About St. Albert's College (Autonomous)

St. Albert's College (Autonomous), situated at a premier location in the city of Kochi, is a first grade Autonomous College affiliated to the Mahatma Gandhi University, Kottayam. It functions under the management of the Archdiocese of Verapoly with a legacy spanning over ten decades in the field of education.

The College is accredited with 'A' grade by NAAC and is ISO 9001-2015 certified by TUV Rheinland. The programmes provided by St. Albert's College (Autonomous) impart knowledge and foster attitudes essential for the overall development of students, thereby turning them into competent and responsible educated citizens. The programmes have been designed after extensive research and provide students with multiple career opportunities. With 13 Majors (undergraduate level), 11 B. Voc programmes, 16 postgraduate programmes, 1 integrated postgraduate programmes in Statistics and 9 research centres leading to Ph.D., St. Albert's College (Autonomous) is indeed a front-runner in the field of higher education.

VISION

To be a centre of excellence in all endeavours, focusing on learning outcomes, teaching, research, consultancy, community involvement and nation building.

MISSION

Inspired by the Eternal Teacher, Jesus Christ, we strive towards the goal of equipping young people to meet the challenges of the modern times by providing an all-round formation. We exist for our students and provide them with a most friendly innovative and growth-oriented ambience to create knowledge, develop social consciousness and civic responsibilities. We do everything in our capacity to ensure excellent standards that would secure them higher learning, employability, research aptitude, leadership and life skills.

COAT OF ARMS

Our Coat of Arms is in the form of a heraldic shield divided into four parts by a cross. The left side of the upper half has an open book and a flaming torch. The book signifies the light of truth derived from knowledge. The trumpeting angel on the right side of the upper half symbolizes selfless services like those of a ministering angel. The left side of the lower half has a boat with its sail full blown, moving forward. This represents the launching into the ocean of life, well equipped with knowledge and truth. The coconut palms on the right side of the lower half stand for the motherland that seeks care and affection. The blue and red background of the shield represents the College colours which signify hope and sacrifice. Our motto "FOR TRUTH AND SERVICE" can be seen at the bottom. Our Coat of Arms clearly reflects the moral, material and spiritual objectives cherished by the founder of this College. It exhorts the students to equip their minds with knowledge, to tread steadily along the paths of life, guided by the light of truth, love and service to achieve success in life, and, above all, to be prepared to make any sacrifice that is required of them for a noble and worthy cause. It is the sacred duty of every Albertian to follow the noble ideals that the Alma Mater has set for him/her to emulate and exemplify in his/ her life.

OUR PATRON

His Grace the Most Rev. Dr. Joseph Kalathiparambil
Metropolitan Archbishop of the Archdiocese of Verapoly

Albertian Heritage

St. Albert's College, an Autonomous Institution situated at the heart of the city of Kochi, is affiliated to the Mahatma Gandhi University, Kottayam and functioning under the management of the Archdiocese of Verapoly. The seeds of this portal of higher learning had already been sown when St. Albert's High School commenced its functioning in the year 1892. On August 18, 1898 the school got the recognition of Madras University. This has been a premier centre of learning for the young male children of wider Cochin area from its very inception. The College owes its origin to the foresight and sagacity of its Founder Patron, The Servant of God the Most Rev. Dr. Joseph Attipetty, the first Indian Archbishop of the Archdiocese of Verapoly. His Grace, a noble prelate of rare vision and saintliness, was of the view of promoting higher education among his flock. It was with this vision that His Grace ventured upon the onerous mission of starting a College. The laboriousness of this colossal project, however, was shared by the selfless and devoted service of the Rt. Rev. Msgr. Alexander Lenthaparambil, the then Vicar General of the Archdiocese. Also in the forefront was the Very Rev. Msgr. Joseph Vaipicherry, who took charge as the Manager of both the High School and the College and also as the Secretary to the College Governing Body.

The mission was accomplished in 1946 when the University of Madras upgraded St. Albert's High School, Ernakulam to a second grade College. The College began to function on 16 July 1946 in the old High School building with 150 students in the Intermediate Class. Degree Programmes were introduced in 1947. Subsequently classes were shifted to the new building just opposite to the old school building in 1951. In 1958, when the Kerala University Act came into force, the affiliation was shifted to the Kerala University. In 1983 when the Mahatma Gandhi University was established, the College became affiliated to the Mahatma Gandhi University. Throughout its history, the College has enjoyed the vision and the benevolent services of many great men of God. The Most Rev. Dr. Joseph Kelanthara, who succeeded the Most Rev. Dr. Joseph Attipetty, and the Most Rev. Dr. Cornelius Elenjikal, who then followed, spared no pains and efforts in maintaining the noble vision of their predecessors.

The contributions made by The Servant of God Rt. Rev. Msgr. Emmanuel Lopez and the late Auxiliary Bishop, the Rt. Rev. Dr. Antony Thannikot helped the College in upholding the higher ideals of education. The College celebrated its Golden Jubilee in 1996-97 and there began a new era of job oriented courses. During the time of the Most Rev. Dr. Daniel Acharuparambil, who was a visionary and philosopher, the college reached new heights in academic excellence. In 2009, the college was awarded 'A' grade by NAAC. The College was reaccredited with 'A' grade for the 2nd and the 3rd time in 2016 and 2023 respectively.

In 2016 March, University Grants Commission granted Autonomous status to the College. In 2017, the college was recertified for ISO 9001: 2015 by TUV Rheinland. The College has also been selected under FIST scheme of DST and Star college programme of DBT. Today, With 13 Majors (undergraduate level) 11 B. Voc programmes, 16 Postgraduate Programmes including Masters Programmes in Space Science and Technology, Business Administration, Social Work, 1 integrated Post graduate Programme in statistics and 9 Research Centres leading to Ph.D., St. Albert's College (Autonomous) is indeed a front-runner in the field of higher education. Under the benevolent patronage of the Most Rev. Dr. Joseph Kalathiparambil, Metropolitan Archbishop of Verapoly, the College is marching ahead to higher echelons in the field of higher education.

ELIGIBILITY FOR ADMISSION

1. Age Limit: There is no age limit for applying to various post graduate programmes.
2. **Candidates who have undergone/undergoing a UG/PG programme and are yet to secure a pass in all papers are not eligible for admission to another PG programme before getting a pass in all papers/cancelling exam registration.**
3. Academic eligibility should be satisfied as on the last date for submission of academic data. No candidate shall be admitted to the PG Degree programme unless he/she possesses qualification and minimum requirement thereof.
4. If an applicant for admission is found to have indulged in ragging in the past or if it is noticed later that he/she had indulged in ragging, admissions shall be denied or he/she shall be expelled from the College. Candidates possessing a good Conduct Certificate will only be admitted.

5.1: Candidates should have passed the corresponding Degree Examination under the 10 + 2 + 3 pattern with one core/main subject and two complementary/subsidiary subjects from any of the Universities in Kerala or of any other University recognized by Mahatma Gandhi University as equivalent thereto for admission, subject to the stipulation regarding marks.

OR

5.2: Candidates who have passed Degree examination with Double or Triple main subject and / or candidates who have passed the Degree Examination in Vocational or Specialized Programmes are also eligible for admission. However, they have to submit copy of the Equivalency/Eligibility Certificate from Mahatma Gandhi University, stating that, their Qualifying Examination is recognized for seeking admission to the relevant P.G. Degree Course(s) as applicable, at the time of admission. This provision is not applicable in the case of those applicants who have passed their qualifying examination from MG University.

The following are the courses of study offered in the College and the stipulated eligibility criteria for admission to each of the courses. Candidates are asked to read the eligibility criteria carefully before completing the application form.

A. Faculty of Arts

75% of the total seats will be reserved for those who have taken the subject as Optional (Main) concerned under Part III for the BA Degree Course

	Graduates who have passed qualifying examination in (2009) pattern	Graduates who have passed qualifying examination in CBCSS (2013/ 2017) pattern	Graduates who have passed qualifying examination in other patterns
1	M.A. English		
	Graduation in English under (Model I/II/III) or graduation in other faculties of language and literature, social science, science, oriental studies are eligible for applying for M. A. programme in English provided they satisfy the eligibility criteria as detailed below.	Graduation in English under (Model I/II/III) or graduation in other faculties of language and literature, social science, science, oriental studies are eligible for applying for M. A. programme in English provided they satisfy the eligibility criteria as detailed below.	Graduation in English (Model I/II/III) or graduation in other faculties of language and literature, social science, science, oriental studies are eligible for applying for M. A. programme in English provided they satisfy the eligibility criteria as detailed below.
	English Language & Literature Model I Candidates should possess CGPA of 1.80 out of 4.00 in the Core Group (core plus open and complementary courses). However,	English Language & Literature Model I Candidates should possess CCPA of 4.5 out of 10.00 in the Core Group (core plus open and complementary courses). However,	English Language & Literature Model I Candidates should possess 45% marks in main & subsidiary subjects under Part III. However, if the mark scored by the graduate

<p>if the CGPA scored by the graduate for common course is greater than the CGPA scored for core course, the CGPA scored for common course will be taken into account for the calculation of index marks, provided they secure a minimum CGPA of 2.00 for common course.</p>	<p>if the CCPA scored by the graduate for common course is greater than the CCPA scored for core course, the CCPA scored for common course will be taken into account for the calculation of index marks, provided they secure a minimum CCPA of 5.00 for common course.</p>	<p>graduate for Part I English is greater than the mark secured for Part III, the mark secured for Part I English will be taken into account for the calculation of index mark, provided they secure a minimum of 50% marks for Part I English.</p>
<p>Weightage of 10% marks scored for Part III Core/Main/Part I Common courses shall be given to the candidates standardizing the marks secured for the same to 600.</p>		
<p>English Language & Literature Model II Candidates should possess a CGPA of 1.80 out of 4.00 in Core Group (Core + open + Complementary)</p>	<p>English Language & Literature Model II Candidates should possess a CCPA of 4.5 out of 10.00 in Core Group (Core + open + Complementary)</p>	<p>English Language & Literature Model II Candidates should possess 45% of marks in the Part III subjects (Main + subsidiaries)</p>
<p>Weightage of 10% marks scored for Part III Core/Main courses as the case may be shall be given to the candidates after standardizing the marks secured for the same to 600.</p>		
<p>English Literature & Communication Studies Model III (Double Main) Candidates should possess a CGPA of 1.80 out of 4.00 in Core Group (Core + Open + Complementary). Weightage of the equivalent 5% scored for Core Course shall be given.</p>	<p>English Literature & Communication Studies Model III (Double Main) Candidates should possess a CCPA of 4.5 out of 10.00 in Core Group (Core + Open + Complementary). Weightage of the equivalent 5% scored for Core Course shall be given.</p>	<p>BA Communicative English Model III (Single Main) Candidates should possess a minimum of 50% marks in Part I English (3 papers) and 45% in the Part III subjects (Main + subsidiaries). For the calculation of Index Marks, marks scored in Part I alone is taken into account.</p>
<p>Weightage of 5% marks scored for Part III Core courses/papers as the case may be shall be given to the candidates after standardizing the marks secured for the same to 600.</p>		
<p>English Literature, Communication Studies & Journalism Model III (Triple Main) Graduates should possess a CGPA of 1.80 out of 4.00 in Core Group (Core + open + Complementary). Weightage of the equivalent 5% scored for Core Course shall be given.</p>	<p>English Literature, Communication Studies & Journalism Model III (Triple Main) Graduates should possess a CCPA of 4.5 out of 10.00 in Core Group (Core + open + Complementary). Weightage of the equivalent 5% scored for Core Course shall be given.</p>	<p>English Literature, Communication Studies & Journalism Model III (Triple Main) Graduates should possess 45% in Part III subjects. The marks secured for the following papers are taken into account for the calculation of index marks 1. Phonetics 2. History of English Literature</p>

			3. English Poetry 4. English Essays and Fiction 5. English Drama 6. Literary Criticism
Weightage of 5% marks scored for Part III Core courses/papers as the case may be shall be given to the candidates after standardizing the marks secured for the same to 600.			
Other graduates in the faculties of Language & Literature, Social Science, Science & Oriental Studies			
Graduates should possess a CGPA of 2.00 out of 4.00 in six common papers for Part I and secure CGPA of 1.80 Core Group (Core + Complementary + Open Courses)	Graduates should possess a CCPA of 5.00 out of 10.00 in six common papers for Part I and secure CCPA of 1.80 Core Group (Core + Complementary + Open Courses)	Graduates should possess 50% marks in Part I English (3 papers) and 45% marks in the Part III subjects (Main + subsidiaries).	
The marks secured for Part I English for conventional mark system must be out of 300 and a minimum of 19 credits is required for Part I English in the case of those who have studied in grading system.			
Candidates who have passed B Com Model I, Model II /III, Vocational BA/B Sc (Model II/III – CBCSS & Pre CBCSS except BA Communicative English Model III Triple main pre CBCSS pattern) degree programmes and New generation programmes are not eligible to apply for admission to M. A. English based on the marks obtained in Part I /Common Course – I – English or Part II / Common Course – II – Second Language, since the content of Language & Literature of Part I & II of these degree programmes is not sufficient enough to pursue the above PG Programme.			
2	M.A. Economics		
	Graduation in Economics / Applied Economics / Mathematics / Statistics with not less than CGPA of 1.8 out of 4 in the core group (Core + Open + Complementary)	Graduation in Economics /Applied Economics / Mathematics / Statistics with not less than CCPA of 4.5 out of 10 in the core group (Core + Open + Complementary)	Graduation in Economics /Applied Economics / Mathematics / Statistics with not less than 45% marks in the Part III subjects (Main + subsidiaries) or B.Sc. Degree holders in Co-operation and Banking with not less than 45% marks from Kerala Agricultural University.
Weightage of 10 marks shall be given to the candidates who have studied Economics as Core/Main. 75% of the total seats would be reserved for B.A Economics (Main Model I/II) candidates.			

B. Faculty of Science

	Graduates who have passed qualifying examination in CBCSS (2009) pattern	Graduates who have passed qualifying examination in CBCSS (2013/ 2017) pattern	Graduates who have passed qualifying examination in other patterns
1	M. Sc. Applied Fisheries and Aquaculture		
	Graduation in Industrial Fish and Fisheries, Aquaculture, Zoology, Botany, Biological Sciences viz, Botany, Biochemistry, Biophysics, Biotechnology, Microbiology and Zoology, Fishery Science or BSc Industrial Fisheries with not less than CGPA of 2.00 out of 4 in the Core Group (Core + Open + Complementary).	Graduation in Industrial Fish and Fisheries, Aquaculture, Zoology, Botany, Biological Sciences viz, Botany, Biochemistry, Biophysics, Biotechnology, Microbiology and Zoology, Fishery Science or BSc Industrial Fisheries with not less than CCPA of 5.00 out of 10 in the Core Group (Core + Open + Complementary).	Graduation in Industrial Fish and Fisheries, Aquaculture, Zoology, Botany, Biological Sciences viz, Botany, Biochemistry, Biophysics, Biotechnology, Microbiology and Zoology, Fishery Science or BSc Industrial Fisheries with not less than 50% marks for Part III (Main/Core + Subsidiaries/ Complementary).
Weightage of 10% of marks scored by the candidate in Part III (Core/Main) shall be added to the total of Part III subjects for those candidates who have taken subjects- Industrial fish and fisheries, Aquaculture and Fishery Science at graduate level			
OR B. Voc. Commercial Aquaculture / B Voc Fish Post Harvest Technology and Management			
OR B. Voc. Nursery and Ornamental Fish Farming by Calicut University			
2	M. Sc. Botany		
	Graduation in Botany or Botany - Biotechnology (double main) with not less than CGPA of 2.00 out of 4 in the Core Group (Core + Open + Complementary).	Graduation in Botany or Botany - Biotechnology (double main) with not less than CCPA of 5.00 out of 10.00 in the Core Group (Core + Open + Complementary).	Graduation in Botany or Botany - Biotechnology (double main) with not less than 50% marks in the Part III Subjects (Main/Core + subsidiaries / Complementaries).
3	M. Sc. Chemistry (Branch III)		
	Graduation in Chemistry/ Petrochemicals with not less than CGPA of 2.00 out of 4 in Core Group (Core + Complementary + Open Courses).	Graduation in Chemistry/ Petrochemicals with not less than CCPA of 5.00 out of 10.00 in Core Group (Core + Complementary + Open Courses).	Graduation in Chemistry/ Petrochemicals with not less than 50% marks in Part III subjects (Main/ Core + subsidiaries/ Complementaries).
4	M. Sc. Mathematics		
	Graduation in Mathematics/ Statistics / Computer Application with not less than CGPA of 2.00 out of 4. 00 in the Core Group (Core + Complementary + Open Courses)	Graduation in Mathematics/ Statistics / Computer Application with not less than CCPA of 5.00 out of 10. 00 in the Core Group (Core + Complementary + Open Courses)	Graduation in Mathematics/ Statistics /Computer Application with not less than 50% marks in the Part III subjects (Main / Core + subsidiaries / Complementaries)
OR "B Tech with not less than 50% marks in Mathematics (aggregate of all Mathematics papers and a total of 50% for the entire course)"			

5	M. Sc. Physics		
	Graduation in Physics or Electronic Equipment maintenance or Physics instrumentation Model III with not less than CGPA of 2.00 out of 4.00 in the Core Group (Core + Complementary + Open Courses)	Graduation in Physics or Electronic Equipment maintenance or Physics instrumentation Model III with not less than CCPA of 5.00 out of 10.00 in the Core Group (Core + Complementary + Open Courses)	Graduation in Physics or Electronic Equipment maintenance or Physics instrumentation Model III with not less than 50% marks in the Part III subjects (Main / Core + subsidiaries / Complementaries).
6	M.Sc. Zoology		
	Graduation in Zoology or Biological Techniques & Specimen Preparation with not less than CGPA of 2.00 out of 4.00 in the Core Group (Core + Complementary + Open Courses)	Graduation in Zoology or Biological Techniques & Specimen Preparation with not less than CCPA of 5.00 out of 10.00 in the Core Group (Core + Complementary + Open Courses)	Graduation in Zoology or Biological Techniques & Specimen Preparation with not less than 50% marks in the Part III subjects (Main/Core + subsidiaries/ Complementaries)
7	M.Sc Computer Science		
	Graduation in Computer Applications (BCA) or B.Sc. Degree with Mathematics/ Computer Science /Electronics/ IT as one of the subjects with not less than CGPA of 2.00 out of 4 in Core Group (Core + Complementary + Open Courses)	Graduation in Computer Applications (BCA) or B.Sc. Degree with Mathematics/Computer Science/Electronics/IT as one of the subjects with not less than CCPA of 5.00 out of 10.00 in Core Group (Core + Complementary + Open Courses)	Graduation in Computer Applications (BCA) or B.Sc. degree with Mathematics/ Computer Science / Electronics/ IT as one of the subjects with not less than 50% marks in part III subjects in Part III (Main/Core + subsidiaries/ Complementaries)
	OR "B Tech in Computer Science"		
	OR "B. Voc. Software Development"		
	OR "B Voc Information Technology" of Kerala University		
	A weightage of 20% marks scored by the candidate in Part III Core/Main shall be added to the total of Part III for those who have studied Computer Science/Computer Applications/ Electronics as core/ Main after standardizing the marks secured for the same to 600.		
8	M.Sc. Space Science and Technology		
	Graduation in Physics (Model 1/ Model 2/ Model 3) or any Degree with Physics as a Complementary Subject With not less than CGPA of 2.00 out of 4 in the Core Group (Core + Complementary + Open Courses)	Graduation in Physics (Model 1/Model2 / Model 3) or any Degree with Physics as a Complementary subject with not less than a CCPA of 5.00 out of 10. 00 in the Core Group (Core + Complementary + Open Courses)	Graduation in Physics (Model 1/Model2 / Model 3) or any Degree with Physics as a Complementary subject with not less than 50% marks in the Part III subjects (Main/Core+ subsidiaries/ Complementaries)
	*B.E./B.Tech. or equivalent degree in Aerospace Engineering, Aeronautical Engineering, Mechanical Engineering, Avionics engineering, Electronics and Communication Engineering, Electrical Engineering, Electrical and Electronics Engineering with a minimum CGPA of 5.0 on a 10-point scale or at least 50% aggregate.		
	* Subject to approval from M G University		

9	Lateral Entry to Semester VII - Integrated M.Sc. Programme in Basic Sciences - Statistics (equivalent to M. Sc Statistics)		
	Graduation in Statistics/ Mathematics/Computer Application with not less than CGPA of 2.00 out of 4 in the Core Group (Core + Complementary + Open Courses)	Graduation in Statistics / Mathematics/Computer Application with not less than CCPA of 5.00 out of 10.00 in the Core Group (Core + Complementary + Open Courses)	Graduation in Statistics/ Mathematics/Computer Application with not less than 50%marks in the Part III subjects (Main/Core+ + subsidiaries/ Complementaries).
<p>Weightage of 10% marks scored by the candidate in Part III Core/Main shall be added to the total of Part III Core/Main for those candidates who have studied B Sc Statistics (Core/Main) after standardizing the marks secured for the same to 600. Weightage of 5% marks scored by the candidate in Part III Core/Main shall be added to the total of Part III Core/Main for those candidates who have studied B Sc Computer Applications (Triple Main) (Core/Main after standardizing the marks secured for the same to 600).</p>			

C. Faculty of Commerce

	Graduates who have passed qualifying examination in CBCSS (2009) pattern	Graduates who have passed qualifying examination in CBCSS (2013/ 2017) pattern	Graduates who have passed qualifying examination in other patterns
1	M.Com		
	Graduation in Commerce /BBA/BBM with not less than CGPA of 1.60 out of 4 in the Core Group (Core + Complementary + Open Courses).	Graduation in Commerce /BBA/BBM with not less than CCPA of 4.0 out of 10 in the Core Group (Core + Complementary + Open Courses).	Graduation in Commerce /BBA/BBM with not less than 40% marks in the Part III (Main/Core + subsidiaries/ Complementaries)
B Com LLB holders of University of Kerala/ B Voc Accounting and Taxation Holders are also eligible to apply.			
* B Voc Professional Accounting and Taxation holders can also apply. (Admission subject to approval from M G University.)			

D. Faculty of Business Administration

1	MBA
<p>A pass in any bachelor's Degree Examination of Mahatma Gandhi University or an equivalent degree of any other University duly recognized by Mahatma Gandhi University with not less than 50% marks in the aggregate for all parts of examination or a Master's Degree examination with 50% marks in aggregate. (A pass in any Bachelor's Degree examination is needed for SC/ST candidates). The degree must be recognised by Mahatma Gandhi University and must have a valid score in KMAT Kerala/ CAT/ CMAT followed by clearing the GD and Personal Interview. Each parameter has 80:10:10 marks respectively.</p>	

E. Faculty of Social Work

1	MSW
<p>Any Bachelor's Degree from Mahatma Gandhi University or any other Universities recognized by Mahatma Gandhi University with an aggregate of 50% marks or CCPA of 5 out of 10 (CGPA of 2 in pre-revised pattern) for Part I, II & III put together.</p>	

F. Faculty of Vocational Studies

1	M.Voc Logistics and Supply Chain Management
	Any Bachelor's Degree from Mahatma Gandhi University or any other Universities recognized by Mahatma Gandhi University with an aggregate of 50% marks or CCPA of 5 out of 10 (CGPA of 2 in pre-revised pattern) for Part I, II & III put together.

RELAXATION IN MARKS IN THE QUALIFYING EXAMINATION:

- i. Kerala Scheduled Caste/Scheduled Tribe Category: The minimum requirement for admission to PG programmes is a pass in the qualifying examination for the Kerala Scheduled caste /Scheduled tribe category.
- ii. SEBC Category: A relaxation of 3% marks in the qualifying examination from the prescribed minimum is allowed
- iii. OEC Category: A relaxation of 5% marks in the qualifying examination from the prescribed minimum is allowed
- iv. PwD Category: Candidates belonging to the differently abled category require only a pass in the qualifying examination for admission to PG Programmes.

RANK LIST

The Rank List shall be prepared on the basis of marks arrived at according to the following conditions. Under Pre - CBCSS pattern, the rank list of PG degree programmes will be prepared on the basis of the marks obtained in the qualifying examination in part III subjects unless otherwise mentioned, standardized to 1000. The index mark is arrived at after adding/deducting weightage/bonus marks/handicap marks, if any. Under CBCSS (2009) and CBCSS(2013/2017) pattern, the CGPA secured for Part III Core group (Core + Complementary courses) unless otherwise mentioned shall be converted into marks out of 1000. The index mark is arrived at after adding/deducting weightage/bonus marks/handicap marks, if any.

BONUS MARKS

The Bonus Marks will be awarded as follows:

1. Bonus mark of 10 shall be awarded to 'B' and 'C' Certificate holders in proof of their high proficiency. For NCC candidates the bonus marks will be awarded on the basis of the NCC certificates signed by the Director and issued by the Directorate provided the candidates have secured at least 75% attendance after having participated in NCC activities during the period of study for Undergraduate programmes. **The Claim of these candidates who have participated in NCC/NSS activities prior to the University level programme i.e. Higher Secondary / Plus Two / Vocational Higher Secondary etc will not be taken into account for awarding bonus marks.**
2. Bonus mark of 5 shall be awarded to NSS Certificate holders. In respect of NSS candidates the bonus marks will be awarded on the basis of NSS certificates signed by the Vice-Chancellor or the Pro-Vice-Chancellor and issued to volunteers who have completed 240 hours of work within a period of 2 years of undergraduate study immediately preceding the P.G programmes for which admission sought.
3. A bonus of 15 marks will be awarded to the Ex-servicemen applicants and widows and children of Jawans and Ex-service men seeking admission to the P.G. Programmes. Applicants in this category should invariably produce the certificate in support of their claim at the time of admission. The certificate should be obtained not earlier than six months from the last date of submission of application from the military authorities or state/ Zilla Sainik Welfare Officer to the effect that the applicant is the son/daughter of ex-service man or an ex-service man himself/herself.
4. The benefit of bonus marks can be scored by a candidate only under one category i.e.; either NSS or NCC.
5. Bonus marks shall be added only if the candidate has obtained the prescribed minimum qualifying marks in the qualifying examination while calculating the index marks.

HANDICAP MARKS

Handicap mark of 5 will be deducted from the total rank marks for each additional appearance he/she has taken for completing the qualifying examination. Number of chances means the number of chances for passing any part of the qualifying examination excluding cancellation.

Wherever letter grades are given for the qualifying examination, the candidate should produce the relevant document so that the grades can be converted into actual marks. In the case of grades where marks range is given, the mid value will be taken for computation of index marks.

RESOLVING OF TIE

In the case of more than one candidate obtaining equal index marks, the candidate who has scored more marks in Part III Main will be placed higher in ranking. If the tie persists the candidate who has scored more marks in Part I common courses/ papers English will be placed higher in ranking and if the tie still persists, the marks scored in Part II common course/additional language will be considered. If the tie still persists, the age of the candidates will be taken into account, the older being placed higher in the ranking. Even after this exercise, if the tie persists, the alphabetical order of the first name of the candidates will be taken into account.

Rounding of marks of 0.5 and above to the highest figure shall not be done while calculating the percentage of marks for minimum eligibility.

INDEXING OF MARKS

Index mark is calculated after adding/deducting the weightage/bonus marks/handicap marks, if any

MA ENGLISH		
75% of the total seats will be reserved for those who have taken the subject as optional (Model I/II/III)		
Model I English		
CBCSS Pattern (2009)	CBCSS Pattern (2013/ 2017)	Pre CBCSS Pattern
CGPA secured for common courses/ core courses is converted into percentage marks by multiplying the same by 25. The percentage of marks thus obtained is converted into marks out of 1000 by multiplying the same by 10.	CCPA secured for common courses/ core courses is converted into percentage marks by multiplying the same by 10. The percentage of marks thus obtained is converted into marks out of 1000 by multiplying the same by 10.	Marks secured for part III main/ part I English is converted into 1000.
Index mark is calculated on the basis of percentage of marks secured for part III Core course/Main or Part I common course/papers, whichever is higher.

RANKLIST FOR MSW**Entrance Exam**

The candidates satisfying the eligibility criteria will be called for a Common Entrance Examination consisting of objective type questions on Verbal and Reasoning Ability and General Knowledge for the Entrance Examination towards the admission for MSW. Maximum marks allotted to the objective type test are 50. The Exam will be conducted at the St. Albert's College (Autonomous) Campus. Hall tickets can be printed from your admission profile.

GD and Interview

The candidates who clear the Entrance Examination will be called for a Group Discussion and Personal Interview, which will be rated according to the performance of the candidates.

Final Selection

Selection for the Programme will be on the basis of the marks scored, Entrance Examination, Group Discussion and Personal interview. The final Rank list will be prepared on the basis of the above scores, which will be published in the

Distribution of Marks

		MSW
1	Entrance Exam	50 %
2	Group Discussion	20%
3	Interview	30 %

Reservation of seats

Types of reservation:

Out of the total merit seats available in Aided/Self financing PG programmes, seats will be reserved for different categories under the following main items:

1. Reservation for international students
2. Reservation for nominees
3. Reservation for persons with disabilities
4. Reservation for transgender candidates
5. Special reservation
6. Mandatory reservation

Reservation for international students

10% additional seats shall be created for all Programmes in St. Albert's College (Autonomous) over and above the sanctioned strength and added to the total merit seats exclusively for the purpose of accommodating international students. These seats shall not be filled up with other candidates.

The students who seek admission in this category should contact the Dean, International Affairs (Email id: ia@alberts.edu.in)

Reservation for nominees:

Reservation of seats for students from Lakshadweep Islands

An additional seat shall be created in St. Albert's College (Autonomous) and added to the total merit seats exclusively for the purpose of accommodating students sponsored by the Union Territory of Lakshadweep (u.o no. Ac a1/3/2761/06 dated 20.07.2006). This seat shall not be filled up with other candidates.

Reservation of seats for Malayalee students from Andaman & Nicobar Islands :

An additional seat for each programme in St. Albert's College (Autonomous) shall be created exclusively for the purpose of Malayalee students from Andaman & Nicobar Islands. This seat shall not be filled up by other candidates (u.o. No. 6199/ai/2016/acad dated 23.11.2016).

Reservation for Persons with Disabilities (PwD)

5% seats of the sanctioned strength shall be created over and above in St. Albert's College (Autonomous) exclusively for candidates with benchmark disability (as per clause 32 (l) of chapter vi, the Rights of Persons with Disabilities act, 2016). If candidates are not available in a particular category, the seats shall not be filled from any other categories.

'Person with disability' means a person suffering from not less than 40% of any disability as certified by a medical board constituted for this purpose. Candidates who have a minimum of 40% disability alone will be eligible for this quota. Candidates seeking admission under differently abled category should submit the "certificate of disability", issued not earlier than 5 years prior to the submission of application, by the District Medical Board or bodies of higher status, certifying the degree of percentage of disability. The permanent disability card issued by the state government is also considered. The permanent disability card has a lifelong validity when issued to a disabled person - above the age of 18 years. For disabled children below 18 years of age, the card is required to be updated once in every five years. Based on the details furnished in the online application, candidates will be provisionally included under the "differently abled" category. Candidates seeking admission under PwD category should upload with their application form, an attested copy of the 'Certificate of Disability' issued by a District Medical board or bodies of higher status, certifying the degree or percentage of disability.

The selection of candidates under this category will be based on the rank in the inter-se-merit list and not on the basis of the degree of disability

No reservation of seats is allowed for blind candidates for Programmes which come under the faculties of Science/ Technology & Applied Sciences.

Mark relaxation for PwD candidates

Candidates belonging to the differently abled category require only a pass in the qualifying examination for admission to PG Programmes.

Reservation for Transgender candidates

Two seats shall be created over and above the sanctioned strength in all courses in St. Albert's College (Autonomous) exclusively for admitting transgender students. (G.O (ms)no.153/2018 HEdn dated 03.07.2018). However such students should also apply for the same.

Reservation for Orphan children

Two seats shall be created over and above the sanctioned strength in all programmes in St. Albert's College (Autonomous) exclusively for admitting Orphan Children (Male-1 & Female -1). (U.O No.3149/ACA1/2024/MGU dated 08.04.2024). The students who seek admission in this category should first apply online and produce a certificate from the revenue authorities that the candidate is an orphan

Reservation of seats for children from Government Children's Home and Institutions functioning as per Juvenile Justice Act

An additional seat in St. Albert's College (Autonomous) shall be created exclusively for children from Government Children's Home and Institutions functioning as per Juvenile Justice Act. This seat shall not be filled up by other candidates (U.O. No. 5003/AC AI/2016/Acad dated 25.09.2021 & GO (Rt) No. 2484/2012/ H Edn dated 20/11/2012). However, such students should also apply online and submit a certificate from the Manager of the Government Children's Home/ Institutions functioning as per Juvenile Justice Act where they have been residing.

Special Reservation:

The seats reserved under Sports quota and Cultural quota come under this category. Such students should apply online.

Reservation of seats under Sports Quota

Age limit: Upper age limit for applying through sports quota is 25 years. The following norms are prescribed for admission under sports quota.

- One seat for every 20 seats for M.A., M.Sc., M.Com programmes with permission for interchangeability.
- Where the number of seats is less than 20 for a subject, the seats may be pooled together, MA, M.Sc, M.Com being treated separately. Where the number of seats, after pooling, exceeds multiples of 20, an additional seat can be earmarked, if the excess number is 15 or more.
- Where the number of seats is still less than 15 after such pooling, all PG programmes may be pooled together.
- After such pooling, if the number of seats exceeds multiples of 20, an additional seat can be earmarked if the excess number is 15 or more.
- A minimum of one seat may be given if there are no sufficient seats.

The applicant for admission to the Sports quota should have represented at least the college in the Inter Collegiate Competitions. Preference shall be given to Sportsperson who have represented the State/University over the Sportsmen who have represented the District/College. Performance in any year during the under graduate programme only will be taken into consideration. The following guidelines shall be followed in determining merit in sports and games for admission to the PG programmes.

Points shall be awarded to the First (Winner or the Winning Team), second (Runners up or Runners up team), third (third place) and participation as:

Sl. No.	Item	Points
1.	Representing India in approved world championships/Olympics and winning gold medal	200
2.	Representing India in approved world championships/Olympics and winning silver medal	195
3.	Representing India in approved world championships/Olympics and winning bronze medal	190
4.	Representing India in approved world championships/Olympics	185
5.	Representing India in commonwealth games/ Asian games/Asian championship etc. and winning gold medal	180
6.	Representing India in commonwealth games/ Asian games/Asian championship etc. and winning silver medal	175

7.	Representing India in commonwealth games/ Asian games/Asian championship etc. and winning bronze medal	170
8.	Representing India in commonwealth games/ Asian games/Asian championship etc.	165
9.	Representing India in world university games and winning a gold medal	160
10.	Representing India in world university games and winning a silver medal	155
11.	Representing India in world university games and winning a bronze medal	150
12.	Representing India in world university games	145
13.	Representing India in regional championship such as SAF games and winning a gold medal	140
14.	Representing India in regional championship such as SAF games and winning a silver medal	135
15.	Representing India in regional championship such as SAF games and winning a bronze medal	130
16.	Representing India in regional championship such as SAF games	125
17.	Representing Kerala State in national championship for senior / youth and winning gold medal	120
18.	Representing Kerala State in national championship for senior / youth and winning silver medal	115
19.	Representing Kerala State in national championship for senior / youth and winning bronze medal	110
20.	Representing Kerala State in national championship for senior / youth championship	105
21.	Representing a university in all India / south zone inter university competition and winning a gold medal	100
22.	Representing a university in all India / south zone inter university competition and winning a silver medal	95
23.	Representing a university in all India / south zone inter university competition and winning a bronze medal	90
24.	Representing Kerala State in south zone championship for senior/youth and winning gold medal	85
25.	Representing Kerala State in south zone championship for senior/youth and winning silver medal	80
26.	Representing Kerala State in south zone championship for senior/youth and winning bronze medal	75
27.	Representing Kerala State in south zone championship for senior/youth	70
28.	Representing university in all India / south zone inter university championship	65
29.	Representing state in all India rural sports/ women's sports and winning a gold medal	60
30.	Representing state in all India rural sports/ women's sports and winning a silver medal	55

31.	Representing state in all India rural sports/ women's sports and winning a bronze medal	50
32.	Representing Kerala State in all India rural sports/women's sports	45
33.	Representing district in inter- district championship for seniors / youth and winning a gold medal	40
34.	Representing district in inter- district championship for seniors / youth and winning a silver medal	35
35.	Representing district in inter- district championship for seniors / youth and winning a bronze medal	30
36.	Representing district in inter- district championship for seniors / youth students selected for KSSC sports hostel scheme	25
37.	Representing a college in the inter collegiate championship and winning a gold medal	20
38.	Representing a college in the inter collegiate championship and winning a silver medal	15
39.	Representing a college in the inter collegiate championship and winning a bronze medal	10
40.	Representing a college in the inter collegiate tournament	05

The selection of candidates under the category will be based on the proficiency in sports/games.

1. A person can score points only in one category.
2. The highest score will be counted
3. Where bracketed, scores in other categories will be counted
4. Where still bracketed, priority will be given in the order of merit i.e.; 1st, 2nd, and 3rd place respectively.
5. Those with more number of achievements in the same level will be placed above the others (more number of 1st places, more number of 2nd places and so on).
6. Individual achievements will be ranked above team achievements.
7. A new record is created; he/she will be given priority.
8. If the tie could not be resolved by any of the above mentioned sports achievements, the index marks based on the qualifying examination shall be considered for breaking the tie.
9. Performance in any year during the Under Graduate Programme will be taken into consideration.
10. The students admitted in Sports quota shall mandatorily be available to represent the University in the Inter University competitions unless specifically exempted by the Vice-Chancellor/Director of Physical Education, Mahatma Gandhi University.

Addendum

1. Only the events, which are having intercollegiate competitions in Mahatma Gandhi University alone, will be considered for sports quota admissions.
2. Approved World competitions refers to the competitions organized by the International Apex Bodies of the concerned discipline and in which the national teams are sponsored by the National Apex Bodies and cleared by Sports Authority of India / Government of India.
3. The National Championship refers to the championships conducted by the national apex bodies of the concerned discipline. District competition refers to revenue district competition conducted by district association in respective sports.
4. Individual games /event refers to a game/event in which an individual performs alone.
5. When a candidate has a number of achievements in a sports /different discipline his/ her best achievement will be taken in to consideration.

NOTE: Those who seek admission through Sports quota, shall apply online.

Reservation of seats under Cultural Quota

1. One seat for every 20 seats together for MA, M.Sc, M.Com programmes with permission for interchangeability.
2. Where the number of seats is less than 20 for a subject, the seats may be pooled together MA, M.Sc, M.Com being treated separately. Where the number of seats, after pooling, exceeds multiples of 20, an additional seat can be earmarked, if the excess number is 15 or more.
3. Where the number of seats is still less than 15 after such pooling, all PG programmes may be pooled together.
4. After such pooling, if the number of seats exceeds multiples of 20 an additional seat can be earmarked if the excess number is 15 or more.
5. A minimum of one seat may be given if there are no sufficient seats.

The selection shall be made from among the applicants for the cultural quota on merit as follows.

Level	Points of participation			
	1st	2nd	3rd	4th
National inter university youth festival/competition of association of Indian universities	50	30	20	10
Zonal inter university youth festival/competition of association of Indian universities	30	20	10	-
Annual university youth festival of any university in Kerala	20	10	5	-

In the absence of applicants who do not secure 1st, 2nd and 3rd and 4th places candidates with 'A' grade shall be considered for admission. The selection of candidates under the category will be based on the proficiency in cultural events only.

1. A person can score points only in one category.
2. The highest score will be counted
3. Where bracketed, scores in other categories will be counted
4. Where still bracketed, person who was the University Youth Festival Title Holder will be given 3 extra points.
5. Performance in any year during the Degree course in Mahatma Gandhi University will be taken into consideration.
6. He / She must be available for University events unless specifically exempted by the Vice-Chancellor/Director of Physical Education, Mahatma Gandhi University.

NOTE: Those who seek admission through Cultural quota, shall apply online.

If vacancies arise due to discontinuation of candidates under Sports quota, the next eligible candidate in the Rank list shall be admitted. No candidates under any circumstances shall be allowed to apply after the last date specified for the sports quota admissions as the seats are deducted from general merit quota seats.

Mandatory Reservation: Distribution of Seats

Aided Stream

Seats available in the College under aided streams are mainly classified as Merit seats [80%] (General Quota seats and Seats earmarked for Latin Community, SC/ST candidates) and Management seats [20%].

Category	Percentage
General Merit	40%
SC/ST	15%/ 5%
Latin Community	20%
Management	20%

Self-Financing Programmes

	Seat reservation	Percentage of reservation
1.	General merit	50%
2.	Management Quota	50%

Distribution of 50% seats ear marked under merit category	Percentage of reservation
Open Quota	65%
Scheduled Caste	8%
Scheduled Tribe	2%
Ezhava, Thiyya & Billava	9%
Muslims	8%
Latin Catholics other than Anglo Indians	2%
Other Backward Christians	1%
Other Backward Hindus (OBH)	5%

Claims for mandatory reservation and certificates to be produced

1. Claims for mandatory reservations must be made by a candidate at the time of submission of application, with supporting Documents as required.
2. The claims for mandatory reservation once made in the application form cannot be altered by the candidate under any circumstances.

Claim for communal reservation under 'socially and educationally backward classes' (SEBC):

- a) Candidates belonging to Ezhava, Muslim, Other backward Hindus, Latin Catholic other than Anglo Indians and Other backward Christian communities, claiming reservation under SEBC Quota should invariably produce both 'Community' and 'Income Certificates' or non-creamy layer certificate obtained from the Village Officer concerned. The digital copy of the above certificates should be uploaded during submission of online application. Candidates who belong to the non-creamy layer are eligible for reservation. The seats unavailed by SEBC category candidates will be allotted under open quota.

Claim for reservation under Kerala scheduled castes/ Kerala scheduled tribes quota

- Candidates claiming reservation under Kerala Scheduled Castes/ Kerala Scheduled Tribes quota should obtain caste/community certificate from the revenue authorities concerned. The candidates who are reconverted to Hinduism from Christianity of Scheduled Caste origin should produce community certificate from Village Officer along with a copy of the gazette notification.
- Claim of OEC candidates against the un-availed seats of SC/ST candidates: Other Eligible Community (OEC candidates) who claim allotment to the un-availed seats, if any, under SC/ST quota should furnish community and income certificates or non-creamy layer certificate obtained from the revenue authorities concerned. Those OEC candidates whose annual family income is upto Rs. 8 lakhs alone are eligible for such seats.

OTHER GENERAL RULES FOR MANDATORY RESERVATION:

The seats unavailed by the SC candidates will be diverted to ST candidates and vice versa. The unavailed seats reserved for SC/ST shall be re-notified through print media. If such seats are remaining vacant even after re-notification, these shall be filled from the ranklist of applicants belonging to the Latin community. If seats still remain unfilled, it will be filled as per G.O.(P) No. 135/87/H.Edn dated 06.05.1987 and GO (MS) No. 03/2018/BCDD dated 09/04/2018.

Procedure**Albertian Online Admission Process (AOAP)**

The applicants need to submit only one online application form while applying to all the PG Programmes in the college whether in the General/ SC-ST/ Community/ Management/ Sports/ Cultural/ Lakshadweep and Persons with Disabilities (PD) quota (The relevant quota must be selected). If a candidate submits more than one application his/her candidature is liable to be cancelled. Submission of application i.e. registration of personal and academic data as well as options for programme shall be done online. Before submitting the application form, candidates are advised to verify the details of the academic programme in the college through the college website **www.alberts.edu.in**, in addition to the information given in the prospectus published by the College. Before selecting a programme the applicant should ensure that he/she possesses the prescribed qualifications/eligibility criteria.

The original certificates should be submitted to the college at the time of admission.

Students seeking admission to St. Albert's College (Autonomous) should apply online through the Albertian Online Admission Portal (AOAP)

www.alberts.edu.in

Applicants can view/download a copy of the prospectus from the website. The step by step procedure for applying online is given in the website as well. In all the subsequent enquiries regarding admission, applicants are requested to mention the Application Number allotted to them at the time of online registration.

Application Procedure

The applicant must visit **www.alberts.edu.in** and choose the required admission option (UG or PG) from the pop up notification. Once redirected, the applicant must sign up by entering the all basic details following which a username and password will be sent to the Email ID used in the sign up process. By using this User ID and password, the applicant can now Log in and enter the following details.

Application procedure consists of seven steps:

Step I : Personal Profile

Step II: Details of Guardian

Step III: Educational Qualification

Step IV: Details of marks secured

Step V : Select Options (Selection of programmes)

Step VI: Uploading profile photo

Step VII: Payment of application fee and print application form

The application fee is Rs. 250/-

The Application fee can be remitted in either of the three methods
(UPI {Gpay, PhonePe etc.}, Credit or debit card, Net Banking)

*The rank-list and admission dates will be published online.
Online registration fee once remitted will not be refunded under any circumstances.*

Please Note: The applicants are NOT required to submit the printed application form at the college office. But those applicants who have applied for the PD, Cultural, Sports and Management quota SHOULD SUBMIT supporting documents on or before the given date at the college office. Management quota applicants (Latin Catholics) have to download from the college website a certificate to be attested by the Parish Priest after completing final step in application procedure. They should submit this certificate after getting it attested by Parish Priest. Admission is based strictly on merit. Donation, bribing or recommendation will be considered as disqualification of the candidate and will not be entertained under any circumstances.

ADMISSION PROCEDURE

All applicants who seek admission to the college should report for the admission procedure at the college on the given date and time as per the provisional rank-list. Those who fail to do this will be treated as not interested and further claim for admission by these applicants will not be entertained. The candidate should be accompanied by his/ her parents (Father or Mother or Both) during the time of admission. **Applicants are requested to remember the Application Number at the time of admission process.** The candidates should produce the following original documents before the Principal/ Head of the college/institution at the time of admission.

Documents to be produced at the time of Interview

1. S.S.L.C. & Plus two mark lists - (original) and two attested copies.
2. Original consolidated degree mark list (if issued); otherwise, an official website printout.
3. Transfer Certificate (TC) from the institution last attended (original).
4. Conduct Certificate from the Head of the institution last attended (original). **The Conduct Certificate should not have been issued earlier than 1 year prior to the date of admission.**
5. Aadhaar Card (Original & Copy).
6. Candidates who wish to avail of bonus/weightage of marks shall produce the relevant certificates(original).
7. Income Certificate, if eligible for fee concession (original) The income certificate should not have been issued earlier than 12 months prior to the submission of application.
8. Community Certificate along with non-creamy layer certificate (original) from the revenue authorities concerned, if applicable.
9. A passport size photo of the student/candidate.
10. Attach necessary certificates, if applying under physically handicapped quota.
11. Candidates migrating from outside Universities/Boards, should produce the eligibility certificate from the Mahatma Gandhi University and migration certificate at the time of admission.
12. Eligibility Certificate from Mahatma Gandhi University, in the case of candidates who have passed their qualifying examination from NIOS boards of various States.
13. A caste certificate from the revenue authorities concerned should be produced in the case of SC/ST candidates.

Self-attested copy of the Online Mark list, in case the original mark list is not issued.

The students who get admission in the college will be subjected to the following procedure

1. Attending the Admission Process on the Stipulated Date and Time
2. Verification of the Original Documents
3. Signing up of the Declaration Forms
4. Confirmation of Admission by the Principal
5. Online submission of Anti Ragging Undertaking
6. Claim for Concession (if applicable)
7. Remittance of Fee
8. Enrollment into the College Register
9. Issue of Fee Receipt

Admission Policies

As the provisional rank-list is based on the information furnished by the candidate online, the eligibility will be confirmed at the time of admission. The Admission Committee will verify the details furnished by comparing the same with the original documents produced by the candidate. Any discrepancy will result in the denial of admission.

Seat Allotment Protocol

The Admission will be on a hierarchical basis. The hierarchy of order is as follows:

1. **General Merit (GM)**
2. **SC/ST Merit**
3. **Community Merit**
4. **Management Quota**

Ragging – A crime

The Honorable Supreme Court of India has directed that if any incident of ragging comes to the notice of the authorities, the student concerned shall be given liberty to give his/ her explanation and if his / her explanation is not found satisfactory, he/ she would be expelled from the institution.

Politics banned in St. Albert's College (Autonomous)

At the time of admission the applicant should give an undertaking that he/ she will not participate in any type of political activity in and around the College Campus. If any incident comes to the notice of the authorities, the student will be expelled from the institution after the disciplinary procedure. This is in reference with the Court Verdict Banning Political Activities in the College campuses Judgement No. WA-535/2003 dated 26-05-2003 by the Honorable High Court of Kerala.

Hostel

Hostel Facility for male as well as female students is available.

All other matters applicable to PG admission shall be governed by the norms and regulations of MG University.

PROGRAMME OUTCOMES

On completion of a Postgraduate Programme from St. Albert's College (Autonomous), students should be able to demonstrate the programme outcomes listed below:

PO 1: Deep Domain knowledge

Demonstrate a mastery of the fundamental knowledge and skills required in the discipline to function effectively as an entry-level professional in the field.

PO 2: Critical thinking

Act as effective problems-solvers, with the ability to apply critical, creative and evidence-based thinking to conceive innovative responses to present and future challenges.

PO 3: Research Aptitude

Develop a research culture for self-directed learning and demonstrate competency in creating new knowledge.

PO 4: Social Responsibility

Demonstrate social and national responsibility and engage in activities that contribute to the betterment of society exhibiting the qualities of an ideal citizen,

PO 5: Professional Skills and Leadership Qualities

Ability to plan out the tasks of a team or organization, to set direction, to create a team that can help realize the vision, to inspire and motivate team members to connect with that vision, and to use management abilities to lead people in an effective and efficient manner towards desired goals.

DEPARTMENT OF SOCIAL WORK

Postgraduate Programme

Master of Social Work

Specializations in MSW

Medical and Psychiatric Social Work

Family and Child Welfare

Community Development

Contact

msw@alberts.edu.in

The Department of Social Work, St. Albert's College (Autonomous) was started in the year of 2015. Since its inception, the Department is privileged to host many socially relevant and committed programmes. The MSW Programme offers 3 specializations which include Medical and Psychiatric Social Work, Family and Child Welfare and Community Development.

Milestones

2015 : MSW Programme started

2020 : Introduced B. Voc Medical and Psychiatric Social Work

2021 : MSW Additional B Batch Started

2023: Inuguration of ASWAS- Albertian Social Work Association for Students

Mission

To engage in collaborative learning, research, community initiatives, disseminating knowledge, which embraces the values of social inclusion thereby enhancing the quality of life with whom we collaborate and interact.

Vision

To build a socially just society by strengthening human relationships and promoting the values of equality, diversity, inclusiveness, democracy, and concern for human welfare through academic excellence.

Why MSW @ Albert's?

- Courses relevant to the Industry and Society
- Updated Contemporary Curriculum
- National and International Collaborations and Opportunities
- International Study Programme in Katho University, Germany with full time scholarship
- Qualified Faculty Members
- Meaningful Internships in all Semesters

- Significant Certificate Programs
- Transactional Pedagogies
- Keeping in Pace with the Changing World
- Global Engagement

Programme Structure

First Semester

- Social Sciences for Social Work
- Human Growth and Development
- History, Philosophy and Fields of Social Work
- Generic Practice Skills for Social Workers
- Social Work Practice with Communities
- Field Practicum I.

Second Semester

- Administration of Human Service Organizations
- Introduction to Abnormal Psychology and Counselling
- Social Work Practice with Individuals
- Social Work practice with Groups
- Social Work Research – Quantitative
- Field Work Practicum II

Third Semester

- Planning and Implementation of Development Projects
- Social Work Research – Qualitative and Participative
- Three Elective Course
- Field Practicum III

Fourth Semester

- Social Legislation and Human Rights
- Advanced Social Work Competence
- Two Elective Course
- Field Practicum IV
- Comprehensive Viva
- Dissertation
- Internship (After the Completion of IVth Semester Examination)

Elective Courses

Third Semester

COMMUNITY DEVELOPMENT (CD)

- Rural & Urban Community Development
- Environment and Sustainable Development
- Community Health for Development Practice
- Local Self Governance
- Social Entrepreneurship Development

FAMILY AND CHILD WELFARE (FCW)

- Social Work Practice With Families
- Policies and Programmes for Children and Youth

Fourth Semester

COMMUNITY DEVELOPMENT (CD)

- Human Resource Management for Development Practice
- Economic Development: Theory and Practice
- Social Work Intervention in Disaster
- Corporate Social Responsibility

FAMILY AND CHILD WELFARE (FCW)

- Therapeutic intervention in the field of family and child welfare

- Population Dynamics and Reproductive and Child Health
- Gender and Development
- Disability and Social Work

MEDICAL AND PSYCHIATRIC SOCIAL WORK (MPSW)

- Clinical Assessment and Diagnosis of Psychiatric Disorders
- Social Work in the Field of Health
- Health Care Administration and Community Health
- Social Work with Differently Abled people
- Psycho Social Aspects Mental Health and Rehabilitation

- Social Work in Education
- Social Work Practice with Elderly
- Working with Children: Interventions and Skills

MEDICAL AND PSYCHIATRIC SOCIAL WORK (MPSW)

- Social Work Interventions in the field of mental health
- School Mental Health and Social Work Practice
- Gerontological Social Work
- Health Communication and First Aid

Highlights of the Department

- **International Study Programme with Katho University Germany**

The Department of Social work offers International Study Programme with Catholic University of Applied Science ,Germany for the selected student during the summer semester with university Grant of 5042 Euros.

- **Community Development Activities**

The Department of Social Work undertakes extensive community development activities ranging from baseline data collection to research based interventions. The community development programmes are mainly focussed in the suburban villages especially in Edavanakad, Elamkunnappuzha, Ezhikkara, Nayarambalam, Kadamakudy and Kottuvally. The major activities include Women Empowerment, Child Care, Environmental Protection Activities, Medical Care, Elderly Care etc.

- **SAVE (St. Albert's Voluntary Executives for Social Welfare)**

SAVE Programme is a Social Outreach Programme proposed and guided by the Department of Social Work in which the all the first year students of St. Albert's College (Autonomous) are involved. The students of different Departments are mixed together to form a SAVE group who visit various NGOs, care institutions and interact with the inmates and present cultural activities. The focus is to create a Social Work attitude among the students in St. Albert's College (Autonomous).

- **A Meaningful Day in Kochi**

It is an innovative programme in which students have to visit the city of Kochi especially places such as markets, hospitals, parks, public offices and interact with people. It is a one day exclusive field experience programme from 8 am to 8 pm to observe and understand the people in various walks of life. The programme is conducted in the first week of the 1st semester. It provides immense opportunities for the Social Work trainees to explore the realistic views of life.

- **Child Care Activities**

The Department of Social Work has invested a lot of time to enable the MSW students to deal with the challenges of child care. The Department has associated itself with Childline to advocate for child rights through street plays, Awareness Programmes, volunteering and counselling. The students have a concurrent field work of 3 months in Lower and Upper Primary Aided Schools to understand child issues and students are encouraged to involve in empowerment activities and Anti-Drug activities as well as create awareness against sexual harassments.

- **Know your Neighbourhood**

The programme dedicated to understand the one's own locality. The programme has an objective to introduce the students to his/her locality as a social work trainee, which will help to increase the self-esteem and will eventually

lead him/her to accept oneself as the true champion of social work values.

- **Rural Sensitization Camps**

Rural Sensitization Camps are an essential part of the Social Work Programme. It helps the Social Work trainee to understand rural life by living with them for a week. The facilities provided to the students are minimum and they have to understand the rural way of living by engaging in manual labour, house visits, group interactions and cultural programmes.

- **Highlights of Rural Camp**

- Participatory Rural Appraisal (PRA)
- Theatre Workshop-Community Awareness through streetplay
- Tribal Visit
- Yoga Training
- Sramadhan
- Transect Walk

- **Elderly Care Activities**

The students of the Department are keenly interested in the welfare of the elderly and engage in elderly care activities during their field work practicum. It enables the students to have a deep, motivated empathy towards elderly persons and enable them to have a meaningful presence in the community.

- **Observation of International Days**

The students observe various socially relevant international days in accordance with their theory and practical curriculum in order to educate the public and aware them to involve and act for the issues concerns in various aspects of the society.

DEPARTMENT OF SPACE SCIENCE

Post Graduate Programme

M.Sc. Space Science and Technology

Contact

spacescience@alberts.edu.in

There has never been a more exciting time to study the universe beyond the confines of the earth. A new generation of advanced ground-based and space-borne telescopes and enormous increases in computing power are enabling a golden age of astrophysics. The department of Space Science offers masters course in Space Science and Technology focuses on the underlying

physics of phenomena beyond the earth, which will enable the next major strides in the field. This is an interdisciplinary program which gives emphasis to basic Physics subjects as well as Astronomy, Meteorology and Atmospheric Science subjects as part of the curriculum. The multidisciplinary emphasis of this program sets it apart from conventional graduate programs at traditional institutes. The department of Space Science was established in the academic year 2011-12. The programme M.Sc. Space Science and Technology was designed under the guidance of ISRO and approved by UGC as an Innovative program and is affiliated to Mahatma Gandhi University, Kottayam.

Milestones:

2011 - Commencement of the M.Sc. Space Science and Technology Programme

2016 - Establishment of the department of Space Science

2016 - Department Astronomical Observatory was constructed

2019 - First Curriculum Restructuring Process

2022 - Second Curriculum Restructuring Process

VISION

Grooming students for India's Atmospheric Science Studies and Space Science Research.

MISSION

- ***Moulding the students to work under interdisciplinary domains.***
- ***Enable them to gain work experience from premier national research institutions.***
- ***Help them to develop theoretical knowledge in the field of atmospheric and astronomical disciplines.***

- **Enable them to use modern computational methods for scientific analysis along with handling elaborate experimental set up.**

Why M.Sc. Space Science & Technology @ Albert's?

- Internships/Projects at leading research centres across the country
- Workshops, Seminars and Talks on latest trends in the study area
- Academic collaborative and extension activities
- Opportunities to interact with leading scientists/researchers
- Hands-on training with telescopes and real data, including night sky and solar observations.

Programme Structure

First Semester

- Fundamentals of Atmospheric and Space Sciences
- Classical Mechanics
- Quantum Mechanics
- Mathematical and Statistical Methods
- Computer Programming-I (Practical I)

Second Semester

- Fundamentals of Earth Sciences and Remote Sensing
- Statistical Mechanics
- Electrodynamics
- Numerical Methods and Computer Programming
- Computer Programming II (Practical II)

Third Semester

- Dynamics of Space
- Elective I
- Introduction to Plasma Physics and Space Physics
- Astronomy and Astrophysics
- Practical - Atmospheric Sciences

Fourth Semester

- Space Plasma
- Elective II
- Elective III
- Laboratory for Plasma
- Experiments for Astronomy and Astrophysics
- Project/Dissertation
- Course Viva

Highlights of the Department

The department boasts an array of state of the art equipment which gives the students a unique experience to familiarize and work with high quality while they pursue their studies in the college.

1. Department Observatory

The department has its own observatory which enables the students of the department as well as other departments to study the sky with the help of state of the art equipment. The observatory is equipped with:

- **Celestron CGE Pro Telescope with Observatory Dome:** A 11 inch advanced Schmidt Cassegrain Optical telescope with auto tracking mount, along with the accessories and mechanically operated observatory dome.
- **Grating Spectrometer**
- **Holmarc 4' Reflective Telescope** (Manually operated)
- **CCD Cameras:** There are two Charge Coupled Device Cameras which enables the students to capture high quality pictures of the celestial bodies as well as to scientifically analyze the sky.
- **Photometer:** An SSP 3 Digital B-V Photometer
- **Radio Telescope:** 1420 MHz Spectral/Continuum Radio Telescope.

2. Internships:

The students generally select reputed national institutions like Indian Institute of Astrophysics Bengaluru, Indian Institute of Science Bengaluru, Tata Institute of Fundamental Research Mumbai, North Eastern Space Applications Centre Meghalaya, Indian Institute Of Technology Delhi , CSIR - National Institute of Oceanography Goa, Cosmic Ray Laboratory Ooty, Indian Institute of Space Science and Technology Thiruvananthapuram, Physical Research Laboratory Ahmedabad, Space Applications Centre Ahmedabad, Vikram Sarabhai Space Centre Thiruvananthapuram, National Remote Sensing Centre, National Atmospheric Research Laboratory Thirupati etc. for internships.

3. ACTIVITIES

- Hand on sessions using telescope
- Monthly astronomical observations.
- Astronomical Observation Camps

DEPARTMENT OF FISHERIES AND AQUACULTURE

Postgraduate Programme

M.Sc. Applied Fisheries and Aquaculture

Ph.D

Ocean Science and Technology

Certificate Courses

- Aquarium Keeping and Ornamental Fish Rearing
- Aquaponics, Recirculatory Aquaculture Systems

Contact

aquaculture@alberts.edu.in

The Research Department of Fisheries and Aquaculture, established in 1995, offers three U.G. Programmes B.Sc. Aquaculture, B.Sc. Industrial Fisheries, B.Voc. Commercial Aquaculture and one PG Programme, M.Sc. Applied Fisheries and Aquaculture, in addition to research leading to PhD in Ocean Science and Technology. The Department strives to provide quality education at par with international standards aiming towards healthy development. At the same time, the Department is committed to the society at large to popularize the concepts of responsible Fisheries and sustainable good Aquaculture practices

Milestones

- BSc. Aquaculture first started as an affiliated course in the year 1995.
- The B.Sc. Industrial Fish and Fisheries commenced in the year 1996.
- In 1996 purchased own Fish Farm (1ha) for demonstrating pond management studies, culture of fishes and shrimps at Pizhala, Kadamakkudy.
- The Post Graduate course in M.Sc. Applied Fisheries and Aquaculture started in the year 2002.
- In 2004 one of the most unique research group of the college the "Conservation Research Group (CRG)" started in the department.
- In 2012, the department was also one among five science departments in the college to be awarded financial support under the DBT Star College Scheme, Govt. of India.
- In September 2012, St.Albert's College, Kochi was selected as among 10 Best Colleges in the World working to conserve endangered species as a recognition of the contributions of the Conservation Research Group.
- In 2016, Entrepreneurship Skill Development Center installed for breeding and rearing of aquarium fishes and plants.

- In January 2016, the Department was recognized as Research Center by the Mahatma Gandhi University and became the first to be recognized as a Research Center under the University in the field of Fisheries Science.
- In 2019 , the Department was recognized as Research Center of Kerala University of Fisheries and Ocean Studies (KUFOS).
- The B.Voc. Degree Programmes (University Grants Commission approved) on Commercial Aquaculture started in the year 2020.
- In 2022, purchased another Fish Farm (10 acre) for demonstrating pond management studies, culture of fishes and shrimps at Perumpilly, Vypin.

VISION

To transform the Department into a Knowledge Centre of International acclaim in Fisheries and Aquaculture, through conscious efforts, focusing on research and extension, adopting a multi- disciplinary and collaborative approach.

MISSION

To provide Education, Research and Outreach needed by society to conserve fishery resources and ecosystem restoration.

Why M.Sc. Applied Fisheries and Aquaculture @ Albert's?

The programme is designed to mould highly skilled fisheries and aquaculture technicians having a thorough understanding of the core areas of the subject including skills related to taxonomic identification, chemical analyses, applied computing, aquarium fisheries management, health management in aquaculture, biotechnological applications, capture and culture technology management, resource conservation management and post-harvest technology management.

Programme Structure

First Semester

- Systematics and Taxonomy of Commercially Important Fishery Resources
- Biochemistry
- Biophysics, Instrumentation and Research Methodology
- Biostatistics and Computer Application
- Taxonomy, Biochemistry, Biophysics, Biostatistics and Computer Applications (P)

Second Semester

- Inland Aquaculture
- Ornamental Fisheries
- Craft and Gear Technology and Management
- Inland Aquaculture, Ornamental Fisheries (P)
- Craft and Gear Technology (P)

Third Semester

- Mariculture
- Fish Nutrition
- Microbiology and Quality Management
- Aquaculture and Fish Nutrition (P)
- Fishery Microbiology and Quality Control (P)
- Hatchery Training

Fourth Semester

- Post Harvest Technology
- Fish Processing Technology (P)
- Project
- Viva Voce
- On Job Training
- GROUP-A/GROUP-B

Group- A

- Fisheries Management
- Genetics & Biotechnology in Aquaculture
- Fish Health Management

Group- B

- Seed Production and Hatchery Management of Finfishes
- Soil and Water Quality Management in Aquaculture
- Seed Production and Hatchery Management of Shellfishes

Highlights of the Department

- Research activities in the department focus on fisheries and aquaculture related aquatic science research.
- Internationally well known 'Conservation Research Group' (CRG) in the department is committed to the conservation and sustainable use of biodiversity, and it was ranked as one of the top 10 colleges in the world working to save endangered species.
- Among the 19 faculty members in the department, 12 have Ph.D degrees.
- Own fish farms at Pizhala (1 hectare) and Perumpilly (10 acre)
- Full-fledged Fish Hatchery and Wet lab, Fish Biology lab, Microbiology lab, Fish Processing lab and Biochemistry Lab. In addition to that, the department is connected with centralized instrumentation lab with thermal cycler, gel documentation system, HPLC, gas chromatography, refrigerated centrifuges, high precision rotary and sledge microtomes (Leitz, Germany), research microscopes with photography attachment, rotary evaporator, UV Spectrometer, etc.
- Recognized Research Department of Mahatma Gandhi University (2016)
- Regularly participating in the Aqua-shows
- Functioning Entrepreneurship Skill Development Centre(ESDC) since 2013
- Recognized Research Centre of Kerala University of Fisheries and Ocean Studies (KUFOS) (2019)
- Functioning SCUBA diving club and Sea club
- Associating Vembanad Fish Count program

- Organising seminars and conferences in connection with international days
- Collaboration (MoU signed) with CIFT, NIFPHATT, CIAL, MES College, Food Safety Solutions International, REEF, AquaLeo, Indocert etc.
- Museum with indigenous fish and shellfish collections.
- Regularly organizing career guidance, Special coaching for higher studies in India & Abroad.
- Need based training for student entrepreneurs
- Organizing social outreach programs and extension activities
- Well designed curriculum inclusion of study Tour (IV), Field trips, OJT, Industrial visit, Farm visit, Hatchery visit etc.
- Several students now occupy key positions in governments, international organizations, universities, and research centers around the globe.

Collaborators and Recruiters

The Department has Memoranda of Understanding and collaborations with

- Research and Environmental Education Foundation
- Aqua Leo PADI Diving Centre
- INDOCERT Food Safety Training Programmes, Kuttamassery
- Food Safety Solutions International, Cochin
- MES Ponnani College, Ponnani
- NIFPHATT, Cochin
- CIAL, Cochin
- NETFISH, MPEDA
- SCUBA COCHIN
- NIFPHATT, Cochin
- ICAR-CIFT, Cochin
- Navadarsan (Education agency, Ernakulam)

Students get employment in central and state fisheries firms. Placements are also available in fish processing companies, hatcheries and fishery related companies within and outside Kerala

DEPARTMENT OF BOTANY

Postgraduate Programme

M.Sc Botany
(Biotechnology as elective paper)

PhD.

Certificate Courses

Herbarium Preparation and Management

Contact

botany@alberts.edu.in

The Department of Botany, one among the oldest Departments of the College, came into existence in 1947. It has been continuously striving to achieve a high level of excellence, in the field of education, research and outreach with a focus on plants and their environments. The Department has been on the path of progress with definite route maps to reach the zenith of its glory of service to mankind in the days ahead.

VISION

Leadership in Quality Science Education, Research & Innovation, through Teamwork, with a focus on basic scientific research and development. Department of Botany, St Albert's College, Ernakulam, has a mission to achieve a high level of excellence, in research as well as post-graduate education, without sacrificing the leading position established by the Department, in the field of education and outreach, on the patterns and processes of life, with a focus on plants and their environments.

MISSION

To develop the Department as a leading centre of Plant Sciences in the Country.

Milestones

- Undergraduate programme in 1947
- Post graduate programme in Botany in 1964
- Research centre in 2007
- Certificate programme in Herbarium Preparation and Management in 2021

Why M.Sc. Botany @ Albert's ?

Department of Botany has a legacy of 75 years. Majority of the faculty members are Ph.D holders with diverse research aptitude in basic as well as advanced areas of Botany. Students with research aptitude can continue their research under the supervision of the research guides of the Department. The smart classrooms ensures enhanced learning experience and provide easy access to online resources in the classrooms itself. Close association with Encon club and Nature club ensures direct acquaintance with nature. The tailor-made syllabus, guaranteed by the autonomous status of the college, enriched with the latest developments in biological sciences equips the students to pursue their careers with confidence.

Programme Structure

First Semester

- Microbiology and Phycology
- Mycology and Crop Pathology
- Bryology and Pteridology
- Gymnosperms, Paleobotany and Evolution

Second Semester

- Plant anatomy, Developmental Biology and Horticulture
- Cell Biology, Genetics and Plant Breeding
- Plant Physiology and Biochemistry
- Molecular Biology

Third Semester

- Research Methodology, Phytochemistry, Biostatistics and Biological Techniques
- Biotechnology, Bioinformatics and Bionanotechnology
- Angiosperm Taxonomy, Economic Botany and Ethnobotany
- Environmental Science

Fourth Semester

- Plant Tissue Culture and Microbial Biotechnology
- Genetic Engineering, Genome Editing and Immunology
- Genomics, Transcriptomics, Proteomics and Bioinformatics

Highlights of the Department

- Research centre
- Department and centralized instrumentation lab with Thermal cycler, Gel documentation system, HPLC, Gas Chromatography, Refrigerated centrifuges, High precision rotary and sledge microtomes (Leitz, Germany), Research microscopes with photography attachment, rotary evaporator, UV Spectrophotometer, etc
- Full-fledged Tissue-culture Lab
- Online digital herbarium (Regd. to Index Herbarium, USA)
- Museum with specimens from all plant groups.
- Smart classrooms
- Botanical Garden

DEPARTMENT OF CHEMISTRY

Postgraduate Programme

M. Sc. Chemistry

Ph. D.

Certificate Courses

Traditional and Modern Techniques in
Water Quality Management

Cosmetics and sanitary formulations with
special reference to herbal ingredients

Contact

chemistry@alberts.edu.in

The Department of Chemistry, one of the pioneering Departments in the College, came into existence in 1947, the year in which the College started functioning. Over the years the Department became a post graduate Department and a Research Centre. The Department continues its journey to excellence upholding academic values and social commitments.

Milestones

- Established in 1947 with the inception of the three-year degree course.

- Became a Post Graduate Department in 1982.
- Approved by Mahatma Gandhi University as a Research Centre in the year 2000.
- Accredited by the Kerala State Pollution Control Board as a B Grade Analytical Laboratory in 2007.
- The Department of Science and Technology, Govt. of India, has identified the department as a “FIST Aided Department” in 2008 and in 2013.
- One of the beneficiary Departments of “Star College” scheme of Department of Biotechnology (DBT), Govt. of India.
- In 2024 B. Sc. (Honours) programme started.

VISION

To be a Department of excellence in chemistry, and to become a Research & Development Centre in the field of chemical science on par with industry and society, thereby establishing a balance between education, innovation, research and service.

MISSION

To advance in chemical sciences through the education of undergraduate, postgraduate and research students by providing quality education, research opportunities and job prospects, enabling them to excel in the field of Chemistry.

Why M. Sc. Chemistry @ Alberts's ?

- Highly efficient Faculty Members with research experience from National/International Universities
- Training on sophisticated laboratory equipments.
- Research oriented teaching and learning process.
- Opportunities for OJTs, Internships and project works at reputed Industries/Institutes.
- Opportunity for higher studies in reputed national/international institutes or Universities.

Programme Structure

First Semester

- Coordination Chemistry
- Organic Chemistry - I
- Quantum Chemistry and Group Theory
- Thermodynamics, Kinetic Theory and Statistical Thermodynamics

Second Semester

- Organometallics and Nuclear Chemistry
- Organic Chemistry - II
- Chemical Bonding and Computational Chemistry
- Molecular Spectroscopy

Third Semester

- Structural Inorganic Chemistry
- Organic Syntheses
- Chemical Kinetics, Surface Chemistry and Crystallography
- Spectroscopic Methods in Chemistry

Fourth Semester

- Advanced Inorganic Chemistry
- Advanced Organic Chemistry
- Advanced Physical Chemistry

First and Second Semester Practicals

- Inorganic Chemistry Practical - I
- Organic Chemistry Practical - I
- Physical Chemistry Practical - I

Third and Fourth Semester Practicals

- Inorganic Chemistry Practical - 2
- Organic Chemistry Practical - 2
- Physical Chemistry Practical - 2
- Project
- Viva-voce

Highlights of the Department

- Well-equipped laboratories with Sophisticated Instruments
- Class rooms with modern ICT tools
- High student progression
- Curricular and extra - curricular student centric activities
- MoUs with reputed Industries / Academic Institutions
- External students do their Master projects under the guidance of our faculty members

Collaborations and Recruiters

Collaborations with research institutes ensure the developing needs of the students and faculty. The Department of Chemistry has different types of collaborations, with neighboring institutions, International and National Universities, research centers and industries. These collaborations bring a network to provide students with professional training, reflection and advice.

MoUs

- ISF Chitin and Marine Products LLP, Kannamali
- Axiom Laboratories, Ernakulam
- Integrated Rural Technology Centre, Palakkad
- Riotech Industries, Pala
- Science Centre, Kodungalloor
- Catholicate College, Pathanamthitta
- St. Peter's College, Kolenchery
- St. Gregoreous College, Kottarakkara
- Navadarshan, Ernakulam
- IGNOU , Regional Centre, Sree vijaya puram, Andaman Nicobar Islands

Academic Collaborations

- Vigyan Sagar Science Park, Thrissur
- Rubber Park India Ltd.
- Inter University Centre for Nanomaterials and Devices, CUSAT
- Department of Polymer Science and Rubber Technology, CUSAT
- Department of Chemical Oceanography, CUSAT
- IGNOU Regional Centre, Trivandrum
- Various Colleges (Sacred Heart College Thevara, Dewaswam Board College, Thalayolaparambu)

Recruiters

The students in the Department of Chemistry have a wide opportunity for placement in various reputed firms in India and abroad. Every year, many of the recruiting agencies conduct their campus drive for placement in our College. Students of the Department secured placements in various reputed institutions like Dr. Reddy's Lab, MRF Tyres, Appollo Tyres, Cochin Refinery, FACT, TCC, Indian Rare Earths, Axiom Laboratories, ISF chitin and marine products LLP and so on.

Financial Accounting with GST

History of Trade and Commerce in India

Contact

commerce@alberts.edu.in

commercesf@alberts.edu.in

commercedepartment@alberts.edu.in

The Department of Commerce and Research Centre, one of the oldest departments of the College, believes in developing and nurturing global competencies in students through quality education, research and continuous innovation. It provides an excellent environment to nurture commerce professionals with a high level of knowledge and competence to effectively contribute to society with commitment and integrity.

The department offers value-added professional courses through its add-on programs. One such course, “Financial Accounting with GST using Tally,” focuses on practical accounting skills. Another, “History of Trade and Commerce in India,” explores the evolution of trade from traditional to modern times. The department offers programmes leading to B.Com (Taxation), B.Com (Accounting), B.Com (Co-operation) and B.Voc. Professional Accounting & Taxation. We not only prove ourselves in academics but also in co-curricular and extra-curricular activities. A look at the academic achievement of our departments as well as the number of awards won at national and international sports and cultural competitions, the numerous experts and visitors as well as the multitude of societies that college is buzzing with bears testimony to the rich array that characterizes our department.

Milestones

1963 : Started B. Com Finance and Taxation

1981 : Started M. Com Finance

1998 : Research Centre of MG University

2012 : Started B. Com Computer Application (offered as specialization in Accounting from 2024 Admission onwards - FYUGP)

2015 : Started B. Com Finance and Taxation (SF)

2020 : Started B. Com Cooperation (SF), B. Voc Professional Accounting and Taxation, and M. Com Finance (SF)

2021 : Started B. Com Finance and Taxation (SF) (AN)

VISION

An educative community marked by excellence and integrity.

MISSION

To mold competent, disciplined, and ethically conscious citizens through higher studies and research in Commerce

Why Commerce @ Albert's?

M.Com course provides quality education to the students serving the needs of the managerial cadre in business and industry. It also serves the purpose of research and teaching in business studies. In this course, students will get in-depth knowledge about Principles of Accounting, Income Tax, Quantitative Techniques, Management Optimization Techniques, Marketing and Research, Organizational Behaviour etc. Students who are interested in becoming teachers, lecturers, professors and who wish to pursue higher education (PhD.) usually prefer this course. This course will mould the student in such a manner as needed by the competitive corporate environment. There are lots of career opportunities after M.Com, both in the Private and Public sector. The student can apply for government sector jobs, work in the corporate world, work as a teacher/lecturer in different colleges and universities and also in banks as Customer Relationship Executive and Probationary Officer.

Programme Structure***First Semester***

- Specialised Accounting
- Organisational Behaviour
- Marketing Management
- Management Optimisation Techniques
- Methodology For Social Science Research

Second Semester

- Advanced Corporate Accounting
- Human Resource Management
- International Business and Finance
- Quantitative Techniques
- Strategic Management

Third Semester

- Strategic Financial Management
- Income Tax – Law and Practice
- Security Analysis and Portfolio Management
- Indirect Tax Laws

Fourth Semester

- Advanced Cost and Management Accounting
- Income Tax – Assessment & Procedures
- Derivatives and Risk Management
- Personal Investment and Behavioural Finance
- Project Report
- Comprehensive Viva Voce

Highlights of the Department

Entrepreneurial Activities

To make the students aware of the possible benefits of being an entrepreneur, our Department conducts Budding Entrepreneurs–Hands–on training in different entrepreneurial skills and Impresario – Entrepreneurial Talks – to ignite the entrepreneur in the students.

Inspire Talks

To inspire the students through talks by various successful persons.

Research Methodology Training

The Department regularly conducts training and development seminars for developing research aptitudes of faculty members and students.

Industrial Expert Talks

Students gain in–depth knowledge about the recent industry trends, which helps them develop holistically

Touch to Heal

In collaboration with the Government Hospital, the Department of Commerce has organized a social outreach activity where the students spend a day with the inmates of the Hospital. Medicines are provided with the money earned by the students from various activities such as Food festivals, crafts stalls, and various other initiatives held in the College. The isolation and cancer wards are visited, and the students are allowed to interact with the inmates to feel compassion for them. This initiative makes the students aware, and they learn to empathize with the sufferings of the poor, marginalized and underprivileged sections of the society.

SORRY – Shouldn't Our Resource Remain Years–Long

As Global climate change takes its toll on India, there has arisen an indispensable need for a people's movement to tackle this environmental catastrophe. To impart this knowledge, "SORRY"– Shouldn't Resource Remain Years–long, a Mega Project was launched by the Department of Commerce and Research Centre of St. Albert's College (Autonomous).

Collaborations

The educational field in the present scenario focus more on tie ups with collaborators in the form of industrial, service sector and other skill based units. Behind every pertinent aspect such as economic development, industrial growth, policy planning, business innovation and other significant economic aspects, the presence of experienced academicians play a significant role. To fulfill this, the Department of Commerce and Research Centre ensures collaborations with our prestigious collaborators thus, students will be able to identify the changes in business conditions, economical aspect and other areas which mould them in such a way that they train themselves to be the best for the educational institution and the society. Gradually this will enable to build an economy filled with good researchers and efficient human resource that caters to all the sections of the society.

Recruitments

The Placement Cell of St. Albert's College (Autonomous), Ernakulam is a largely student–driven, professional body incorporated for facilitating recruitment of the country's best minds by global corporates. Over the years, the Placement Cell has experienced the visit of leading corporates including consulting giants, finance specialists and other renowned companies catering not only to placements but also to internships and articleships.

DEPARTMENT OF COMPUTER SCIENCE

Postgraduate Programme

M.Sc Computer Science

Certificate Courses

Data Visualization using Python

Contact

computerscience@alberts.edu.in
sd@alberts.edu.in

The Department of Computer Science was established in 2015 to prepare students to excel as software professionals and for advanced studies in computer science. The Department develops and works with various technologies to build systems and applications that help solve today's problems and share skills and knowledge with the community. The Department offers B.Sc. Computer Science (**Honours**), M.Sc. Computer Science [Machine Intelligence] and B. Voc Software Development programmes in the field of computer science. The Department promotes student seminars, presentations, project works and assignments. Apart from that, the Department provides a Certificate Programme

on Internet of Things (IoT) and R Programming. The Department also conducts various interaction programmes with industry experts every month. Every year the computer literacy week is celebrated by conducting curricular and co-curricular activities. The students are admitted to the programmes through careful screening and other admission criteria.

MILESTONES

- Established in 2015
- Started B Sc Computer Science Programme in 2015
- Started M Sc Computer Science Programme in 2020
- B.Voc Software Development Programme in 2020
- Certificate Programme in Introduction to Internet of Things (IoT) in 2019
- Certificate Programme in R Programming in 2021

VISION

To evolve into an esteemed centre of excellence in education and research, which contributes to individual and the upcoming knowledge-based society in the field of technology.

MISSION

To mould well-qualified professionals through career-based courses and well-established technical environments in the field of Information Technology who are committed to society.

Why Computer Science @ Albert's?

The Programme provides the fundamental principles of Computer Science, such as the theoretical foundations of programming and gives numerous opportunities to apply these principles in relevant social and business contexts. The courses are designed to provide practical learning and knowledge with problem-solving skills to equip students to excel in Information Technology. The Department offers an excellent academic environment. A team of experienced and dedicated faculty and eminent representatives from the industry blend both teaching and industry experience. In addition, the Department has an association. It organizes various national, international seminars/webinars, conferences, interaction with industry experts, workshops, hands-on training, and Industrial Visits to remain connected with the industry and acquire knowledge and skill in the latest technologies.

Some areas of recruitment for the course are:

- Engineering
- Artificial Intelligence
- Networking
- Material Science
- Research & Development

Programme Structure

First Semester

- Computational Mathematics
- Database Management system and SQL
- Operating Systems
- Advanced Java Programming
- Lab I [Java & SQL]

Second Semester

- Advanced Data Structures
- Computer Networks
- Software Engineering
- Advanced web Technology
- Lab II [DS using Java, PHP]

Third Semester

- Data Mining and Machine Learning
- Elective -I Deep Learning / Big Data Analytics / Social Media Mining
- Python Programming
- Research Methodology and Technical Writing
- Lab III [Machine Learning Using R]
- Mini Project

Fourth Semester

- Foundations of Artificial Intelligence
- Elective -II Digital Image Processing / Soft Computing / Statistical Computing for Data Analytics
- Elective -III Introduction to Cyber Security / Applied Cryptography / Ethical Hacking
- Main Project
- Course Viva

HIGHLIGHTS OF THE DEPARTMENT

- **Connect with Industry**

The Department of Computer Science proactively collaborates with the companies from the industry to ensure that our students and faculties are always updated with the latest technology trends. The department organizes Seminars, Workshops and Trainings as part of our skill development programs.

- **Connect with Alumni – IT Professionals**

The Department has a vibrant alumni community with interesting, accomplished, and varied careers. Building relationships with alumni is a great way to learn, create a supportive professional community for our students, and discover hidden opportunities.

The alumni of our department help our students in :

- ★ Gaining insights into industries and organizations
- ★ Learn about opportunities, Expand professional network and community
- ★ Find mentors who can support in your career journey
- ★ Build job-search skills

- **Computer Literacy Week celebration**

As part of the computer literacy week celebration, Department of computer science, St. Albert's College (Autonomous) organizes various technical session on IT and Technology every year. The aim of conducting this programme is to prepare the students for the development of technological skills.

- **Coding Hackathon**

The Department of Computer Science, St. Albert's College (Autonomous) organizes a state wide Coding Hackathon every year. The aim of this event is to test the programming capabilities of Undergraduate Students in the field of Computer Science.

- **IT fest**

The Department of Computer Science, St. Albert's College (Autonomous) organizes Intercollege IT fests every year. This event plays an important role in motivating the future graduates to take up more challenging and competitive projects.

- **Soft Skills Development Programmes**

As part of the placement oriented-soft skills development, Department of Computer Science organizes Placement Oriented-Soft Skills Development Programmes such as Professional Grooming, Professional Resume Preparation, Interview Techniques, Corporate Aptitude and Group Discussion Sessions.

- **Fully fledged UG, PG and Robotics Lab.**

- **Placement Assistance**

The Department offers placement assistance by connecting with various companies from the industry. The department also provide our students with grooming sessions and soft skill development trainings to make them ready to face the interviews.

Certificate Course on Bank Management

Certificate Course on Entrepreneurship Development

Indian Knowledge Systems: Exploring Arthashastra

Contact

economics@alberts.edu.in

The Department of Economics is one of the oldest departments in the college with more than 76 years of tradition in academic excellence. The Department was established in the year 1946 with a Pre- University course and in 1947, Degree course in Economics was introduced. In 2013, the department was upgraded to a Post Graduate Department in the college. The Department of Economics has recorded a consistent improvement in its academic, research and placement performance. It provides a variety of resourcefully designed courses and curriculum and is continuously modernized to meet the changing requirement of the modern world to meet the needs of the students. The department has a reputation of creating good citizens with personal and social responsibilities. The Department has a long history of organizing regional, national and international seminars, invited lectures and workshops. The Department has a student strength of above 200 with 6 permanent faculty members.

Milestones

- Established in 1946 with the Pre-University course
- Degree Course in Economics was introduced in 1947
- Post Graduate degree Course in Economics started in 2013
- Introduction of UGC sponsored Foundation course on Human Rights in the year 2015-16 academic year and continued for 5 years
- Introduction of UGC sponsored MOOC on 'Economic History of India from 1857 -1947'
- Introduction of Certificate course on Bank Management in 2019
- Commencement of Certificate course on Entrepreneurship Development in 2020
- Certificate course on Indian Knowledge Systems: Exploring Arthashastra launching in 2025

Why M A Economics @ Albert's?

The Department of Economics, St. Albert's College (Autonomous), Ernakulam has a long tradition of academic excellence and leadership and ensures highest quality of learning to all. It acts as a catalogue of impact driven educational programme through providing numerous opportunities for the students like research participation, social outreach and extension programmes, interactive sessions with eminent Economists, internships ,Industrial visits, campus placements & life skill programmes etc. aim at the holistic and sustainable development of the students. Exclusive coaching programs for cracking UGC-NET, Indian Administrative Service, Indian Economic Service and other various competitive examinations.

Programme Structure

First Semester

- Microeconomics-I
- Macroeconomics-I
- Development Economics
- Indian Economy-I
- Mathematical Methods For Economic Analysis

Second Semester

- Microeconomics-II
- Macroeconomics-II
- Public Economics
- Indian Economy-II
- Statistical Methods For Economic Analysis

Third Semester

- International Economics
- Econometrics-I
- Heterodox Economics
- Environmental Economics
- Kerala Economy

Fourth Semester

- International Finance
- Econometrics-II
- Agricultural Economics (Elective)
- Industrial Economics (Elective)
- Labour Economics (Elective)
- Project/Dissertation
- Comprehensive Viva -Voce

Highlights of the Department

The Department of Economics consists of 6 permanent faculty with 5 PhD holders who are experienced in diverse domains of knowledge especially in the realm of Economics and Political Science and a student strength of 210. The Department is equipped with ICT enabled classrooms to enable the advancement of knowledge and learning in the realm of Social Science. Need based certificate courses in Bank Management and Entrepreneurship development enable the students to achieving high standards of academic performance and awareness on economic roles. Newly Launching Certificate courses on Indian Knowledge Systems: Exploring Arthashastra, enables the learners to explore the principles, concepts and relevance of Arthashastra in modern times.

Collaborators and Recruiters

DEPARTMENT OF ENGLISH

Postgraduate Programme

MA English

Certificate Courses

Albertian English Language Programme

Contact

englishsf@alberts.edu.in

The rich history of the Department spans more than seven decades. The Department had its inception in 1951. Prof Matthai, a renowned Latin scholar and classmate of the Malayalam poet Changampuzha, was the first Head of the Department of English. Over the years, the Department has been actively engaged in augmenting the academic rigour of the students. The Department started the MA English programme in 2005.

Milestones

- B. A. English Language and Literature programme began in 2000
- M. A. English programme began in 2005

VISION

To envision the Department as a centre for academic excellence, professional expertise, and contextual research in English Studies and balance the needs of general education – communication, diversity, global perspectives, interdisciplinary studies – with those of the major.

MISSION

To enable students from diverse educational backgrounds to develop in-depth knowledge of language, literature and culture to achieve their academic and professional goals and also introduce students to the tools of research and broaden their critical sensibilities.

Why English Language and Literature @ Albert's?

The Department of English at St. Albert's College (Autonomous) provides an atmosphere of learning where students and teachers can interact freely and openly to expanding the horizons of knowledge. A well-maintained Department library, opportunities to write and publish their creative works, experienced faculty members, internships and rigorous training to prepare students for higher education and competitive exams are some of the factors that attract students to pursue their studies in English Language and Literature at St. Albert's College (Autonomous).

MA English is gaining popularity not only as a postgraduate degree in language but also for its multifarious opportunities for employability. In addition to learning language, it is the application of language in various fields that has made it attractive. On completion of the programme, in addition to teaching, students can gain employment in IT, advertising or media as Content Writers or Creative Copy Writers. Students can continue education in research or in academia, not only in school or colleges but in language-specific institutes.

Programme Structure

First Semester

- Up Until Chaucer: Early Literatures in English
- Literatures of the English Renaissance
- Literatures of the English Revolution | Enlightenment
- Nineteenth Century English Literatures
- Literary Criticism

Second Semester

- Modernity and Modernisms
- Postmodernism and Beyond
- American Literatures
- English Language History and Contemporary Linguistics
- Thinking Theory

Third Semester

- Reading India
- Postcolonial Fiction
- Body, Text and Performance
- Literature and Gender
- Ethics in/as Literature

Fourth Semester

- Cultural Studies
- Postcolonial Poetry
- English Language Teaching (ELT)
- Studying Translations: Aspects and Contexts
- Dalit Studies

Highlights of the Department

- TEA@albert's – The English Association.
- MELA – MELA is a literary magazine by the students and for the students. TEA@alberts (The English Association at Albert's) encourages students to publish their original creative works. Therefore, MELA can be regarded as the perfect avenue for budding young writers.
- ARL – ARL is a peer-reviewed journal published by the Department of English. In addition, the ARL regularly publishes original and unpublished research articles in English from students, research scholars and faculty members.
- Department Yearbook – Released every year encompassing the profiles and achievements of the students and members of faculty of the Department.
- AELP – Coordinated by the Department of English.
- Kandal Reading Club – A space for students to enhance their reading habits and hold regular discussions and performances.
- AKS – Albertian International Knowledge Summit conducted every year with experts from various parts of literary studies.
- MoUs
- Internships
- Updated syllabus for the programmes offered.

DEPARTMENT OF LOGISTICS MANAGEMENT

Postgraduate Programme

M.Voc Logistics and Supply Chain Management

Certificate Courses

Personal Enhancement Lab

logistics@alberts.edu.in

 [Logistics at Alberts](#)

 [logistics_alberts](#)

 [Logistics_Alberts](#)

First time in Kerala, a University has started a 3-year full-time UG Degree Programme in Logistics Management, in St. Albert's College. The University Grants Commission (UGC) has launched a scheme on skills development based on higher education as part of college/university education, leading to Bachelor of Vocation (B.Voc) degree, an undergraduate course with multiple exits as Diploma / Advanced Diploma / Degree under the National Skill Qualifications Framework (NSQF). Department of Vocational Studies in Logistics Management is successfully continuing its journey since 2014 in St. Albert's College (Autonomous), Ernakulam. The B.Voc Logistics Management is a three-year programme which was commenced in the academic year 2014 November and it gained its momentum gradually. Now the programme is a self-financing course since 2017. In the academic year 2020 November, UGC has launched a programme M.Voc Logistics and Supply Chain Management in addition to the B.Voc program. where it fledgs with 7 full time faculties and 160 plus students .

MILESTONES

- 2014: First time in Kerala, a University has started a 3-year full-time UG Degree Programme in Logistics Management, in St. Albert's College .
- 2014 : A fully vocational skill enhancement Programme, under Logistics Sector Skill Council, Ministry of Human Resources, GOI, commenced the first Batch, in November 2014, under the Department of Commerce.
- 2015 : Became an independent Department (Dept. of Vocational Studies – DVS)
- 2017 : Secured 2nd and 3rd rank in MG university examination.
- 2017 : Fourth batch came into the self-financing status, with an inter-state diversity.

- 2020 :UGC has launched an additional programme M.Voc Logistics and Supply Chain Management in St.Albert's College Ernakulam.

VISION

“To be a Centre of Excellence in the field of Logistics and Supply Chain Management through high quality knowledge sharing and growing with Academics and Corporate, for the Community.”

MISSION

“To inspire, guide, and equip future Logisticians, to perform their tasks efficiently and effectively. We will strive for their real transformation and eradicating all shortcomings from their lives so that they always satisfy their customers”.

Why Logistics @ Albert's?

Shipping and Logistics is the right career option for individuals who are interested in transportation business management in India. With various opportunities available in the industry, shipping and logistics can be a very advantageous career .The Bureau of Labor Statistics projects 4.4 percent employment growth for logisticians between 2019 and 2029. With the rapid growth of e-commerce and other related industries, transport & logistics courses has become an important aspect. Logisticians populate almost every field, from retail to finance to government. In the private sector, they handle shipping, distribution, warehousing and quick deliveries to customers. As the College is located in Ernakulam, the port city of Kerala. Students gain International exposure in various Logistics industries like Sea port ,Airport ,Freight forwarding , Logistics Companies etc. The on-the job training and Internship provided in the academic program give the students a live experience in the field of International Logistics in addition to theoretical Knowledge .

Programme Structure

First Semester

- Organizational Behavior
- Quantitative Techniques
- Principles of Management
- Entrepreneurial Development
- Fundamentals of Accounting
- Business Communication
- Fundamentals Of Logistics

Second Semester

- Research Methodology
- Human Resource Management
- Export Import Management
- Operations Management
- Warehouse & Inventory Management
- Port Operations
- Internship

Third Semester

- Business Ethics
- Managerial Economics
- Marketing Management
- Financial Management in Logistics
- Air Cargo Management
- Global Supply Chain Management
- Shipping & Ocean Freight Logistics

Fourth Semester

- Shipping & Maritime Law
- Operations Research
- Environmental Management
- International Logistics Management
- Artificial Intelligence in Logistics
- Major Project & Dissertation

Innovative Programmes and Activities

- **Epifano**– An exhibition cum sale to boost up the entrepreneurial functional area of students.
- **Novalise** – Academic extension program to aspire the higher secondary students for a better academic prospectus.
- **Snehasparsham** – Social outreach program to extend our helping hands to disabled community.
- **Meraki**–Establishing and sustaining the network channel among the Alumni of Department of Logistics Management.
- **Cheer-up society** – Social outreach program to help the needy people in and around students residing area.
- **Placement webinar series** – A training program to prepare students to face the interview and a better job career in industry .
- **Crapex** – Creative tool to turn up waste products into useful products for the society.
- **Logistics Cup** - An Inter-College Football Fest promoting sportsmanship and a drug-free future.

Collaborators

We have signed MoU's with various Logistics Organization for internships and expert talks and knowledge sharing. Our collaborators include Mereena Group of Companies and Fusion Shipping Worldwide Pvt Ltd India. It allows all parties to clearly state all of their objectives and goals. This makes for less uncertainty and prevents future unexpected disputes to occur. Furthermore, by clearly laying out what each party expects of the other, an MOU provides a blueprint for any contract both parties may or may not wish to draw up in the future.

The department is named after Rev. Dr. Augustine O Konnully who was a great mathematician and philosopher acclaimed nationally and internationally. He was the first person to acquire Ph.D in Mathematics from the University of Kerala at the time when it was the only University in Kerala. The Department of Mathematics is DST-FIST Funded from 2014.

Milestones

- B.Sc Mathematics (1947)
- M.Sc Mathematics (1964)
- Ph D Programme (1998)
- Ph D Course Work (2012)
- Certificate Course on Numerical Ability (2016)
- M Sc Integrated Programme in Basic Sciences – Statistics (2020)

VISION

To be in the forefront in facilitating effective teaching, learning, research and consultancy in Mathematics.

MISSION

To prepare a student such that, when leaving college after completion of a course, he/she is equipped with a positive frame of mind, has basic mathematical and communication skills, should have acquired the ability to explain something logically, and above all, should have developed a balanced personality.

Why M.Sc Mathematics @ Albert's?

We are fortunate to be backed by a team of highly talented, dedicated and committed faculty members. With a very amiable and professional environment, our faculty members make substantial contribution to the academia through quality teaching, curriculum design, publications, conferences, etc. They are actively involved in their pursuit of creating and disseminating knowledge through teaching, research and training. The corporate and industry interactions not only provide hands-on experience but also help in placement of our students.

As a prospective student in pursuit of knowledge, you are welcome to explore the options available in the department. As a student, you can definitely expect to have an enriching experience that should propel you to make the best of the opportunities available. As a parent of a student, we assure you of a very enriching and productive time that your ward will be spending with us.

Programme Structure

First Semester

- Abstract Algebra
- Linear Algebra
- Basic Topology
- Real Analysis
- Graph Theory

Second Semester

- Advanced Abstract Algebra
- Advanced Topology
- Numerical Analysis with Python
- Complex Analysis
- Measure Theory and Integration

Third Semester

- Advanced Complex Analysis
- Partial Differential Equations
- Multivariate Calculus and Integral Transforms
- Functional Analysis
- Optimization Techniques

Fourth Semester

- Spectral Theory
- Analytic Number Theory
- Combinatorics
- Differential Geometry
- Algorithmic Graph Theory

Collaborators

- MoU with Paravoor Block Panchayath for extension activities and adopting the villages

- Collaboration with Pollution Control Board in sharing data and related research work
- MoU with RSET
- MoU With KAHM Unity Women's College, Manjeri

DEPARTMENT OF PHYSICS

Postgraduate Programme

M.Sc. Physics

Ph.D

Certificate Courses

Certificate Programme in LaTeX

Certificate Programme in Ancient Indian-
Astronomy

Contact

physics@alberts.edu.in

Physics, which also means ‘knowledge of nature’ is a branch of natural science that is based on experiments, observations, measurements, and mathematical modeling, with these tools we are searching for the quantitative physical laws for everything in our Universe ranging from the nanoworld of the microcosmos to the planets, solar systems, and galaxies. Many of our daily life technologies and inventions that we have taken for granted now are the results of discoveries in physics. The basic laws in physics are

universal, but in this current era, physics is such a vast field that many of its subfields have emerged as separate science fields.

“The study of physics is also an adventure. You will find it challenging, sometimes frustrating, occasionally painful, and often richly rewarding.” – Hugh D. Young.

The Department of Physics was established in 1947 with the inclusion of Bachelor’s degree programme in our college. The Department of Physics became a Postgraduate department in 1997 with the implementation of the M.Sc Physics programme. In 2016 the University Grant’s Commission granted us academic autonomy, with this we started to design our own curriculum and syllabi that nourish young minds to excel in the field and life.

We conduct various programmes for the academic enrichment of students. We implement several teaching-learning methods, such as classroom seminars, group discussions, quiz programmes, thought experiments, project work, etc. that complement the conventional lecture method. The department conducts a certified course in LaTeX. Remedial classes for the weak and enrichment programmes for advanced learners are conducted as per schedule. Tutorial assistance for every student and counselling for the needy are done regularly. Under the guidance of a faculty member students carry out a project based on the curriculum, thus promoting research culture. The Department organises regular extension programmes, that promote the moral standard of the students. The Department regularly organises seminars by experts on different advanced and relevant topics in Physics, career guidance and Personality Development.

The Department has a library of its own, that has a collection of books on various topics relevant to their curriculum. Students are also encouraged to participate in seminars, workshops and conferences both within and outside the College. They are also encouraged to do projects at different research institutes.

Milestones

- 1946 Establishment of Department.
- 1947 Started Under Graduate Programme.
- 1997 Started Post Graduate Programme.
- 2011 Started M.Sc. Space science and Technology.
- 2014 Started B.Voc. Renewable Energy.
- 2019 Started Certificate Programme on Latex.
- 2020 Started M.Voc. Renewable Energy.

VISION

Leadership in Quality Science Education, Research & Innovation, through teamwork, focusing on basic scientific research and development.

MISSION

Taking inspiration from the Eternal Teacher, Jesus Christ, we are dedicated to promote and foster a culture of high-quality teaching, learning and serving societal needs by encouraging, generating and promoting excellence in research and extension activities.

Why M.Sc. Physics @ Albert's ?

- Located in the heart of the city
- Experienced Faculty Members with academic, research, and industrial exposure.
- Theoretical learning is supplemented with the practical laboratory experience.
- Smart class rooms.
- Higher end instruments like e-Beam gun, SMUs, Impedance analyser, High Vacuum unit, Automated CSP unit etc. are installed in the department.
- Centralised Research lab accessible to students for projects.
- Support for advanced learners and slow learners.
- Coaching for competitive exams and career guidance.
- Students cleared national/ international level tests and placed in prestigious institutions in and abroad.
- Good placement record.

Programme Structure

First Semester

- Mathematical methods in Physics I
- Classical Mechanics
- Electrodynamics
- Electronics
- General Physics Practicals

Second Semester

- Mathematical methods in Physics II
- Quantum Mechanics I
- Statistical Mechanics
- Condensed Matter Physics
- Electronics Practicals

Third Semester

- Quantum Mechanics – II
- Computational Physics
- Atomic and Molecular Physics
- Digital Signal Processing
- Computational Physics Practicals

Fourth Semester

- Nuclear and Particle Physics
- Introduction to Embedded Systems
- Semiconductor Devices
- Advanced Electronics Practicals
- Project and Viva Voce

Highlights of the Department

- Advanced laboratory facilities with sophisticated instruments.
- Indigenously developed sophisticated material deposition and characterisation tools.
- Active research in frontier research topics.
- Research and academic collaboration with institutes and industries in and abroad.
- Opportunity to work on externally funded projects.

Collaborators

- Department of Physics, CUSAT.
- Department of Physics, University of Kerala.
- Department of Physics, M. A College, Kothamangalam.

Recruiters

DEPARTMENT OF ZOOLOGY

Postgraduate Degree Programme

M.Sc Zoology

Ph. D. Zoology

Certificate Courses

Basic Microbial Techniques

Contact

zoology@alberts.edu.in

Being a gateway to the diverse areas of modern biology, the Zoology Department emphasizes critical thinking and conceptual skills that come from an understanding of how scientific information is obtained and evaluated and of how this information can be applied to societal issues. The Department of Zoology started functioning as a collegiate department in 1947, one year after the inception of St. Albert's College as a second-grade college in 1946.

A central theme that stitches together the diverse group of faculty and students in our department is a shared value in promoting research and teaching that integrates knowledge and understanding across levels and scales of Zoology. We are interested in the intersections and integration of biological processes across levels. We view this vertical integration as

central to our identity. Our research spans the frontier areas of life sciences including Toxicology, Genomics, Physiology, Ecology, Systematics, and Medical Microbiology. The Department also provides a precise platform for the students for collaborations with various recognized research institutions.

Milestones

- 1947 – Year of Establishment and Commencement of UG programme – B.Sc Zoology
- 1992 – Prof. Joseph Leslie Nedungadan of Zoology department appointed as the eighth Principal
- 1995 – First department to establish a job oriented UG programme – B.Sc Aquaculture
- 2002 – Designed the curriculum for M.Sc Zoology with Medical Microbiology and started the course for the first time in Mahatma Gandhi University.
- 2007 – Recognized by Mahatma Gandhi University [MGU] as a Research Centre in Zoology.
- 2012 – Prof. Harry Cleetus of Zoology department appointed as the fifteenth Principal.
- 2012 – One among the first departments to receive 5 year funds under the DBT Star College Scheme.
- 2016 – Dr. M.L. Joseph of Zoology department appointed as the sixteenth Principal.

- 2016 – Dr. Vincent Terrence Rebello became the first Dean (Academics) after the college was granted autonomy.
- 2016 – Prof. K. J. Benny became the first CoE after getting autonomy to the college.
- 2016 – Dr. Asha Raj become first doctoral student of this department to get Ph.D. in Zoology from MGU.
- 2019 – Recognized by Kerala University of Fisheries and Ocean Studies [KUFOS] as a Research Centre in Microbiology.
- 2019 – Certificate course started in ‘Basic Microbial Techniques’

VISION

- ***To inculcate an awareness to explore, understand and conserve animal diversity.***
- ***By strengthening the teaching learning process through innovative practices, the department will stimulate the spirit of scientific enquiry and discovery in academics.***

MISSION

- ***To involve the department in community-based and outreach activities, whenever and wherever possible.***
- ***Encourage the students to mould passion into profession.***

Why M.Sc Zoology @ Albert's?

The programme integrates biological knowledge to allied disciplines and inculcates interest in biodiversity, various ecosystems, its interactions and laws governing their conservation. Intellectual competency with innovative ideas and research aptitude enhanced with specialization in microbiology can avail career opportunities in higher education, scientific projects, health care, environmental and industrial organizations. The Department offers certificate programme and this will add more value to the student's profile. A strong and long teacher-student relationship helps the teachers to meet the individual student needs and this indeed ensures the students to excel in their career and also a successful future.

Programme Structure

First Semester

- Animal Diversity: Phylogenetic and Taxonomic Approaches (T)
- Evolutionary Biology and Ethology (T)
- Biochemistry (T)
- Biostatistics and Research Methodology (T)
- Animal Diversity: Evolutionary, Ethological and Biochemical Methods & Approaches (P)

Second Semester

- Field Ecology (T)
- Developmental Biology (T)
- Genetics and Bioinformatics (T)
- Microbiology and Biotechnology (T)
- Diversity of Life: Ecological, Embryological, Hereditary and Microbial Methods and Approaches (P)
- Field Visit

Third Semester

- Animal Physiology (T)
- Cell and Molecular Biology (T)
- Biophysics, Instrumentation and Biological Techniques (T)
- Immunology (T)
- Molecular, Physiological and Immunological Methods and Approaches in Biosciences (P)

Fourth Semester

- General Microbiology & Parasitology (T)
- Bacteriology, Virology & Mycology (T)
- Clinical Microbiology (T)
- Microbiology (P)
- Project
- Viva
- Institution Visit

Highlights of the Department

The Department has Classrooms and laboratories with ICT facility and well-equipped laboratories including Wet lab, Biochemistry & Physiology lab and Microbiology laboratory for performing experiments in Environmental Science, Molecular Biology, Biochemistry, Physiology and Microbiology. Department has a well-equipped instrumentation room. Facilities include ultracentrifuge, microtome, spectrophotometers, laminar flow hood, incubator, autoclave, hot air oven, spectrophotometer, centrifuges, binocular microscopes and electronic balances.

Since the department's establishment, the museum has kept a large collection of preserved indigenous and exotic animal species. This museum has a large collection of scientifically important zoological specimens and materials, all of which are well-labelled, categorised, and displayed in Museum Display Cabinets. The collection includes Invertebrates belonging to Porifera, Cnidaria, Platyhelminthes, Nematelminthes, Annelida, Echinodermata, Mollusca and Arthropoda. There are more than 100 Vertebrate specimens that include fishes, reptiles, birds and mammals. A Well-maintained osteology section includes Skeleton of Whale, Man, Snake, fish and Amphibians. There is a repository of slides pertaining to histology, cytology, invertebrates, whole mounts, sections and larvae, frog and chick embryology.

Collaborators & Recruiters

Students are encouraged to do field-based projects in animal diversity and ecology studies in collaboration with state and National Institutes like KFRI, Thattekkad Bird Sanctuary, Kannur Kandal Project, Wild life Trust of India etc.

The Department has MoUs with OmicsGen Life Sciences Pvt.Ltd. Thrikkakara, P.O, Kochi, Kerala 682021, Unibiosys Biotech Research Labs, South Kalamassery, Kochi, Kerala 682022 and with PVT Meritbio Lab, Palarivattom, Vennala, Kochi, Kerala 682028, Sophisticated Test and Instrumentation Centre, CUSAT, Kalamassery.

Archbishop Attipetty Memorial Scholarship for Vocational Courses

St. Albert's College (Autonomous) has instituted Scholarships in memory of the Founder Patron, Servant of God, Archbishop Joseph Attipetty, for the students pursuing B. Voc. & M. Voc. Programmes at the College, from the academic year 2020-21, and who also fulfil the following conditions:

- Students scoring above 95% will get a scholarship of 50% of the fees paid
- Students scoring above 90% will get a scholarship of 40% of the fees paid
- Students scoring above 80% will get a scholarship of 30% of the fees paid
- Students scoring above 70% will get a scholarship of 20% of the fees paid

Regulations

1. The Scholarship is strictly limited to students of B. Voc and M. Voc Programmes.
2. The present, as well as the newly admitted students of the academic year 2026-27.

Semester	Eligibility
Semester 1	Marks of the previous Programme (Undergraduate Degree marks for M. Voc programme)
Semester 2	Semester 1 marks of the current B.Voc programme
Semester 3	Semester 2 marks of the current B.Voc programme
Semester 4	Semester 3 marks of the current B.Voc programme

4. Marks attained after the stipulated time for scholarship application (through improvement, retake) will not be considered for the Scholarship.
5. The application should be submitted at the College office within the stipulated time frame in the prescribed format.
6. The student should have passed all the courses of the previous semester in the immediate previous semester.
7. Absence in the previous semester exam is considered as having failed the exam.
8. Any relaxation for eligibility criteria will not be entertained.
9. The student must pay the full fee at the beginning of every semester. The Scholarship will be disbursed after the results of the previous semester are announced
10. The students who avail of the Scholarship should lead an exemplary academic life.
11. The student may lose their Scholarship if
 - a. He/She is involved in exam related malpractices
 - b. He/She is involved in ragging
 - c. He/She involved in events related to substance abuse or alcoholism
 - d. He/She is involved in political activities either physically or through social media. Political activities by the students are entirely banned inside the College campus. The students are also strictly prohibited from using the College's name to further political activities, objectives or activism outside the College campus.
 - e. He/She is involved in any activities either physically or through social media that will tarnish the name of the College
 - f. Any disciplinary action is initiated against him/her
12. This Scholarship is not a right based Scholarship, and the College Management has the full authority to withdraw the Scholarship to any student/ group of students at any time. The College management will not be subject to any litigation relating to this Scholarship

NB: The Prospectus is subject to change as per the decisions of the Governing Body of St. Albert's College (Autonomous), MG University, Kottayam and Kerala State Higher Education Council
