Palakkad
- Riotech Industries, Pala
- Science Centre, Kodungalloor
- Catholicate College, Pathanamthitta
- St. Peter's College, Kolenchery
- St. Gregoreous College, Kottarakkara
- Navadarshan, Ernakulam
- IGNOU , Regional Centre, Sree vijaya puram, Andaman Nicobar Islands

Academic Collaborations

- Vigyan Sagar Science Park, Thrissur
- Rubber Park India Ltd.
- Inter University Centre for Nanomaterials and Devices, CUSAT
- Department of Polymer Science and Rubber Technology, CUSAT
- Department of Chemical Oceanography, CUSAT
- IGNOU Regional Centre, Trivandrum
- Various Colleges (Sacred Heart College Thevara, Dewaswam Board College, Thalayolaparambu)

Recruiters

The students in the Department of Chemistry have a wide opportunity for placement in various reputed firms in India and abroad. Every year, many of the recruiting agencies conduct their campus drive for placement in our College. Students of the Department secured placements in various reputed institutions like Dr. Reddy's Lab, MRF Tyres, Apollo Tyres, Cochin Refinery, FACT, TCC, Indian Rare Earths, Axiom Laboratories, ISF chitin and marine products LLP and so on.

The Department of Commerce and Research Centre, one of the oldest departments of the College, believes in developing and nurturing global competencies in students through quality education, research and continuous innovation. It provides an excellent environment to nurture commerce professionals with a high level of knowledge and competence to effectively contribute to society with commitment and integrity. The department offers value-added professional courses through its add-on programs. One such course, "Financial Accounting with GST using Tally," focuses on practical accounting skills. Another, "History of Trade and Commerce in India," explores the evolution of trade from traditional to modern times. We not only prove ourselves in academics but also in co-curricular and extra-curricular activities. A look at the academic achievement of our departments as well as the number of awards won at national and international sports and cultural competitions, the numerous experts and visitors as well as the multitude of societies that college is buzzing with bears testimony to the rich array that characterizes our department.

Milestones

- 1963 : Started B. Com Finance and Taxation
- 1981 : Started M. Com Finance
- 1998 : Research Centre of MG University
- 2012 : Started B. Com Computer Application (offered as specialization in Accounting from 2024 Admission onwards- FYUGP)
- 2015 : Started B. Com Finance and Taxation (SF)
- 2020 : Started B. Com Cooperation (SF), B. Voc Professional Accounting and Taxation, and M. Com Finance (SF)
- 2021 : Started B. Com Finance and Taxation (SF) (AN)

VISION

An educative community marked by excellence and integrity.

MISSION

To produce competent, disciplined and quality students through higher education in commerce with a view to train our students so as to develop the qualities in research.

Highlights of the Department

Entrepreneurial Activities

To make the students aware of the possible benefits of being an entrepreneur, our Department conducts Budding Entrepreneurs-Hands-on training in different entrepreneurial skills and Impresario – Entrepreneurial Talks – to ignite the entrepreneur in the students.

Inspire Talks

To inspire the students through talks by various successful persons.

Research Methodology Training

The Department regularly conducts training and development seminars for developing research aptitudes of faculty members and students.

Industrial Expert Talks

Students get in-depth knowledge about the recent trends in the industry and follow and dream big.

Touch to Heal

In collaboration with the Government Hospital, the Department of Commerce has organized a social outreach activity where the students spend a day with the inmates of the Hospital. Medicines are provided with the money earned by the students from various activities such as Food festivals, crafts stalls, and various other initiatives held in the College. The isolation and cancer wards are visited, and the students are allowed to interact with the inmates to feel compassion for them. This initiative makes the students aware, and they learn to empathize with the sufferings of the poor, marginalized and underprivileged sections of the society

SORRY – Shouldn't Our Resource Remain Years-Long

As Global climate change takes its toll on India, there has arisen an indispensable need for a people's movement to tackle this environmental catastrophe. To impart this knowledge, "SORRY"- Shouldn't Resource Remain Years-long, a Mega Project was launched by the Department of Commerce and Research Centre of St. Albert's College (Autonomous).

Collaborations

The educational field in the present scenario focuses more on tie ups with collaborators in the form of industrial, service sector and other skill based units. Behind every pertinent aspect such as economic development, industrial growth, policy planning, business innovation and other significant economic aspects, the presence of experienced academician plays a significant role. To fulfill this, the Department of Commerce and Research Centre ensures collaborations with our prestigious collaborators thereby, students will be able to identify the changes in business conditions, economic aspects and other areas which mould them in such a way that they train themselves to be the best for the educational institution and the society. Gradually this will enable building an economy filled with good researchers and efficient Human Resources that caters to all the sections of the society.

Recruiters

The Placement Cell, St. Albert's College Autonomous, Ernakulam is largely student-driven, professional body incorporated for facilitating recruitment of the country's best minds by global corporates. Over the years, the Placement Cell has experienced the visit of leading corporates including consulting giants, finance specialists and other renowned companies catering not only to placements but also to internships and articleships.

The Department of Computer Science was established in 2015 to prepare students for careers as software professionals and for advanced studies in Computer Science. The Department develops and works with various technologies to build systems and applications that helps to solve today's problems and share skills and knowledge with the community. The Department offers B.Sc. Computer Science (Honours), M.Sc. Computer Science [Machine Intelligence] and B.Voc. Software Development Programmes in the field of Computer Science. The Department promotes student seminars, presentations, project work, assignments. Apart from this, the Department provides a Certificate Programme in Internet of Things (IoT) and Certificate Programme in R programming. The Department also conducts an interaction Programme with industry experts every month. Every year the Computer Literacy Week is celebrated by conducting curricular and co-curricular activities. The students are admitted to the Programmes through careful screening and other admission criteria.

Milestones

- Established in 2015
- Started B Sc Computer Science Programme in 2015
- Started M Sc Computer Science Programme in 2020
- B.Voc Software Development Programme in 2020
- Certificate Programme in Introduction to Internet of Things (IoT) in 2019
- Certificate Programme in R Programming in 2021.

VISION

To evolve into an esteemed centre of excellence in education and research, which contributes to individual and the upcoming knowledge-based society in the field of technology.

MISSION

To mould well-qualified professionals through career-based courses and well established technical environments in the field of Information Technology who are committed to society.

Highlights of the Department

- **Connect with Industry**

The Department of Computer Science proactively collaborates with the companies from the industry to ensure that our students and faculties are always updated with the latest technology trends. The department organizes Seminars, Workshops and Trainings as part of our skill development programs.

- **Connect with Alumni – IT Professionals**

The Department has a vibrant alumni community with interesting, accomplished, and varied careers. Building relationships with alumni is a great way to learn, create a supportive professional community for our students, and discover hidden opportunities.

Physics, which also means 'knowledge of nature' is a branch of natural science that is based on experiments, observations, measurements, and mathematical modeling. With these tools we are searching for the quantitative physical laws for everything in our Universe ranging from the nanoworld of the microcosmos to the planets, solar systems, and galaxies. Many of our daily life technologies and inventions that we have taken for granted now are the results of discoveries in physics. The basic laws in physics are universal, but in this current era, physics is such a vast field that many of its subfields have emerged as separate science fields.

"The study of physics is also an adventure. You will find it challenging, sometimes frustrating, occasionally painful, and often richly rewarding." - Hugh D. Young.

The Department of Physics at St. Albert's College was established in the year 1947 with the inclusion of Bachelor's degree programme in Physics. The Department of Physics became a Postgraduate department in 1997 with the implementation of the M.Sc Physics programme. In 2016 the University Grant's Commission granted us the academic autonomy. With this we started to design our own

curriculum and syllabi that nourish young minds to excel in the field and life.

We conduct various programmes for the academic enrichment of students. We implement several teaching-learning methods, such as classroom seminars, group discussions, quiz programmes, thought experiments, project work, etc. that complement the conventional lecture method. The department conducts a certified course in LaTeX. Remedial classes for the weak and enrichment programmes for advanced learners are conducted as per schedule. Tutorial assistance for every student and counselling for the needy are done regularly. Under the guidance of a faculty member students carry out a project based on the curriculum, thus promoting research culture. The Department organises regular extension programmes, that promote the moral standard of the students. The Department regularly organises seminars by experts on different advanced and relevant topics in Physics, career guidance and Personality Development.

The Department has a library of its own, that has a collection of books on various topics relevant to their curriculum. Students are also encouraged to participate in seminars, workshops and conferences both within and outside the College. They are also encouraged to do projects at different research institutes

Being a gateway to the diverse areas of modern biology, the Zoology Department emphasizes critical thinking and conceptual skills that come from an understanding of how scientific information is obtained and evaluated and of how this information can be applied to societal issues. The Department of Zoology started functioning as a collegiate department in 1947, in one year after the inception of St. Albert's College as a second-grade college in 1946.

A central theme that stitches together the diverse group of faculty and students in our department is a shared value in promoting research and teaching that integrates knowledge and understanding across levels and scales of Zoology. We are interested in the intersections and integration of biological processes across levels. We view this vertical integration as center of our identity. Our research spans the frontier areas of life sciences including Toxicology, Genomics, Physiology, Ecology, Systematics, and Medical Microbiology. The Department also provides a precise platform for the students for collaborations with various recognized research institutions.

Milestones

- 1952 – Year of Establishment and Commencement of UG programme – B.Sc Zoology
- 1995 – First department to established a job oriented UG programme – B.Sc Aquaculture
- 2002 – Designed the curriculum for M.Sc Zoology with Medical Microbiology and started the course for the first time in Mahatma Gandhi University.
- 2007 – Recognized by Mahatma Gandhi University [MGU] as a Research Centre in Zoology.
- 2012 – One among the first departments to receive 5 year funds under the DBT Star College Scheme
- 2019 – Recognized by Kerala University of Fisheries and Ocean Studies [KUFOS] as a Research Centre in Microbiology.
- 2019 – Certificate course started in 'Basic Microbial Techniques'

VISION

- ***To inculcate an awareness to explore, understand and conserve animal diversity.***
- ***To strengthen the teaching-learning process through innovative practices, the Department will stimulate the spirit of scientific enquiry and discovery in academics.***

MISSION

- ***To involve the department in community-based and outreach activities, whenever and wherever possible.***
- ***Encourage the students to mould passion into profession.***

Highlights of the Department

The Department have classrooms and laboratories with ICT facility and well-equipped laboratories including Anatomy lab, Biochemistry lab, Physiology lab and Microbiology lab. A well-maintained instrumentation room houses equipment's such as ultracentrifuge, microtome, spectrophotometers, laminar flow hood, incubator, autoclave, hot air oven, centrifuges, binocular microscopes and electronic balances.

Since the department's establishment, the museum has kept a large collection of preserved indigenous and exotic animal species. This museum showcases a diverse array of scientifically important Zoological specimens and materials, all of which are well-labelled, categorised and displayed in Museum Display Cabinets. The collection includes invertebrates belonging to Porifera, Cnidaria, Platyhelminthes, Nematodes, Annelids, Echinoderms, Molluscs Arthropods, Hemichordate and Chordates. There are more than 100 vertebrate specimens that include Fishes, Reptiles, Birds and Mammals. A well-maintained osteology section includes skeleton of Whale, Man, Snake, Fish and Amphibians. To enhance learning, there is a repository of slides pertaining to Histology, Cytology, Invertebrates, Whole mounts, Sections and Larvae, Frog and Chick embryology.

Collaborators & Recruiters

Students are encouraged to do field-based projects in animal diversity and ecology studies in collaboration with state and National Institutes like KFRI, Thattekkad Bird Sanctuary, Kannur Kandal Project, Wild life Trust of India etc.
